(57) **CLAIM**

The ornamental design for a filtered luer slip IV set for serum bottle high volume infusion for veterinary use, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a filtered luer slip IV set for serum bottle high volume infusion for veterinary use; FIG. 2 is a front elevational view thereof; FIG. 3 is a bottom plan view thereof; FIG. 4 is a right-side elevational view thereof; FIG. 5 is a left-side elevational view thereof; FIG. 6 is a rear elevational view thereof; and, FIG. 7 is an isometric view thereof, showing my design being used with a bottle to administrate liquid matter. The broken line showing of parts of the drawings is included for the purpose of illustrating use and environment and forms no part of the claimed design.
