Any color, text and/or symbols shown throughout the drawing views form no part of the claimed design.  
The Applicant reserves the right to convert individual and various combinations of solid lines to broken lines in one or more continuation applications, since the figures convey that the inventors had possession of the features shown in solid lines, individually and in various combinations, as of the date of filing. Furthermore, Applicant reserves the right to convert the originally filed color figures to black and white line figures with appropriate shading and contour lines without the black and white line figures being considered new matter.
