(57) **CLAIM**

We claim the ornamental design for a playing field, as shown and described herein.

DESCRIPTION

FIG. 1 is a first perspective view of a first side of a playing field, according to the new design.

FIG. 2 is a second perspective view of the first side of the playing field, according to the new design.

FIG. 3 is a third perspective view of the first side of the playing field, according to the new design.

FIG. 4 is a first perspective view of a second side of the playing field, according to the new design.

FIG. 5 is a second perspective view of the second side of the playing field, according to the new design.

FIG. 6 is a third perspective view of the second side of the playing field, according to the new design.

FIG. 7 is a first perspective view of a third side of the playing field, according to the new design.

FIG. 8 is a second perspective view of the third side of the playing field, according to the new design.

FIG. 9 is a third perspective view of the third side of the playing field, according to the new design.

FIG. 10 is a first perspective view of a fourth side of the playing field, according to the new design.

FIG. 11 is a second perspective view of the fourth side of the playing field, according to the new design.

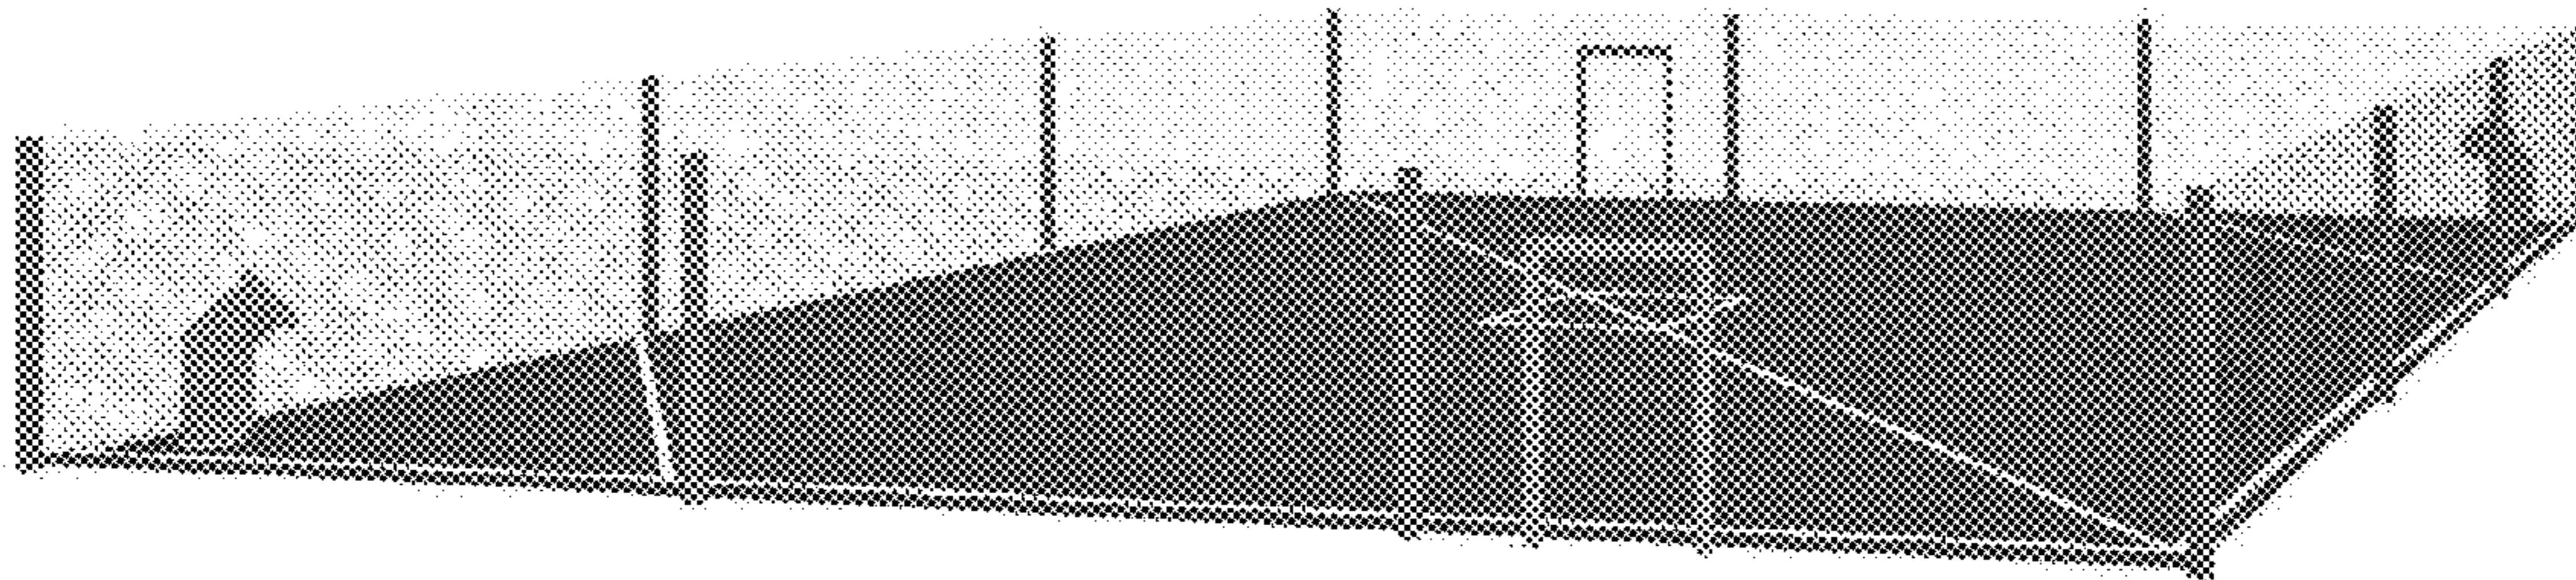

FIG. 12 is a third perspective view of the fourth side of the playing field, according to the new design.

FIG. 13 is a plan view of the playing field, according to the new design.

FIG. 14 is a front view of the playing field, according to the new design; and,

FIG. 15 is a side view of the playing field, according to the new design.

1 Claim, 15 Drawing Sheets
