(57) **CLAIM**

The ornamental design for a writing instrument cap with ear pick, as shown and described.

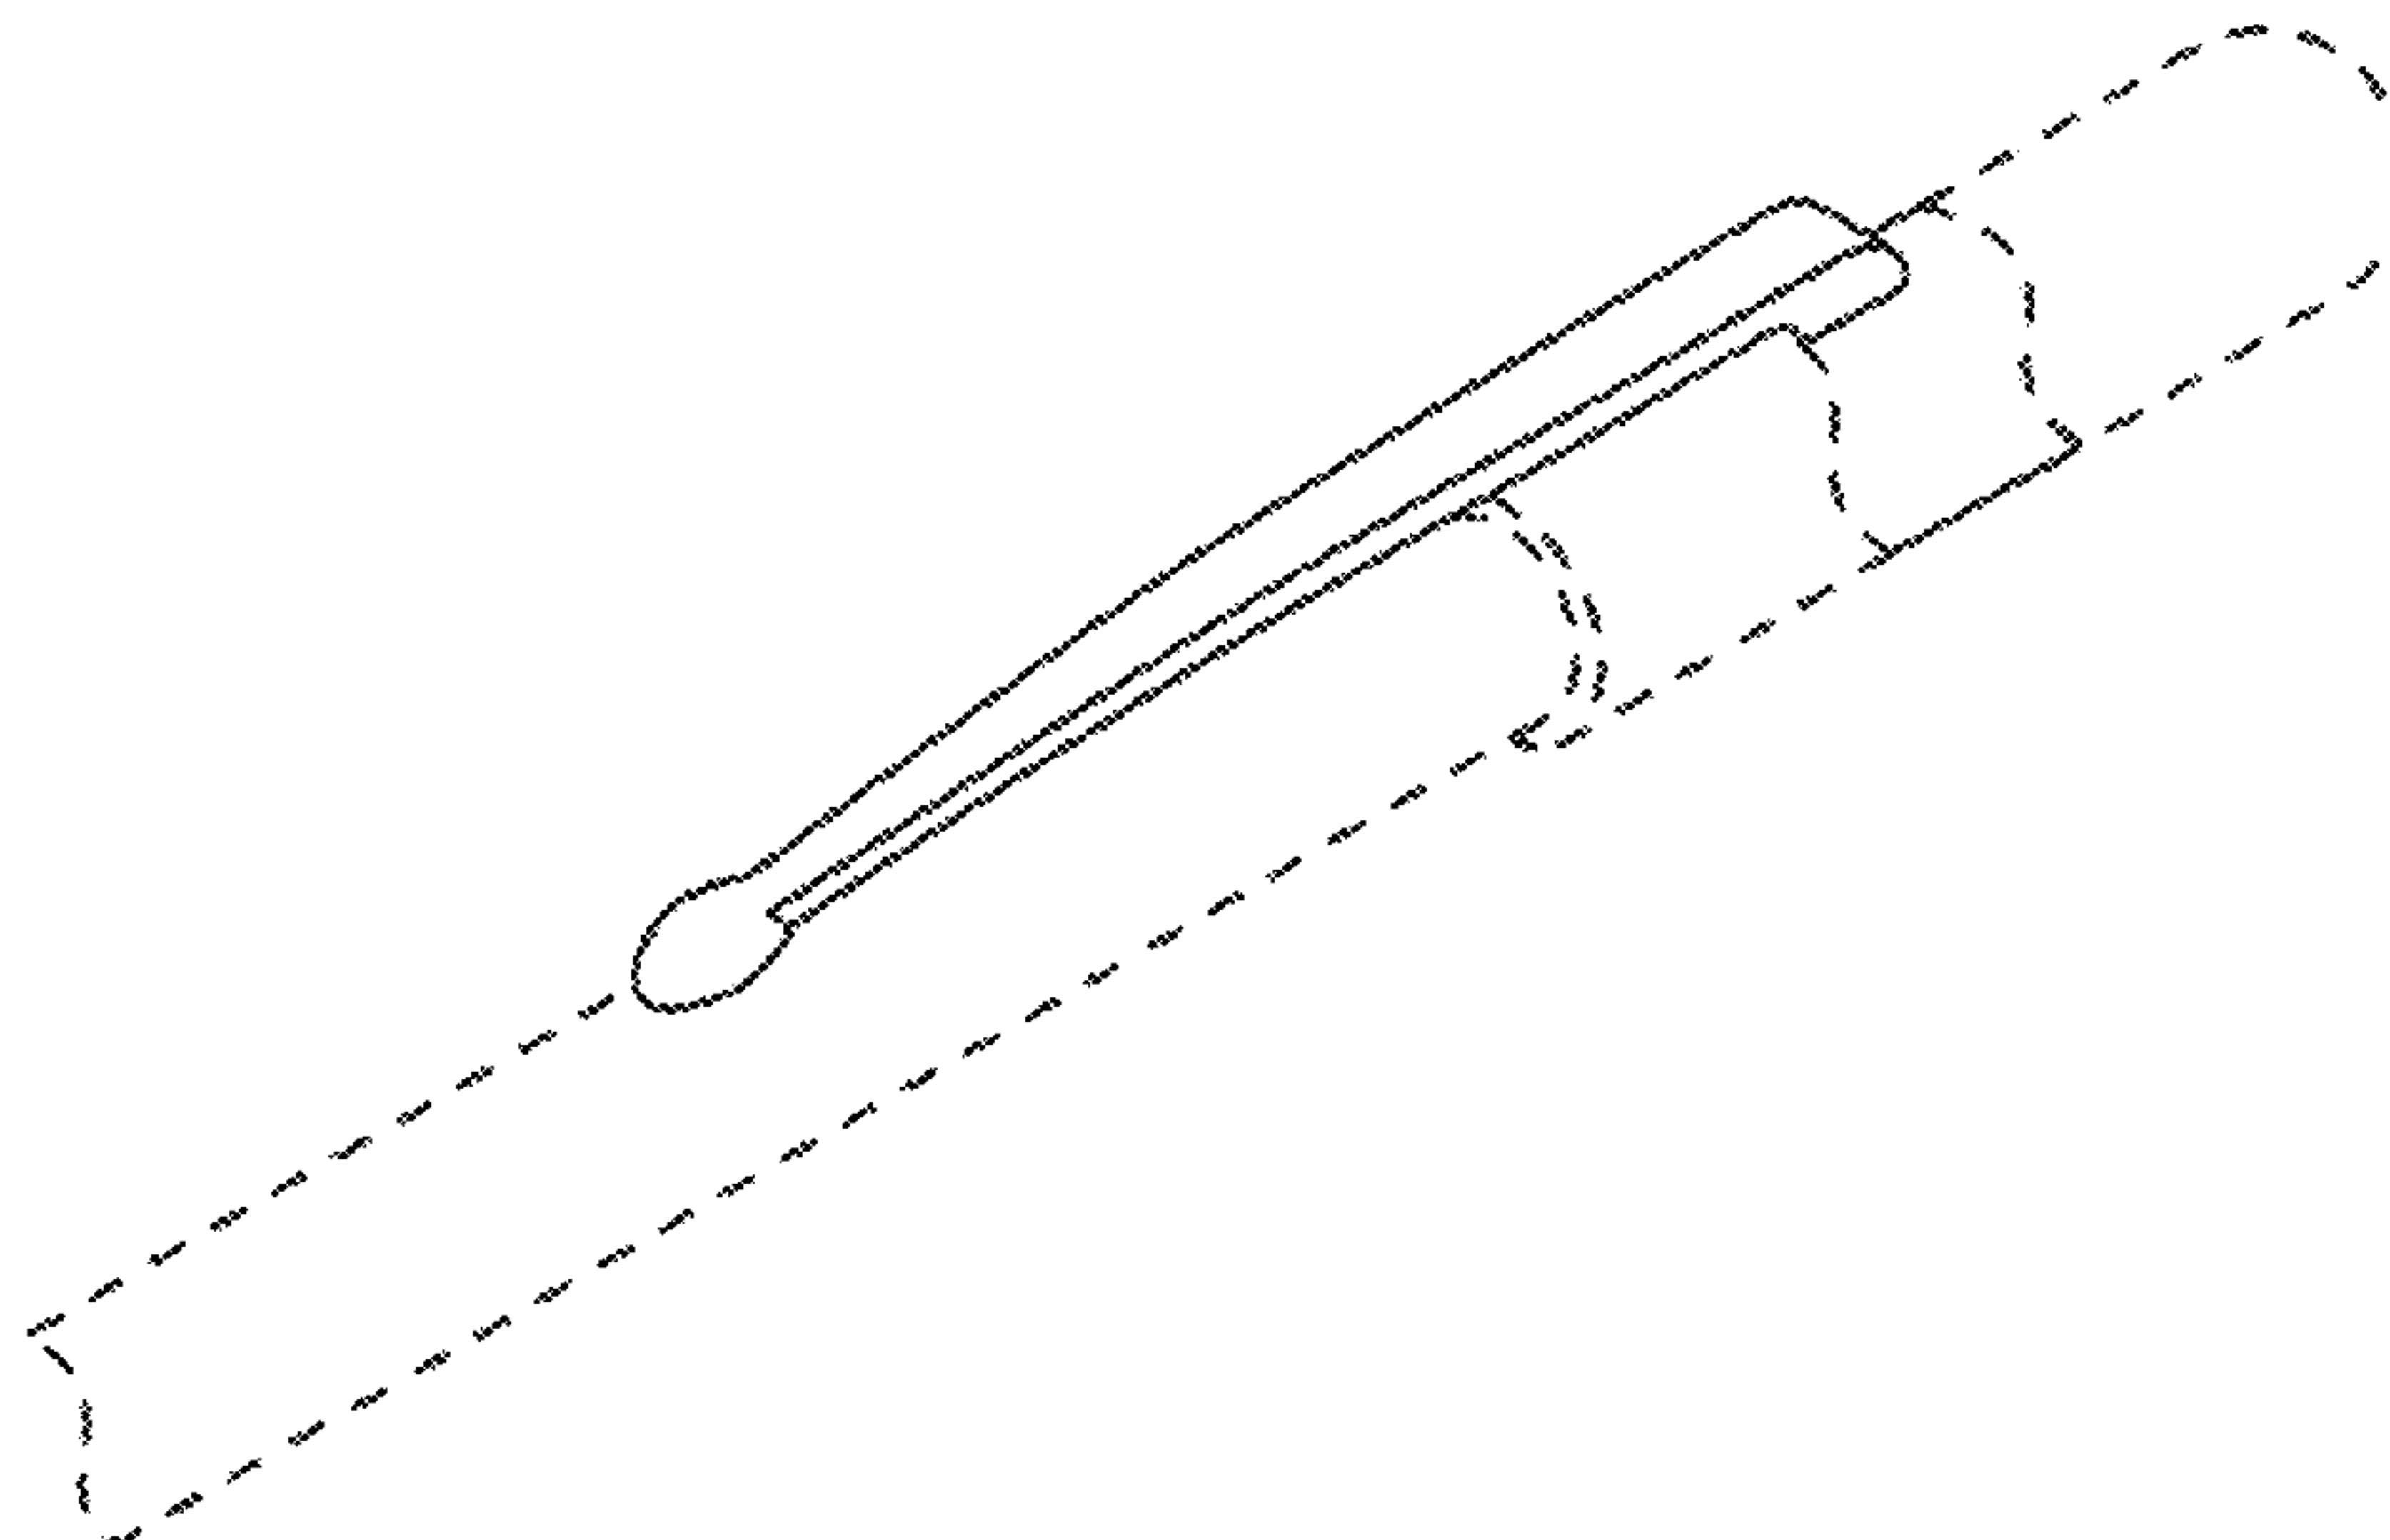

DESCRIPTION

FIG. 1 is a perspective view of a writing instrument cap with ear pick in accordance with my new design;
FIG. 2 is front side elevational view thereof;
FIG. 3 is a rear side elevational view thereof;
FIG. 4 is a left side elevational view thereof;
FIG. 5 is a right side elevational view thereof; and,
FIG. 6 is a top plan view thereof.

The broken lines are included for the purpose of showing portions of the drawings that form no part of the claimed design.

The surface of the section of the cap to which the clip is attached is claimed except for the wavy edges that are unclaimed.

1 Claim, 4 Drawing Sheets
