(57) **CLAIM**

The ornamental design for an engine head cover of a motorcycle, as shown and described.

DESCRIPTION

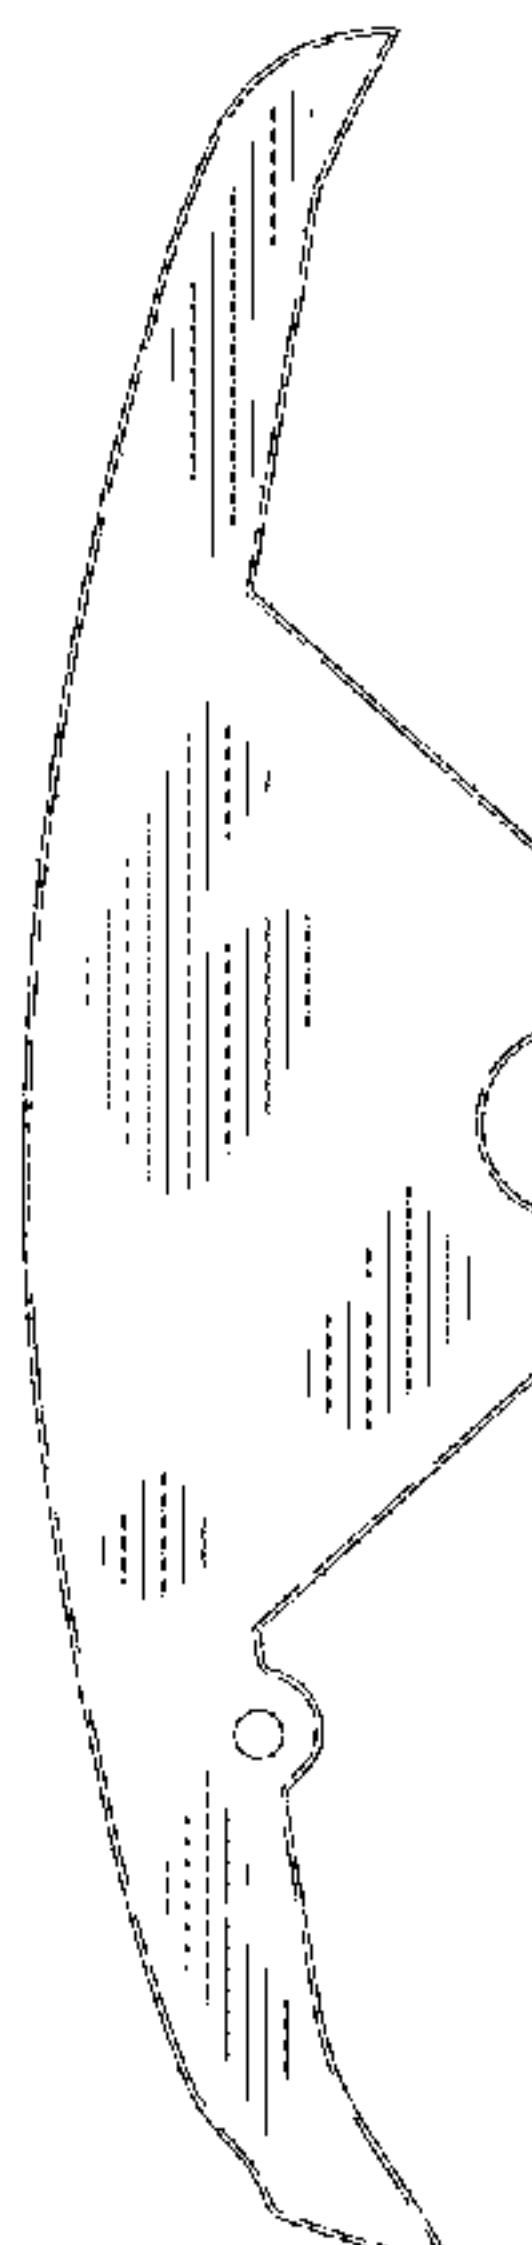

FIG. 1 is a front elevational view of an engine head cover of a motorcycle showing our new design;
FIG. 2 is a left side elevational view thereof;
FIG. 3 is a right side elevational view thereof;
FIG. 4 is a perspective view thereof as an installed component over an exemplary engine head of a motorcycle; and,
FIG. 5 is a rear elevational view thereof.
The even broken line showing of an engine of a motorcycle is provided for the purpose of illustrating environmental structure and forms no part of the claimed design.
