(57) **CLAIM**

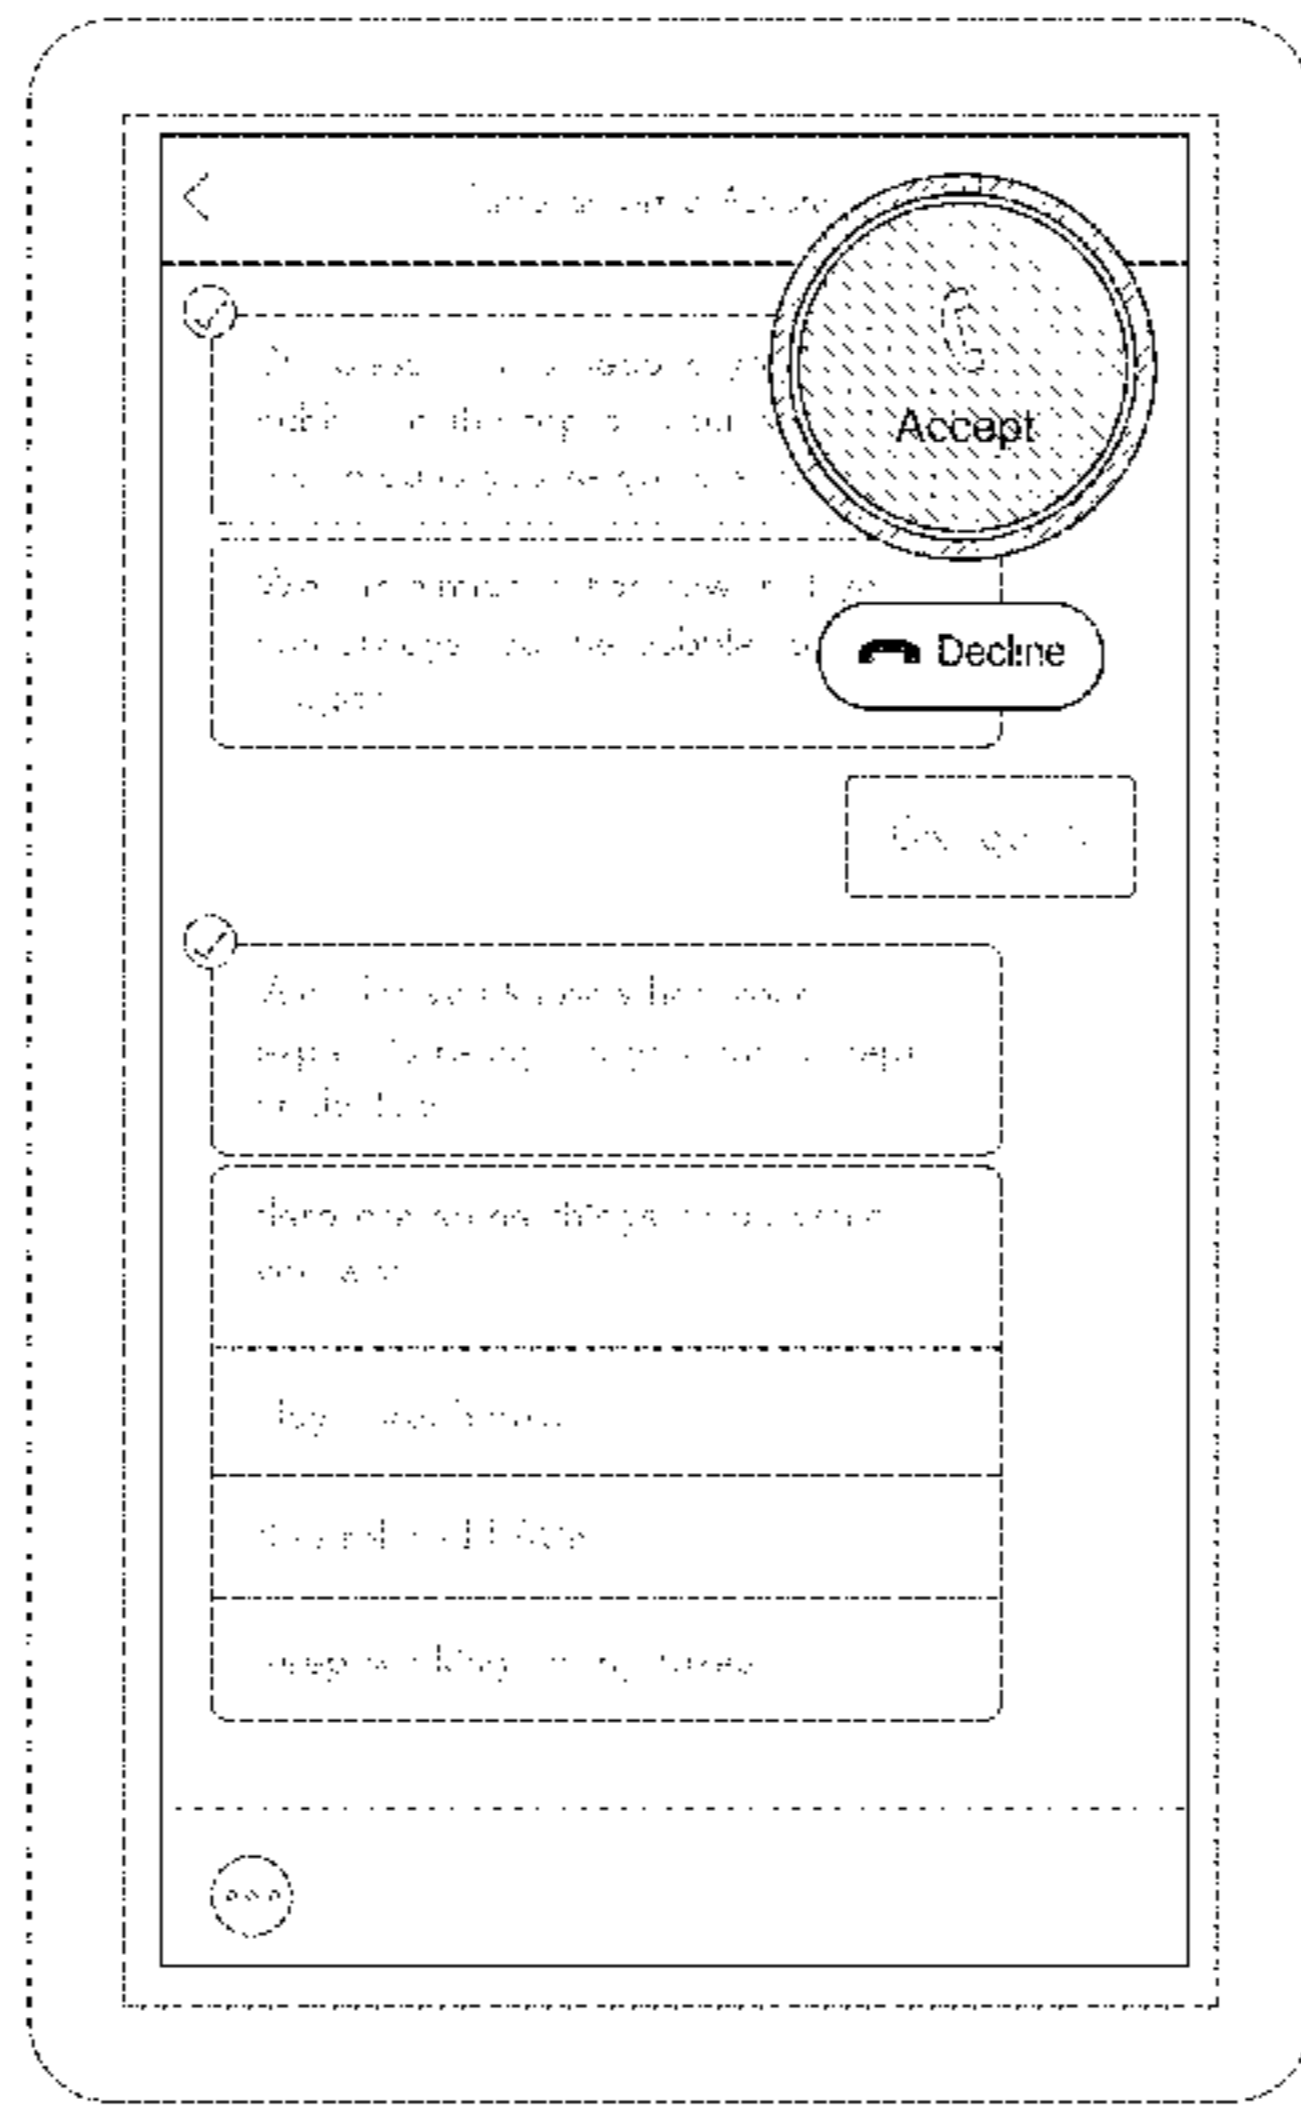

The ornamental design for a display device with a graphical user interface presenting a decline option, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display device with a graphical user interface presenting a decline option, according to the new design.

The broken lines showing a display screen and portions of the graphical user interface are for the purpose of illustrating portions of the article and form no part of the claimed design. The outer broken line showing a display device illustrates environmental subject matter and forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
