(57) **CLAIM**

The ornamental design for a lower body garment, as shown
and described.

DESCRIPTION

FIG. 1 is a perspective view of a lower body garment
showing my new design in an as-worn configuration;
FIG. 2 is a front view thereof; and,
FIG. 3 is a right side view thereof.

The long and short broken lines are unclaimed boundaries of
the claimed design. It is understood that the claimed design
extends to these boundaries but does not include the bound-
aries.

The even broken lines shown in the drawings are directed to
environment, are for informational purposes only, and form
no part of the claimed design. In addition, the unshaded
regions, demarcated by the evenly spaced broken lines,
represent unclaimed portions of the garment and form no
part of the claimed design.
