(57) **CLAIM**

The ornamental design for a stroller canopy, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a black and white right side view of a stroller canopy showing my new design;

FIG. 2 is a black and white rear and right side perspective view thereof;

FIG. 3 is a black and white right side view thereof, wherein the stroller canopy is in an expanded configuration;

FIG. 4 is a color right side view of a stroller canopy showing my new design;

FIG. 5 is a color rear and right side perspective view thereof;

FIG. 6 is a color right side view thereof, wherein the stroller canopy is in an expanded configuration;

FIG. 7 is a color right side view of a stroller canopy showing my new design;

FIG. 8 is a color rear and right side perspective view thereof; and,

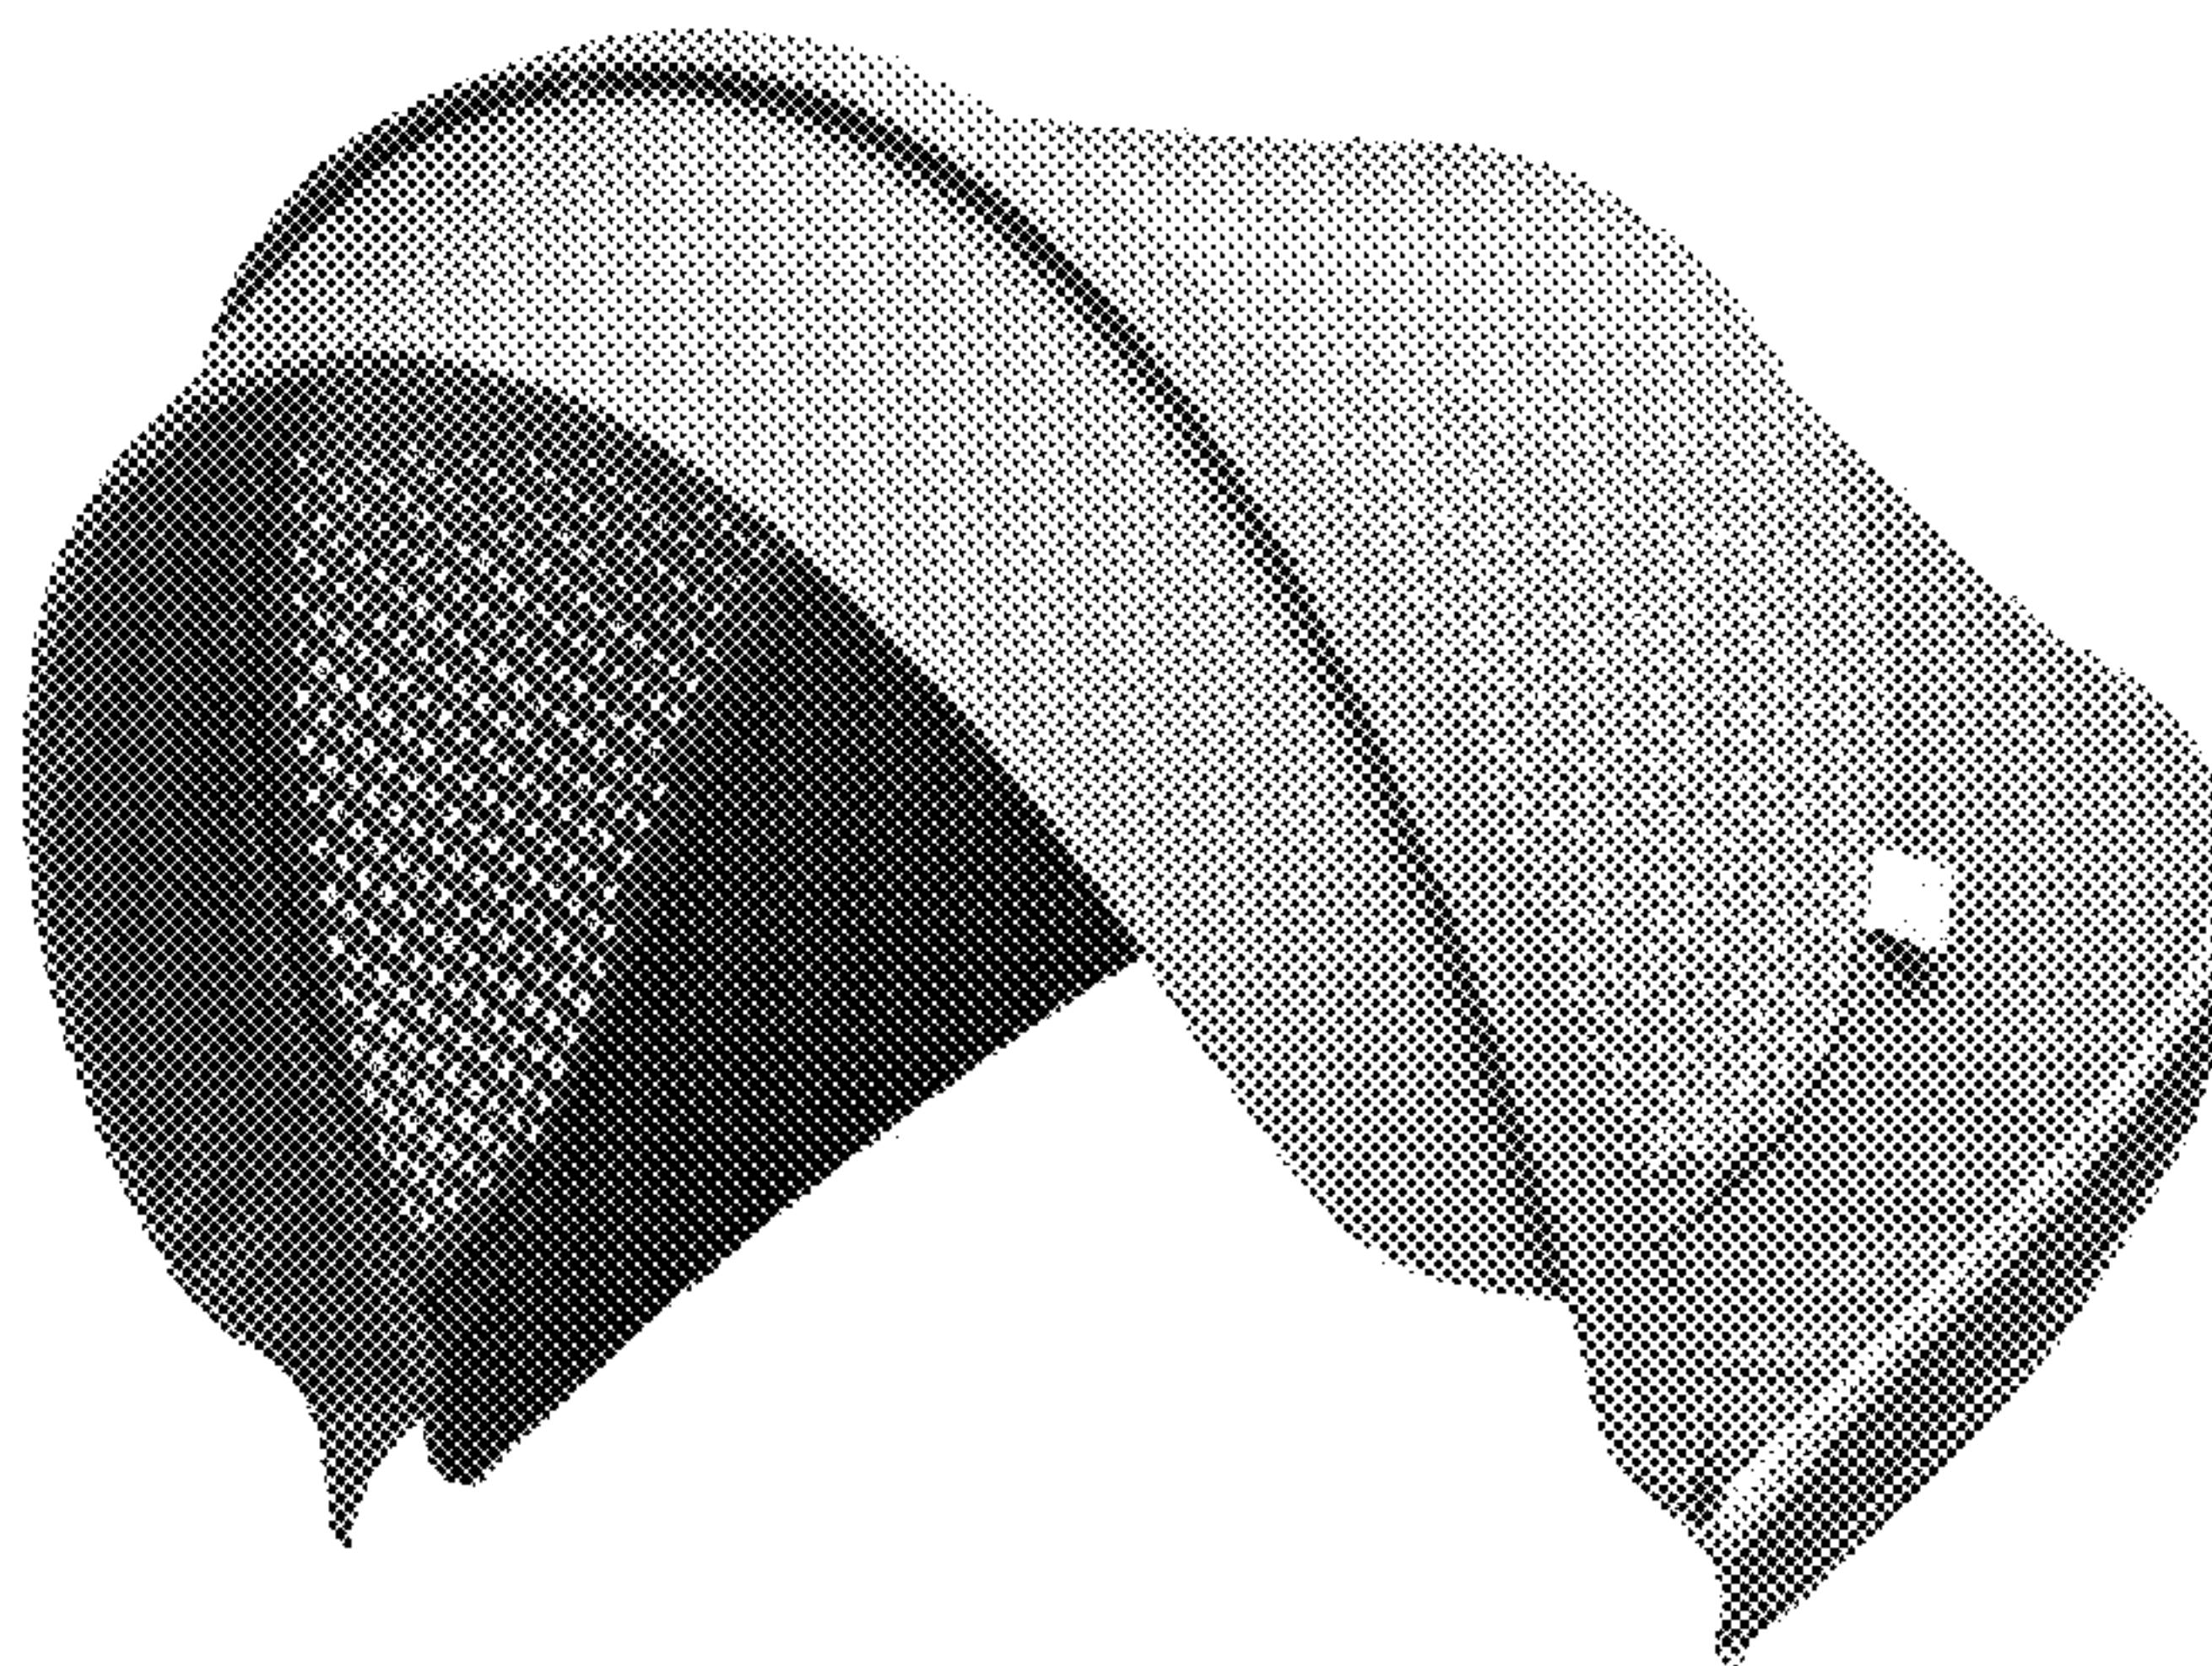

FIG. 9 is a color right side view thereof, wherein the stroller canopy is in an expanded configuration.

The manufacturer's tags and zipper pulls shown in FIGS. 1-9 form no part of the claimed invention.

The left side view of each stroller canopy is a mirror image of the corresponding right side view, and so is not shown.

The rear and left perspective view of each stroller canopy is a mirror image of the corresponding rear and right side perspective view, and so is not shown.
