Primary Examiner — Kevin K Rudzinski

(Continued)

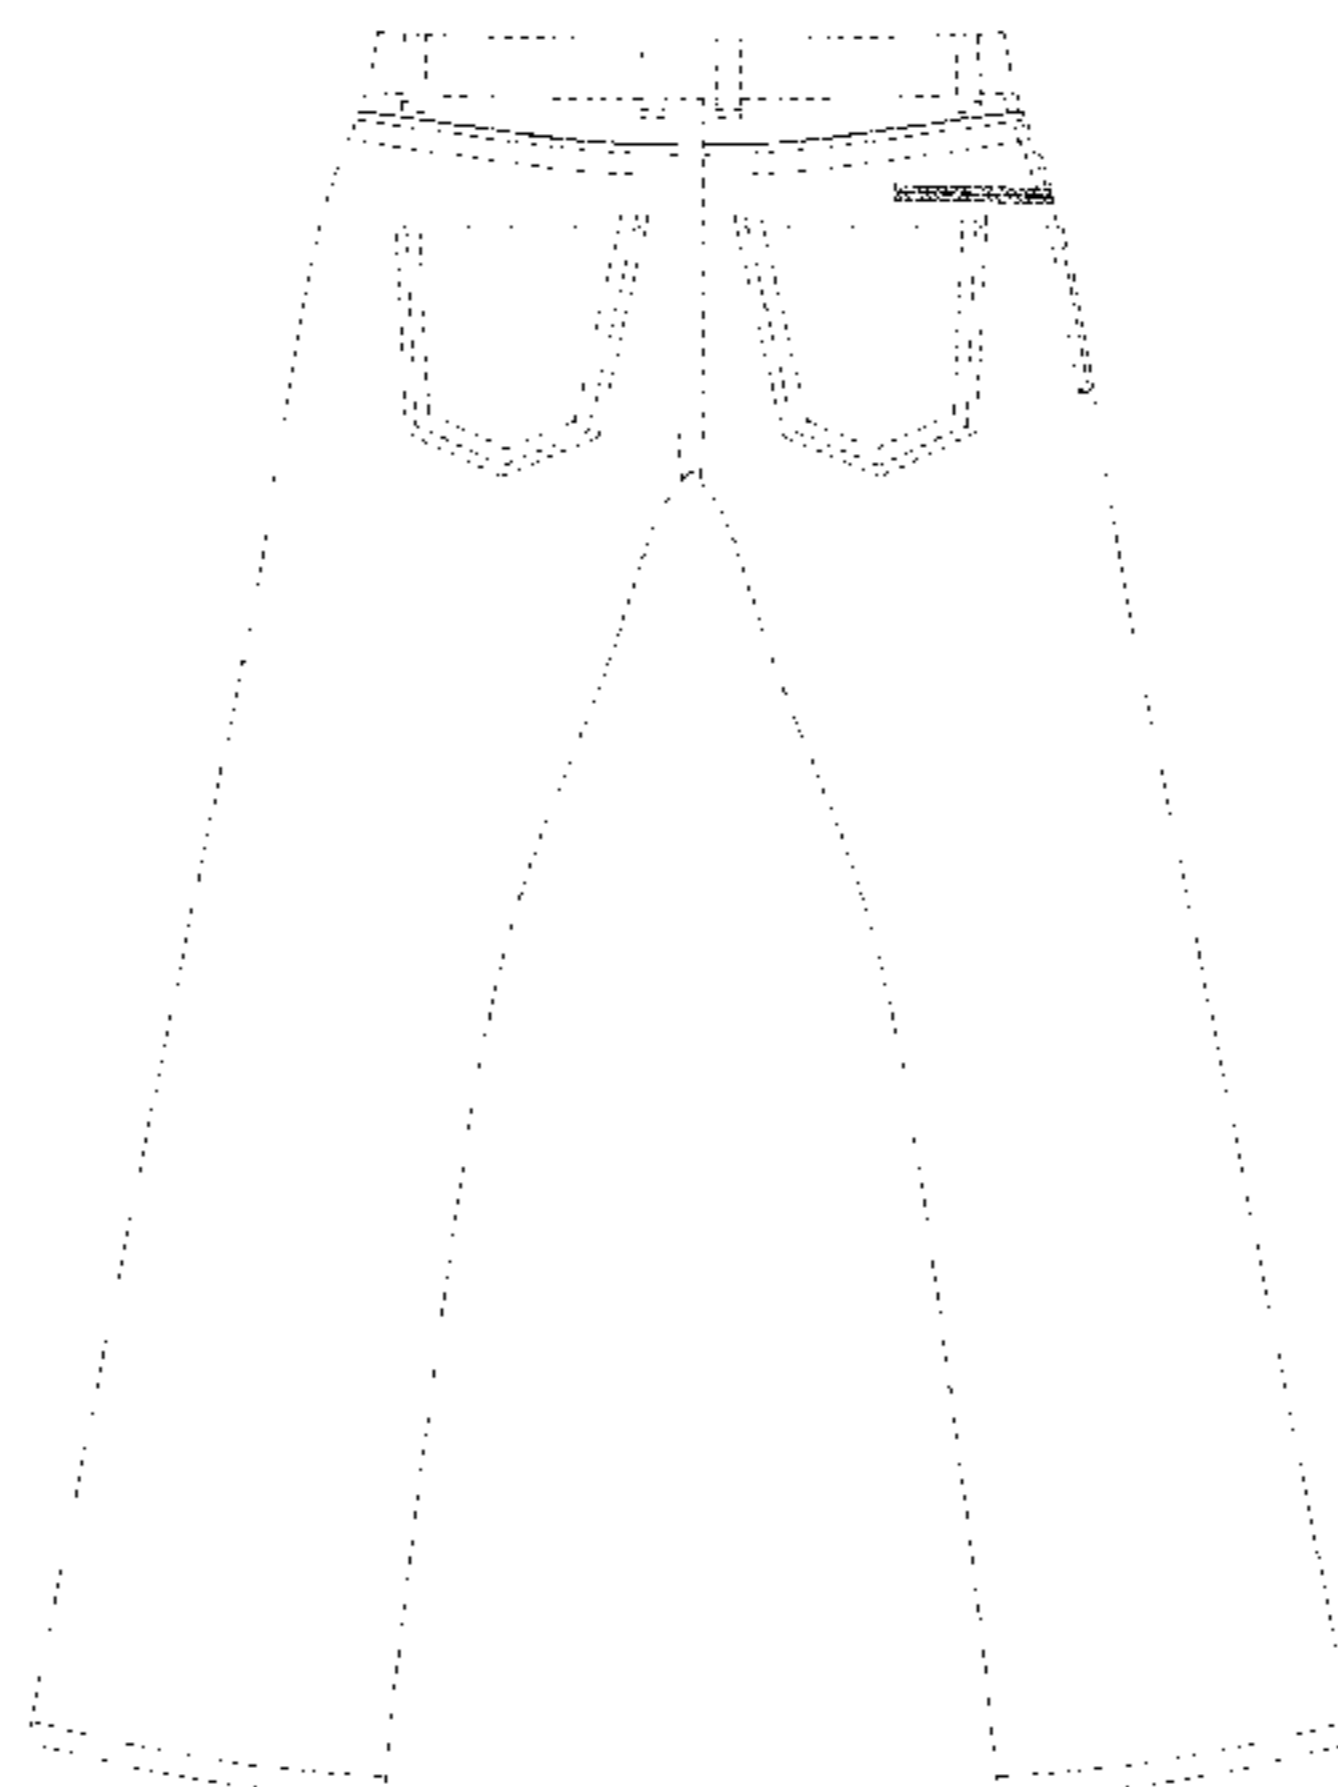

FIG. 12 is an inside-out rear view of the mobile phone pocket for jeans, pants and the like including a rear view of the first embodiment of the mobile phone pocket for jeans, pants and the like of FIG. 7.

The present design relates to a mobile phone pocket for jeans, pants and the like, which is provided above a back pocket of a pair of jeans, pants or the like. The present design includes two embodiments of the mobile phone pocket, with the first embodiment being a mirror image of the second embodiment.

The features of the mobile phone pocket for jeans, pants and the like, including stitching, and of the mobile phone are shown in broken lines and form no part of the claimed design. Stitching extending along one side of the mobile phone pocket and the rear view of the mobile phone pocket are shown in broken lines and form no part of the claimed design. Moreover, the specific configuration of the stitching used on the mobile phone pocket is not part of the claimed design.
