(57) **CLAIM**

The ornamental design for a communications terminal display panel with graphical user interface, as shown and described.

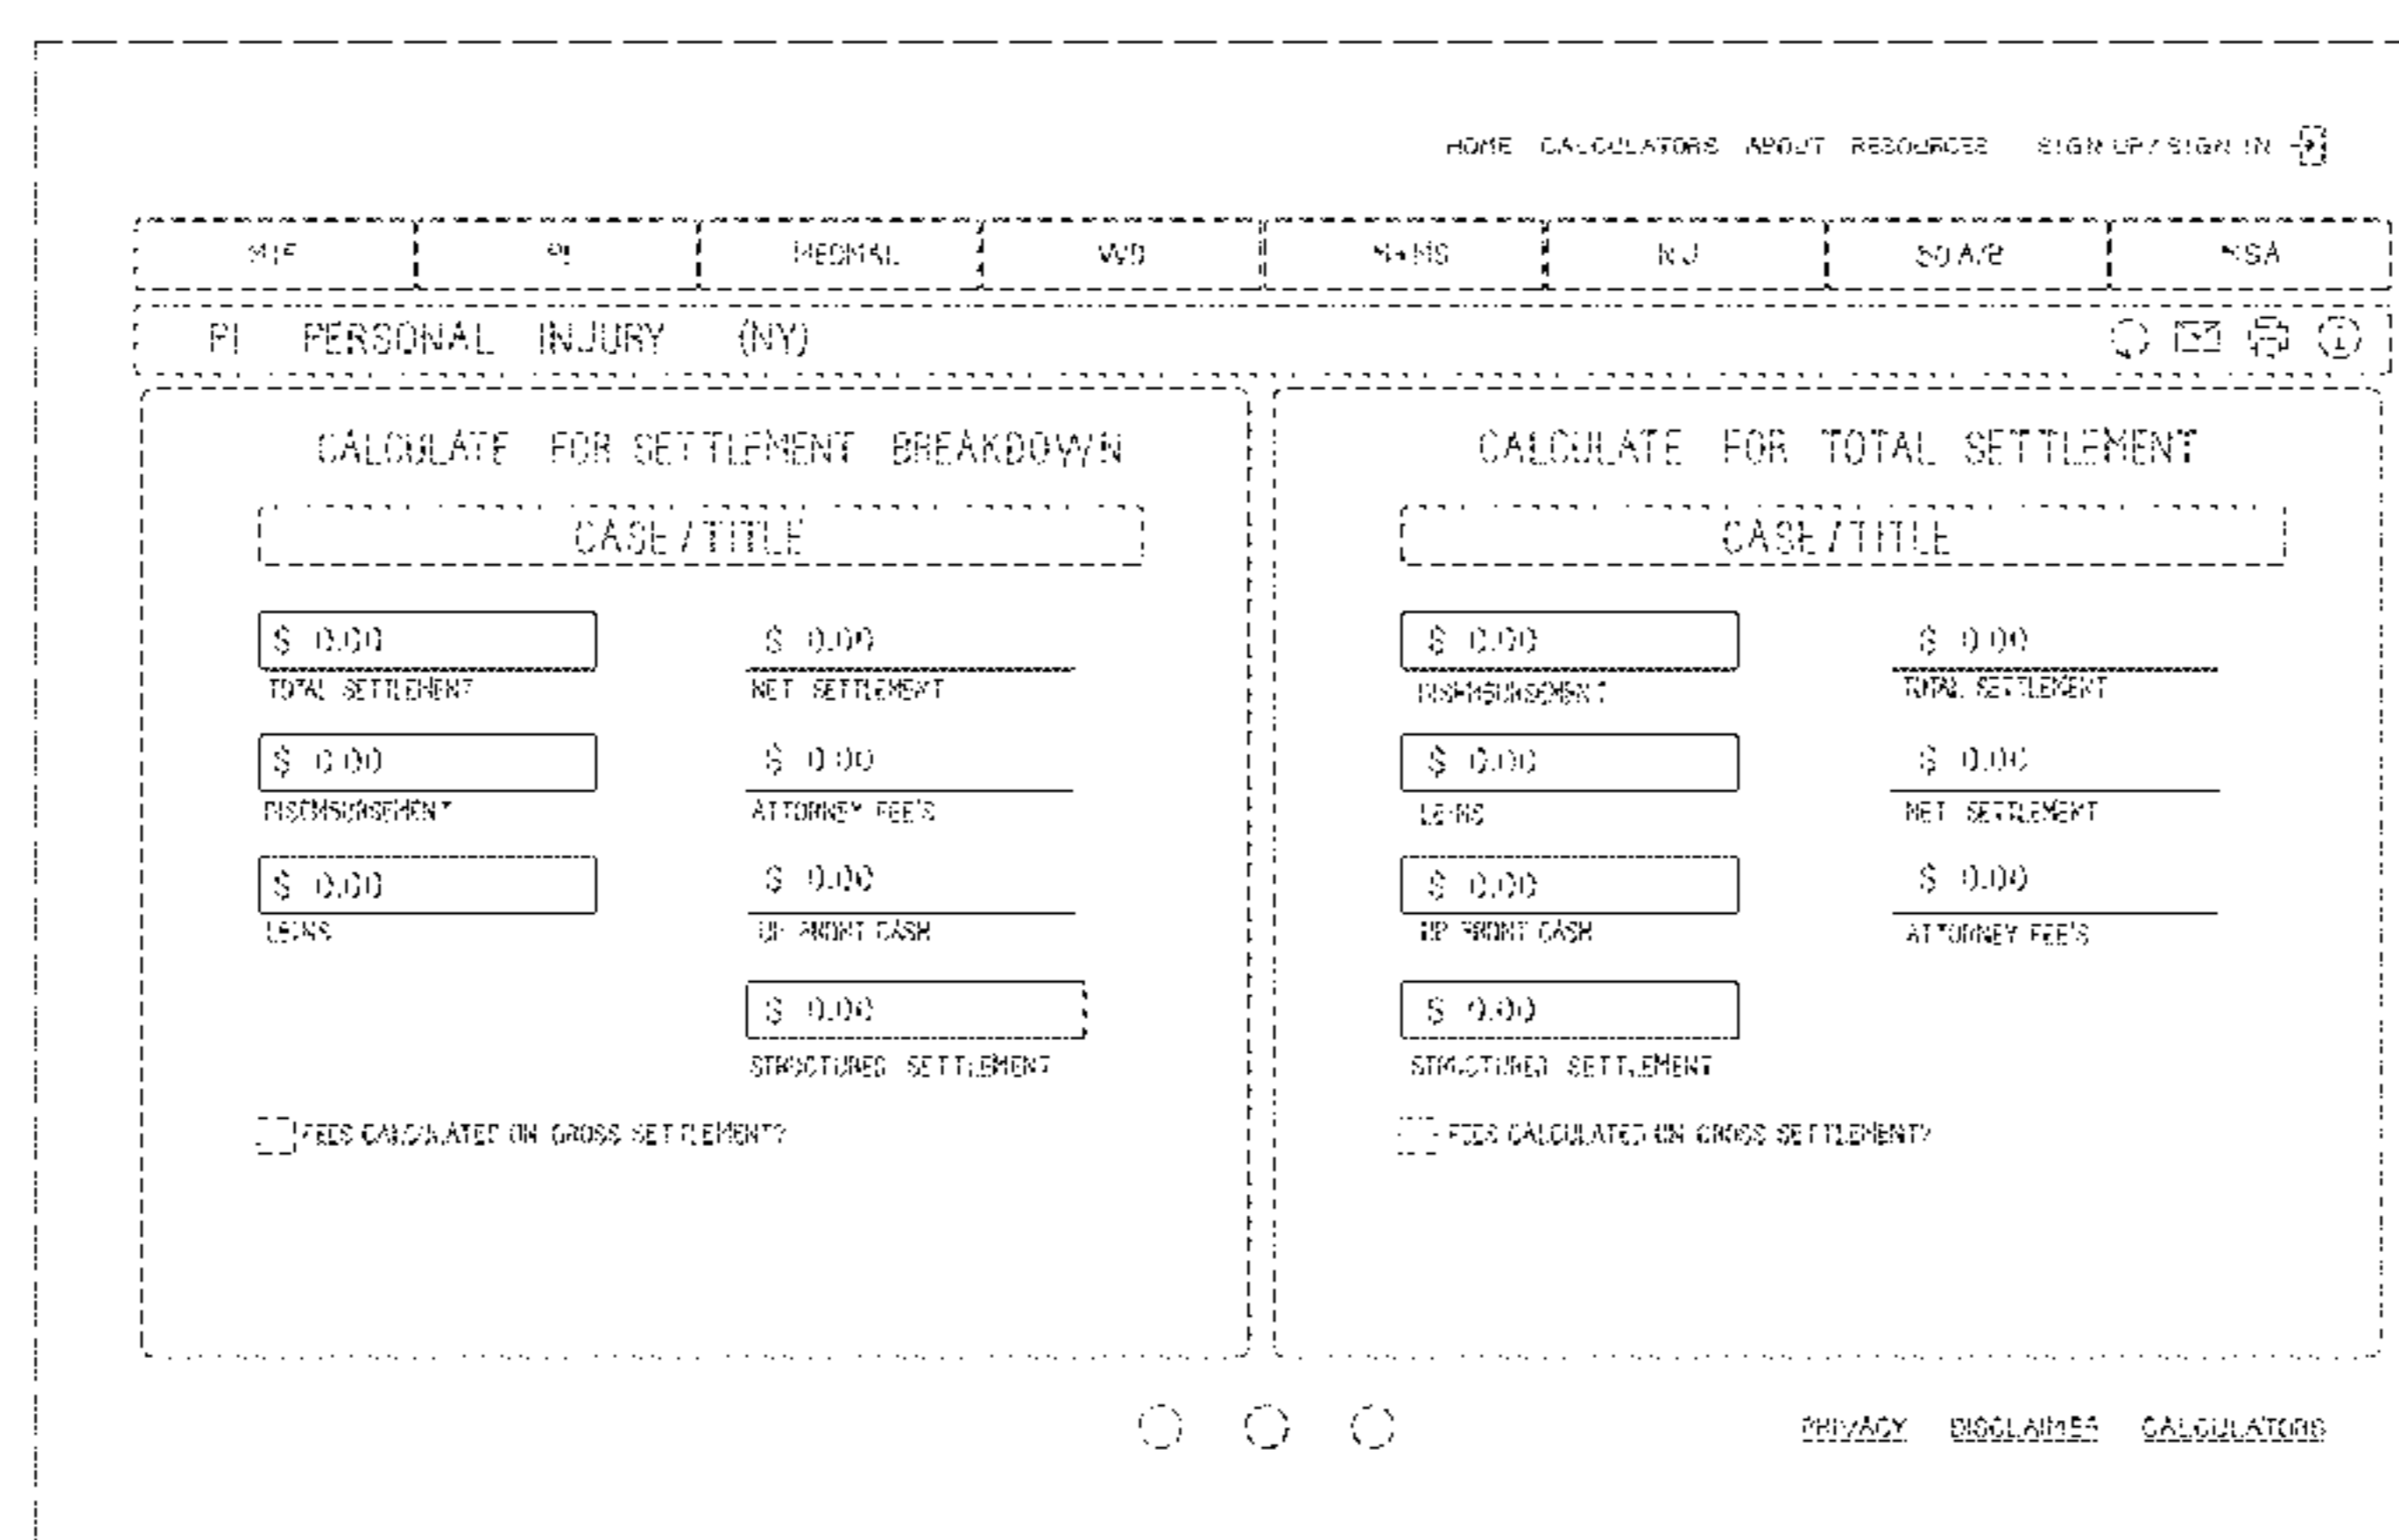

**DESCRIPTION**

FIG. 1 is a front view of a communications terminal display panel with graphical user interface, showing my new design; and,

FIG. 2 is a front view of the communications terminal display panel with graphical user interface in accordance with a second embodiment.

The outermost broken lines illustrate a display panel or portion thereof and form no part of the claimed design. The

(Continued)

remaining broken lines, including all text and icons, illustrate portions of the graphical user interface that form no part of the claimed design.
