See application file for complete search history.

(57) **CLAIM**

The ornamental design for an electronic device with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of an electronic device with graphical user interface showing the claimed design; and, FIG. 2 shows an environmental electronic device to which the design of FIG. 1 may be applied.

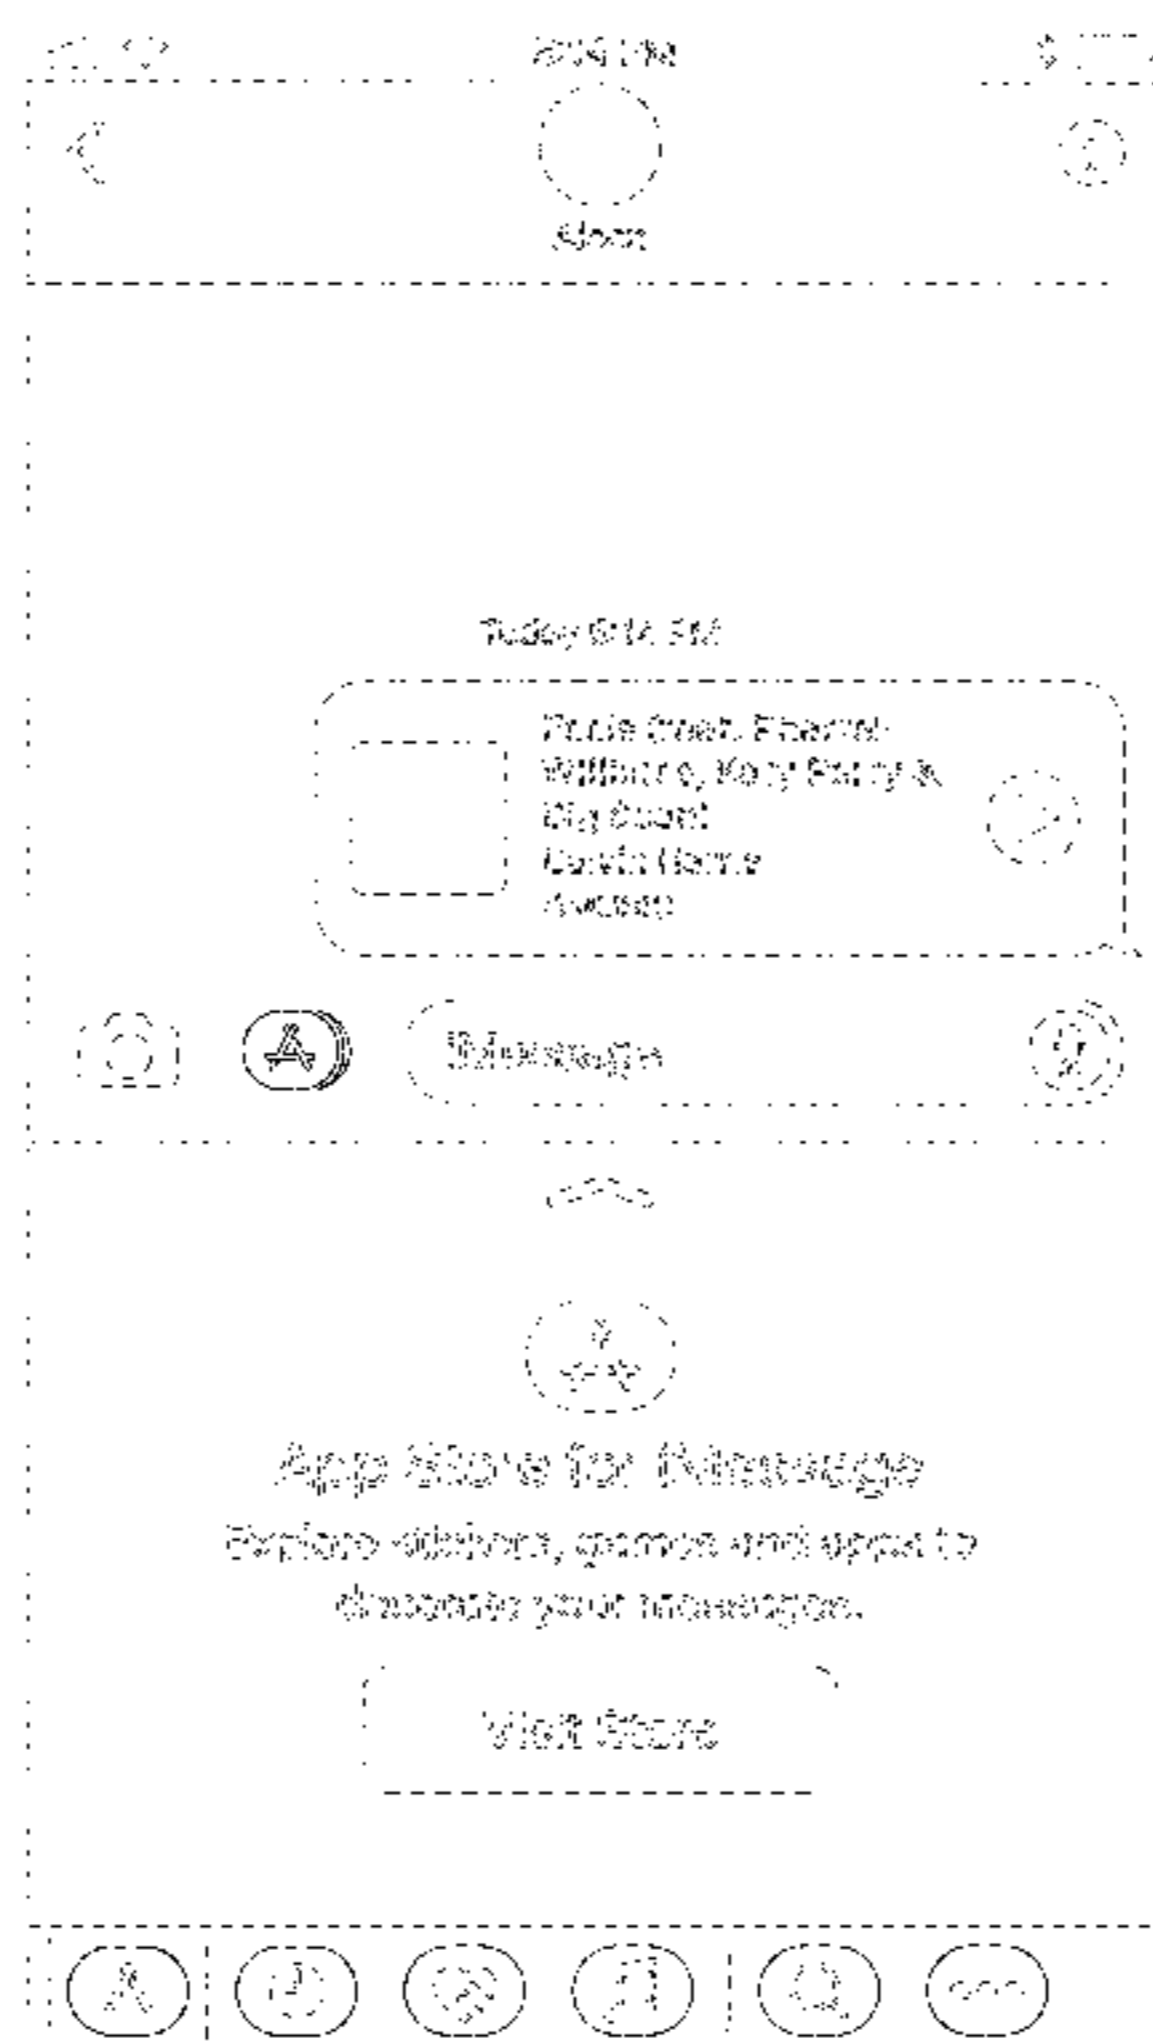

The outermost dashed broken lines in the figures show an electronic device having a display screen, or show environment, and form no part of the claimed design. The other dashed broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
