DESCRIPTION

FIG. 1 is a left angled front perspective view of the remote control;
FIG. 2 is a front view of the remote control;
FIG. 3 is a rear view of the remote control;
FIG. 4 is a left side view of the remote control;
FIG. 5 is right side view of the remote control;
FIG. 6 is a bottom view of the remote control; and,
FIG. 7 is a top view of the remote control.
The broken lines in the figures represent features of the remote control that form no part of the claimed design.
