(57) **CLAIM**

The ornamental design for an insulating beverage cozy with a multi-positional collar, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of an insulating beverage cozy with a multi-positional collar, showing my new design, with the collar in an open position;

FIG. 2 is a top plan view of my design, with the collar in an open position;

FIG. 3 is a bottom plan view of my design, with the collar in an open position;

FIG. 4 is a front front cross section view thereof, taken along line 4-4 of FIG. 1, illustrating the collar in an open position; FIG. 5 is a front elevational view of my design illustrating the collar in an open position, and the broken lines indicate an exemplary beverage, which is not a part of my design; FIG. 6 is a front cross section view thereof, taken along line 6-6 of FIG. 5;

FIG. 7 is a front elevational view of my design, with the collar in an open position, wherein the broken lines illustrate an exemplary beverage being placed therein;

FIG. 8 is a front cross section view taken along line 8-8 of FIG. 7, wherein the broken lines indicate an exemplary beverage being placed therein;

FIG. 9 is a front elevational view of my design illustrating the collar in a closed position, and the broken lines indicate an exemplary beverage, which is not a part of my design; FIG. 10 is a front elevational view of my design, illustrating the collar in a closed position, the rear being a mirror image thereof;

FIG. 11 is a front cross section view thereof taken along line 11-11 of FIG. 10;

FIG. 12 is a top front perspective view illustrating the collar of my design, illustrating the collar in a closed position;

FIG. 13 is a top plan view illustrating the collar of my design, with the collar in a closed position;

FIG. 14 is a front cross section view thereof taken along line 14-14 of FIG. 15, illustrating the collar of my design, with the collar in a closed position; and,

FIG. 15 is a front elevational view of the collar of my design, and the rear view is a mirror image thereof.

The collar is shown separately in FIGS. 12-15 for clarity of illustration. The broken lines are for illustrative purposes only and form no part of the claimed design. In the drawings, the broken lines depict unclaimed subject matter only and form no part of the claimed design.
