In FIGS. 1-3, the de-emphasized and half-tone portions  
illustrate environmental structure and form no part of the  
claimed invention. More particularly, in FIGS. 1-3, the  
inventive head light is shown within the broken line, and the  
elements shown outside the broken line from no part of the  
claimed invention, but are instead included to show envi-  
ronmental aspects thereof.

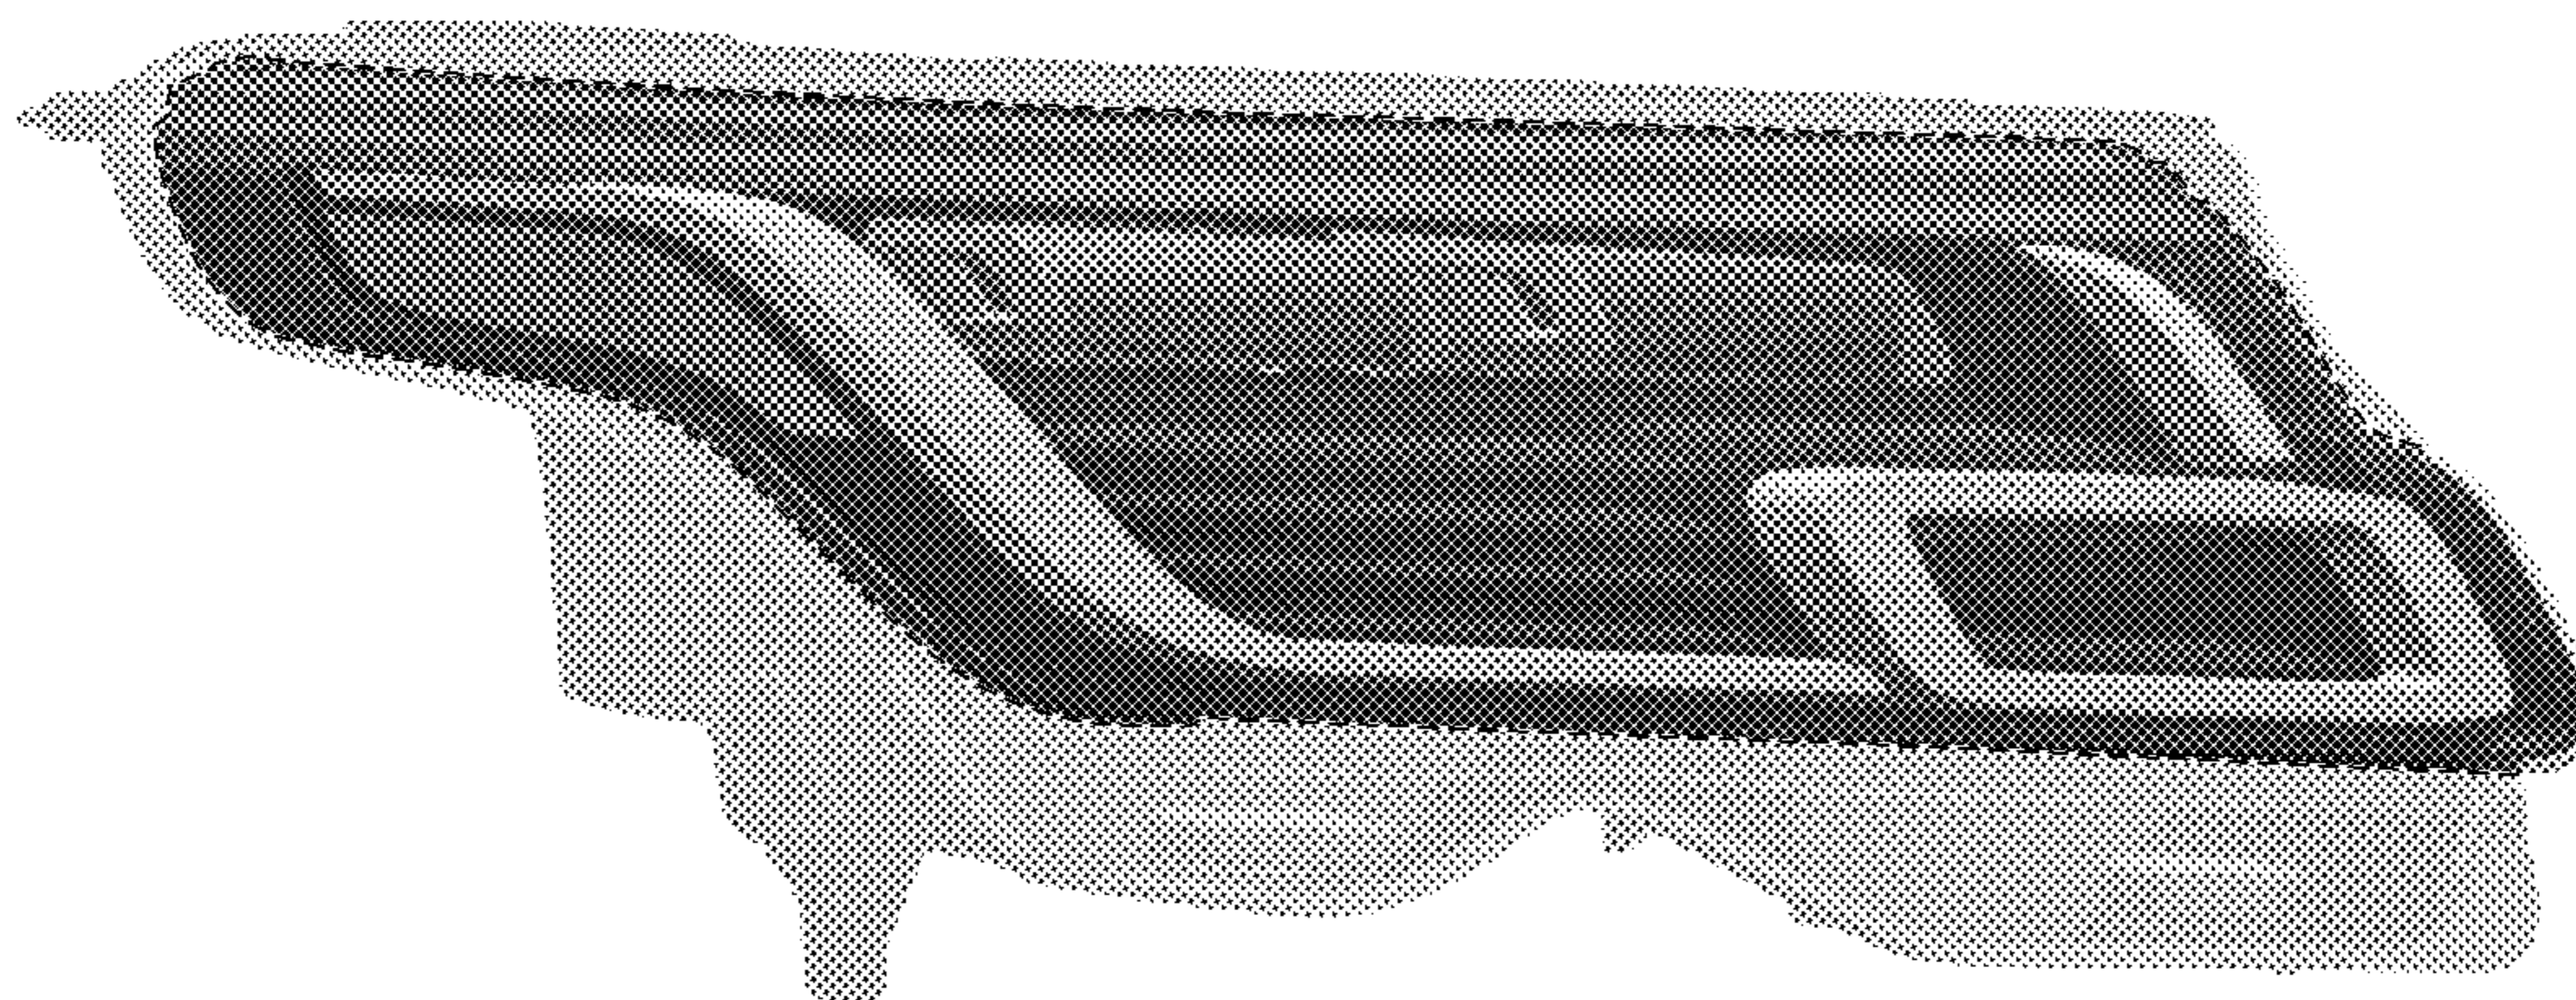

The same is true with respect to FIG. 4, in that the head light  
of the present invention is shown within the broken line, and  
the elements shown outside the broken line, i.e. the rest of  
the vehicle, form no part of the claimed invention, but are  
instead included to show environmental aspects thereof.
