(57) **CLAIM**

The ornamental design of a breastfeeding shirt, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a breastfeeding shirt with a stretchable fold-down outer front panel overlaying a stretchable pull-up inner front panel showing my new design.

FIG. 2 is a rear view thereof;

FIG. 3 is a side view thereof, the opposite side view being a mirror image;

FIG. 4 is a front view thereof with the outer front panel folded down and the inner front panel shown in place;

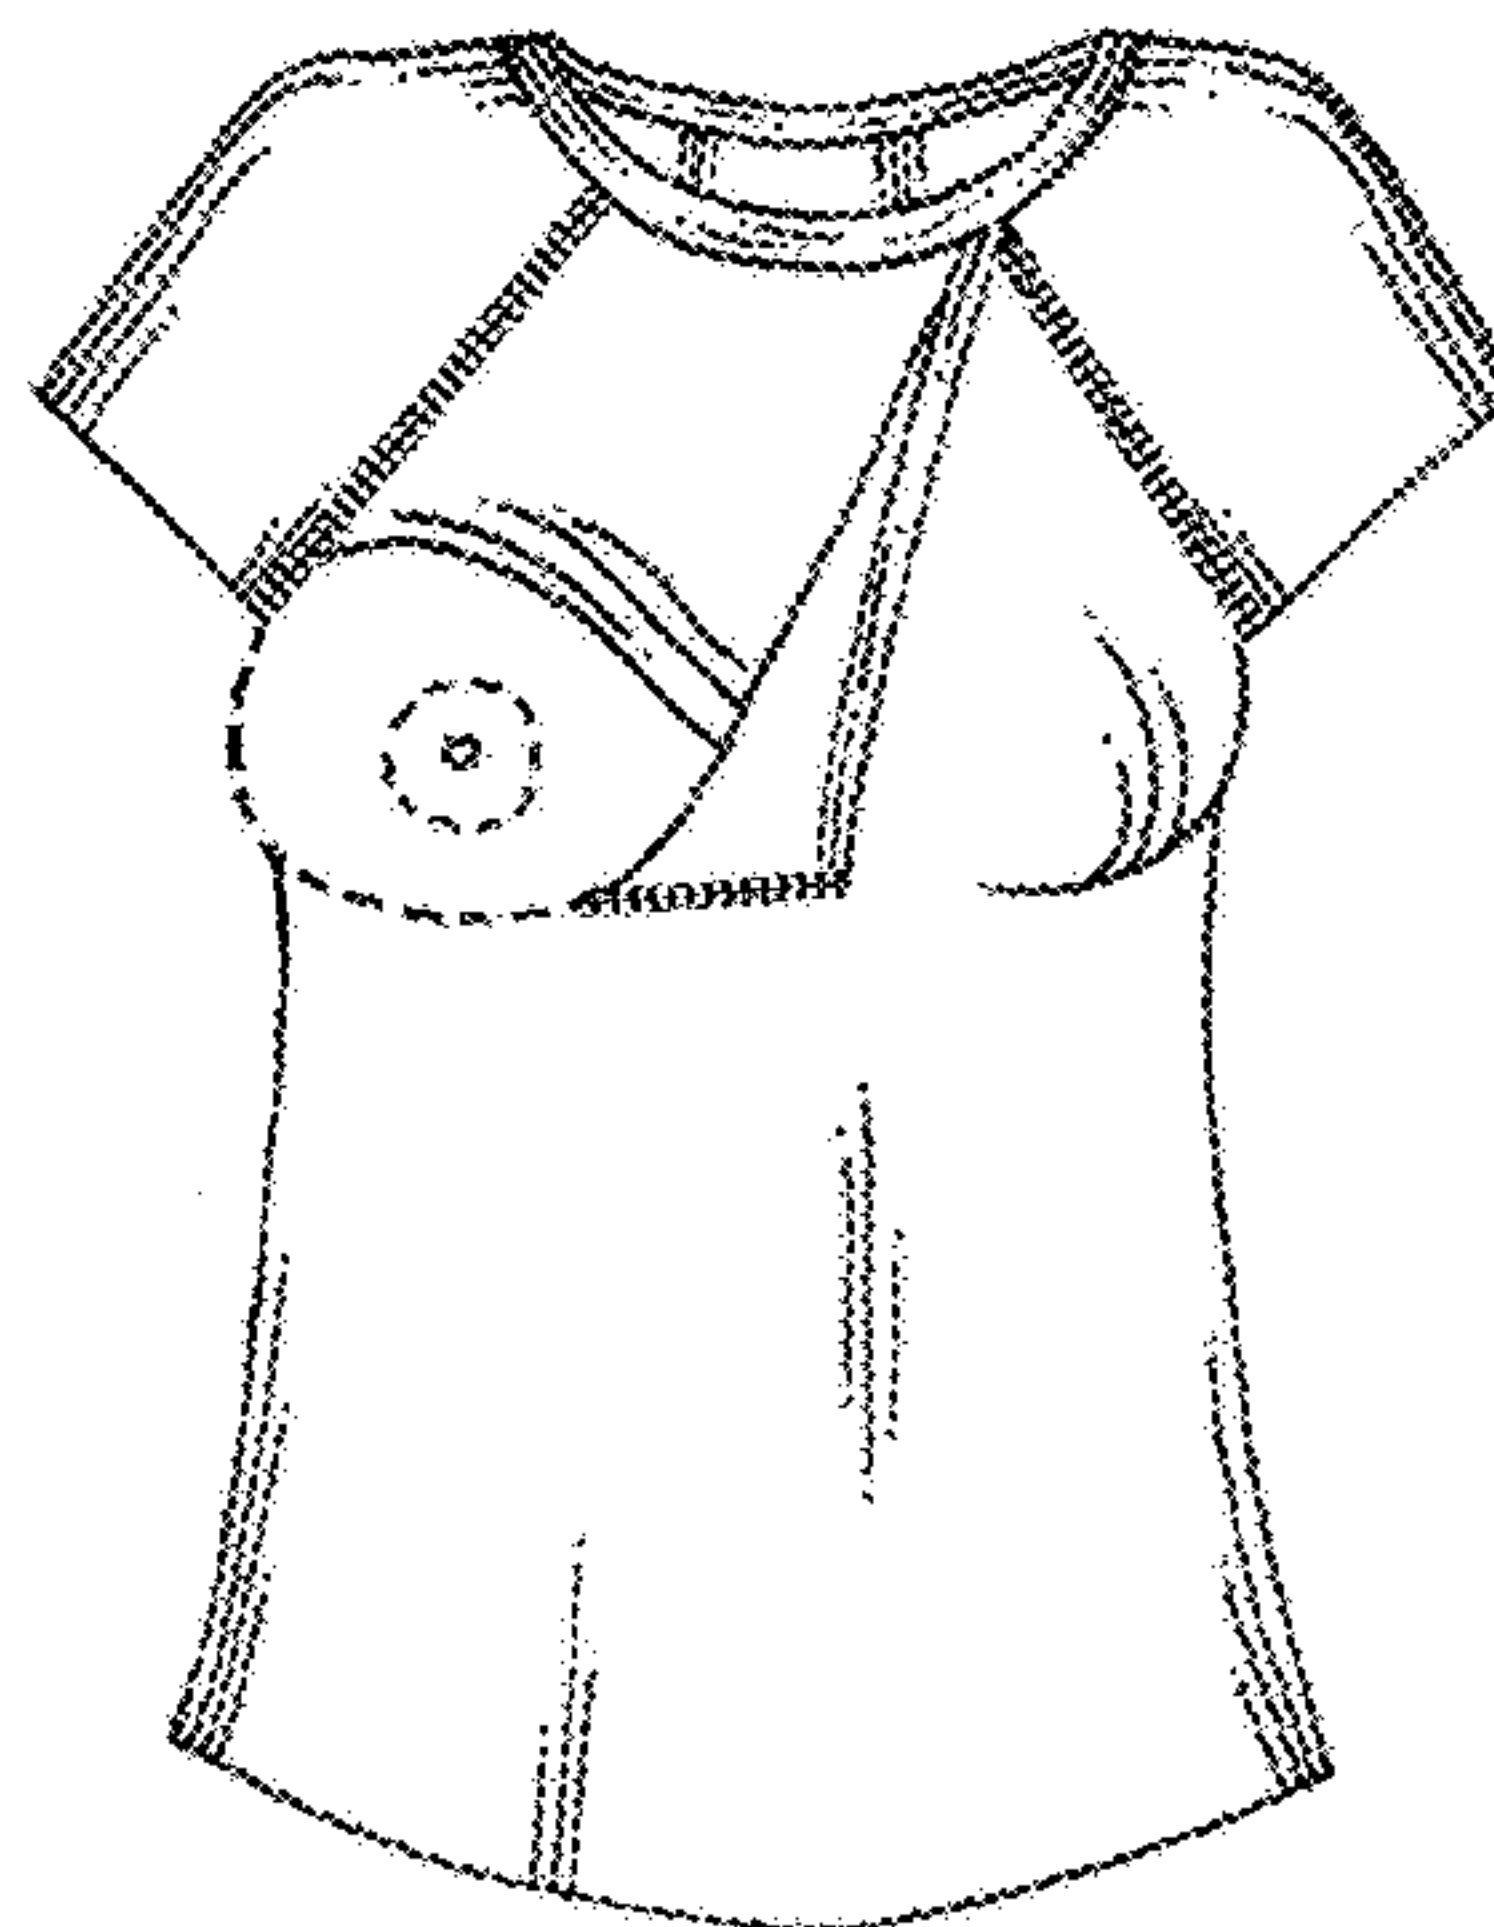

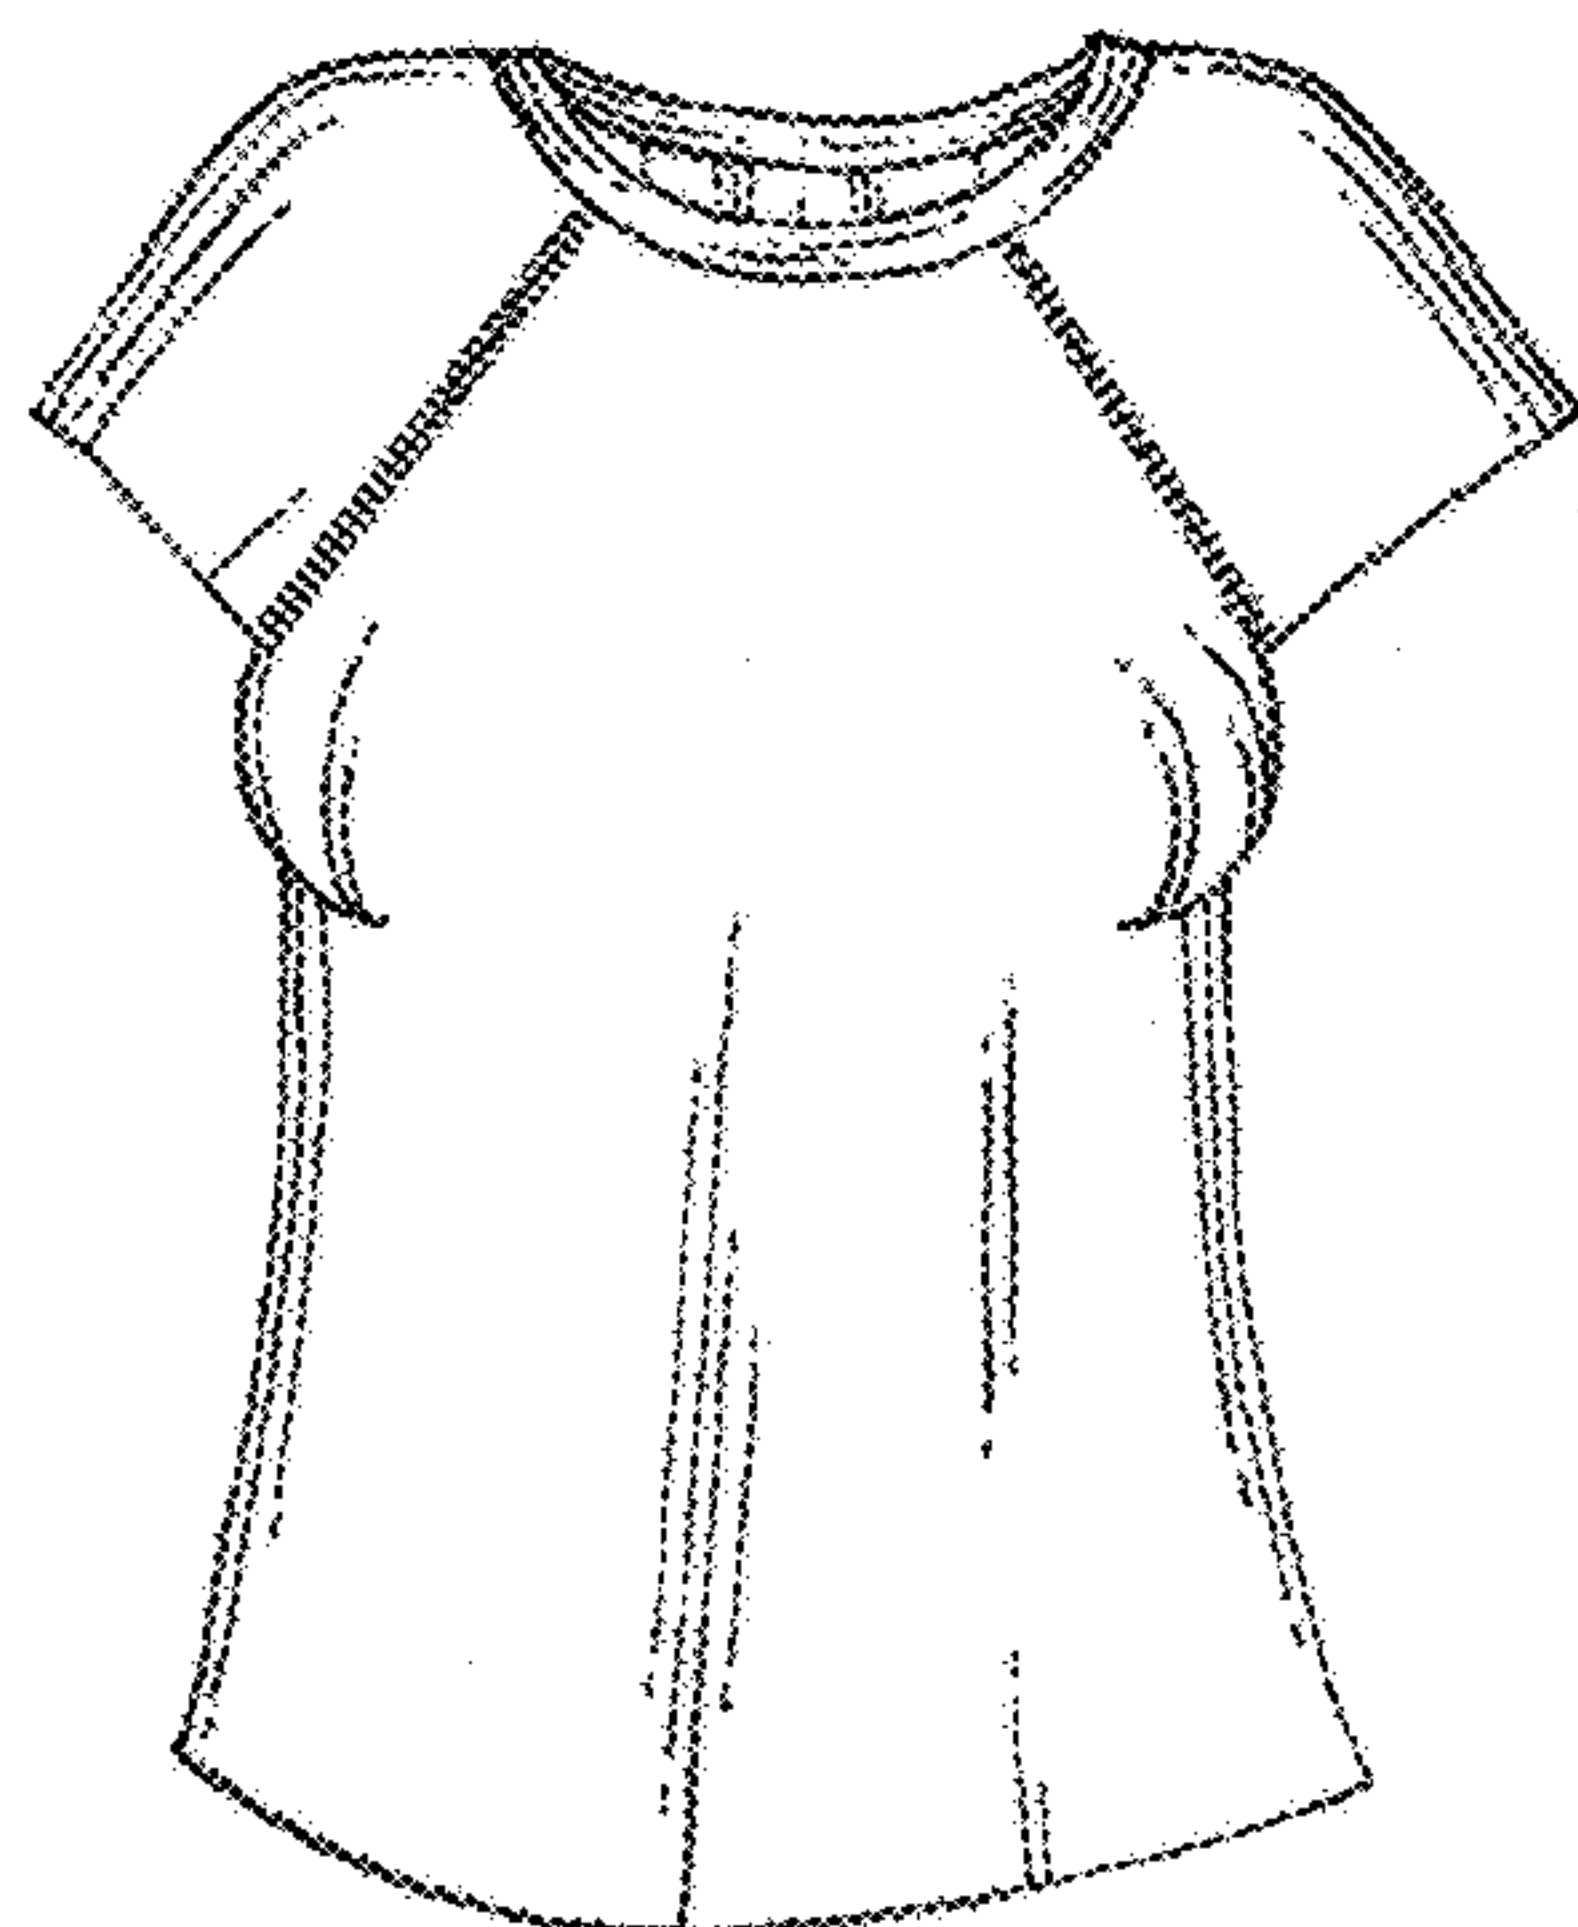

FIG. 5 is a front view thereof with the outer front panel folded down and the inner front panel pulled up;

FIG. 6 is a front view thereof with a right portion of the outer front panel folded down and a right portion of the inner front panel pulled up; and,

FIG. 7 is a front view thereof with a left portion of the outer front panel folded down and a left portion of the inner front panel pulled up.

The indicia depicted by means of broken lines in FIGS. 5, 6 and 7 are shown for the purpose of illustrating environment and form no part of the claimed design.

1 Claim, 7 Drawing Sheets
