(57) **CLAIM**

The ornamental design for a display screen or portion thereof with set of icons, as shown and described.

DESCRIPTION

The sole FIGURE shows a display screen or portion thereof with set of icons showing our new design.

The peripheral dashed broken lines illustrate a display screen or portion thereof and form no part of the claimed design.

The bracket shown in the figure indicates a set and forms no part of the claimed design. The elements of the set are arranged relatively on the drawing sheet for the convenience of illustration, and the placement of each element relative to another, or to the drawing sheet, forms no part of the claimed design.
