DESCRIPTION

See application file for complete search history.

FIG. 1 is the first image in a sequence for a display screen or portion thereof with transitional graphical user interface showing our new design;
FIG. 2 is the second image thereof;
FIG. 3 is the third image thereof; and,
FIG. 4 is the fourth image thereof.

(56) **References Cited**

The outer perimeter illustrated by a pair of broken lines in the drawings depicts a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines in the drawings depict portions of the graphical user interface that form no part of the claimed design.

U.S. PATENT DOCUMENTS

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-4. The process or period in which one image transitions to another image forms no part of the claimed design.
