(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface, showing the new design; and, FIG. 2 shows the design of FIG. 1 in the context of different broken lines.

The broken line showing of the device illustrates environment and forms no part of the claimed design. The broken line rounded rectangle showing the display screen, and all other broken lines showing portions of the graphical user interface illustrate portions of the article and form no part of the claimed design.

1 Claim, 2 Drawing Sheets
