(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface, showing our new design. The broken lines showing a device depict environment and form no part of the claimed design. The broken lines showing a display screen and portions of the graphical user interface depict portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
