DESCRIPTION

A portion of the disclosure of this patent document contains material which is subject to copyright protection by General Electric Company. The copyright owner has no objection to the photocopy or facsimile reproduction by anyone of the patent document or the patent disclosure in exactly the form it appears in the USPTO patent file or records, but otherwise reserves all copyright rights whatsoever.

FIGURE is a front view of a display screen or portion thereof with graphical user interface.

The outermost broken lines illustrate a display screen or portion thereof and form no part of the claimed design. The remaining broken lines, including all icons, illustrate portions of the graphical user interface that form no part of the claimed design.
