(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyrights whatsoever. The sole FIGURE is a front view of a display screen with graphical user interface showing my new design. The broken lines showing the display screen and the broken line text are included for the purpose of showing portions of the article and form no part of the claimed design.
