(57) **CLAIM**

The ornamental design for a display panel or portion thereof with animated computer icon, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first image in a sequence for a display panel or portion thereof with animated computer icon, showing our new design.

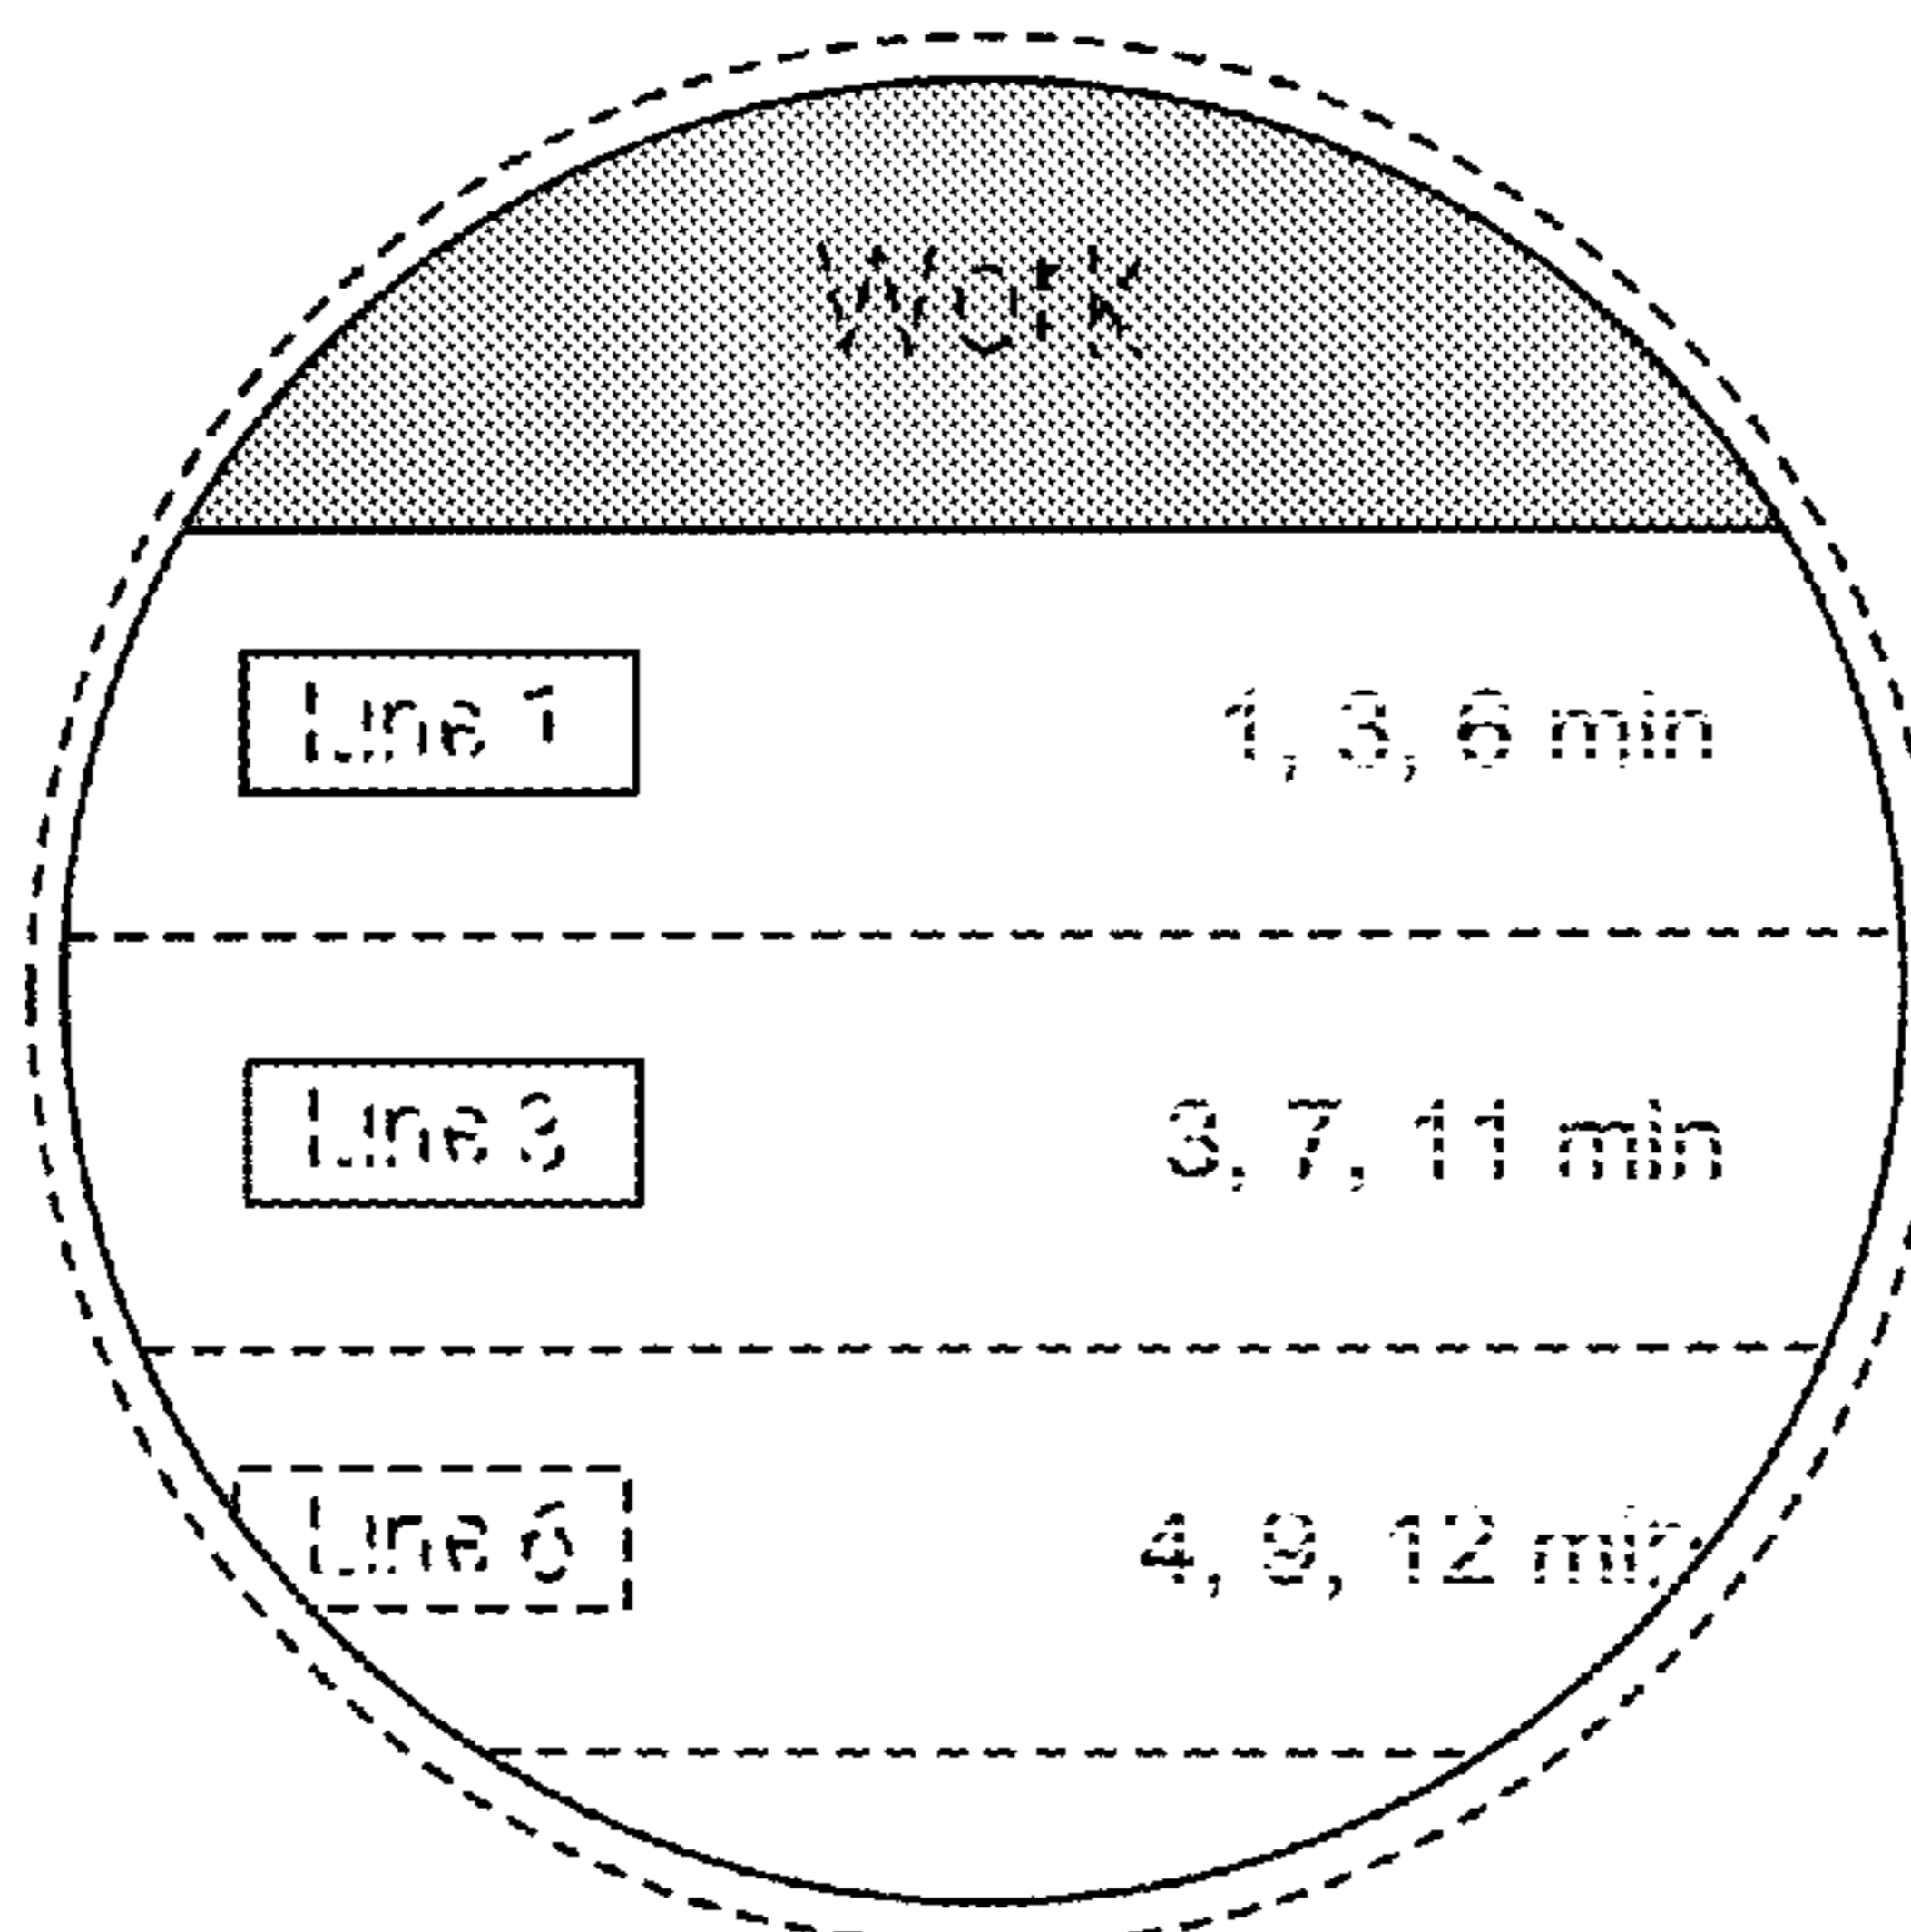

FIG. 2 is a front view of a second image in the sequence thereof; and,

FIG. 3 is a front view of a third image in the sequence thereof.

The appearance transitions sequentially from FIG. 1 through FIG. 3. The process or period in which one image transitions to another image forms no part of the claimed design.

The broken lines in FIGS. 1-3 form no part of the claimed design. The outer broken line circle illustrates the display panel and forms no part of the claimed design. The broken lines illustrating the portions of the animated computer icon form no part of the claimed design.
