(57) **CLAIM**

The ornamental design for a cable box, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a cable box in accordance with my design, with a top cover in a closed position;

FIG. 2 is a front elevational view of the cable box, with the top cover in an open position;

FIG. 3 is a right side elevational view of the cable box with the top cover thereof in an open position, and with the left side elevational view being a mirror image thereof;

FIG. 4 is a top plan view of the cable box with the top cover in an open position;

FIG. 5 is an exploded front-right perspective view of the cable box thereof;

FIG. 6 is a front elevational view of the cable box, with the top cover in a closed position, the rear elevational view being a mirror image thereof; and,

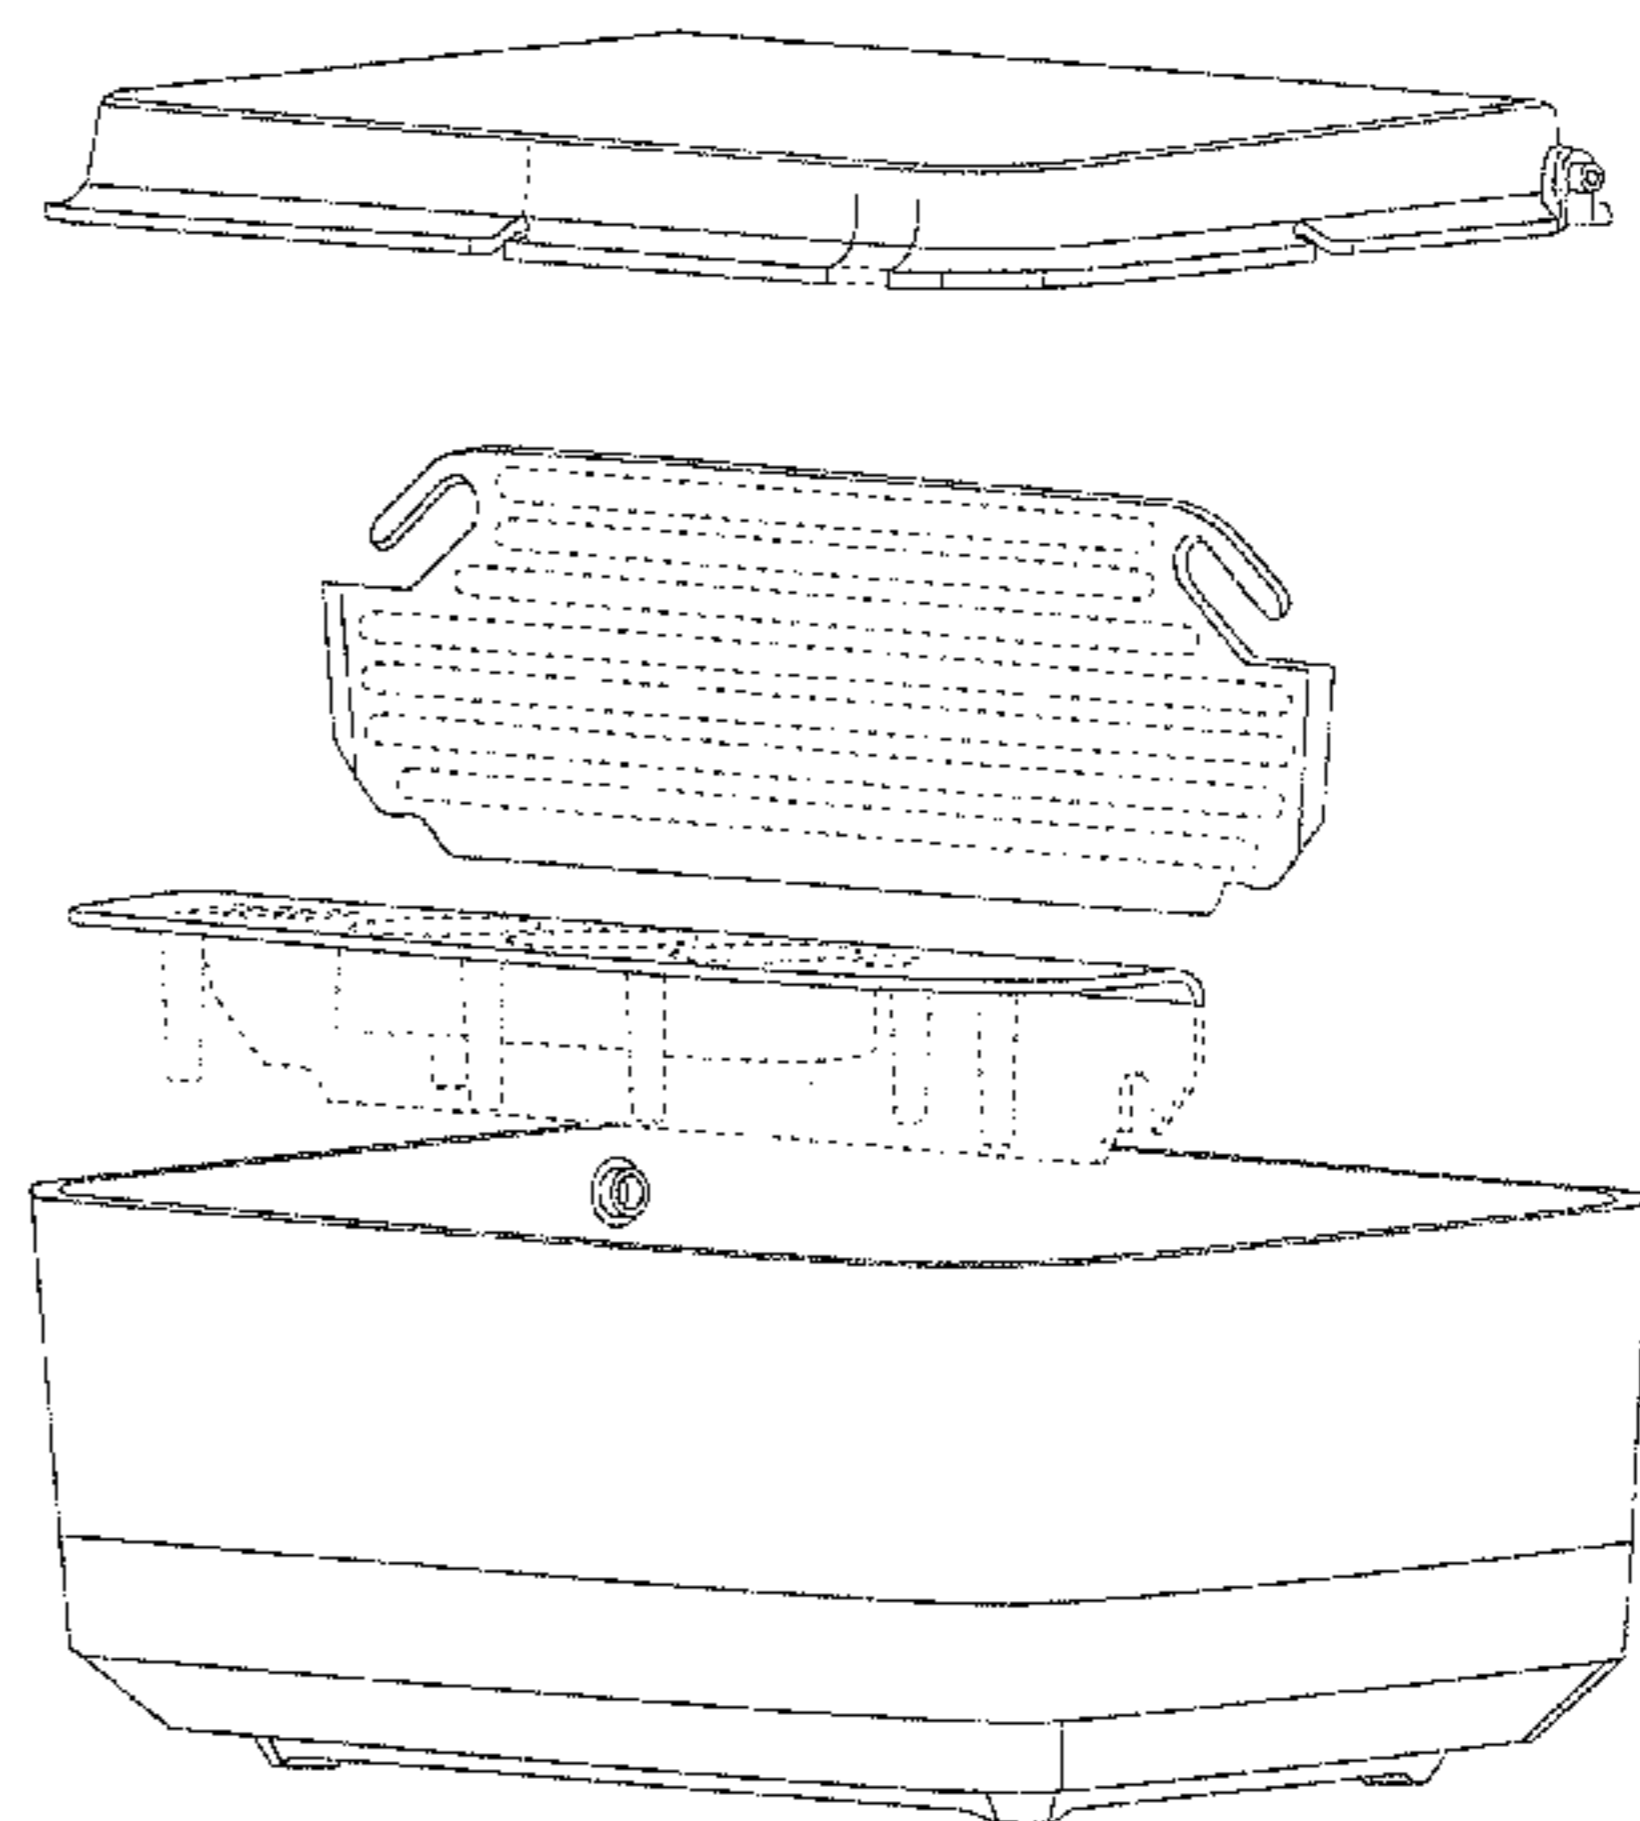

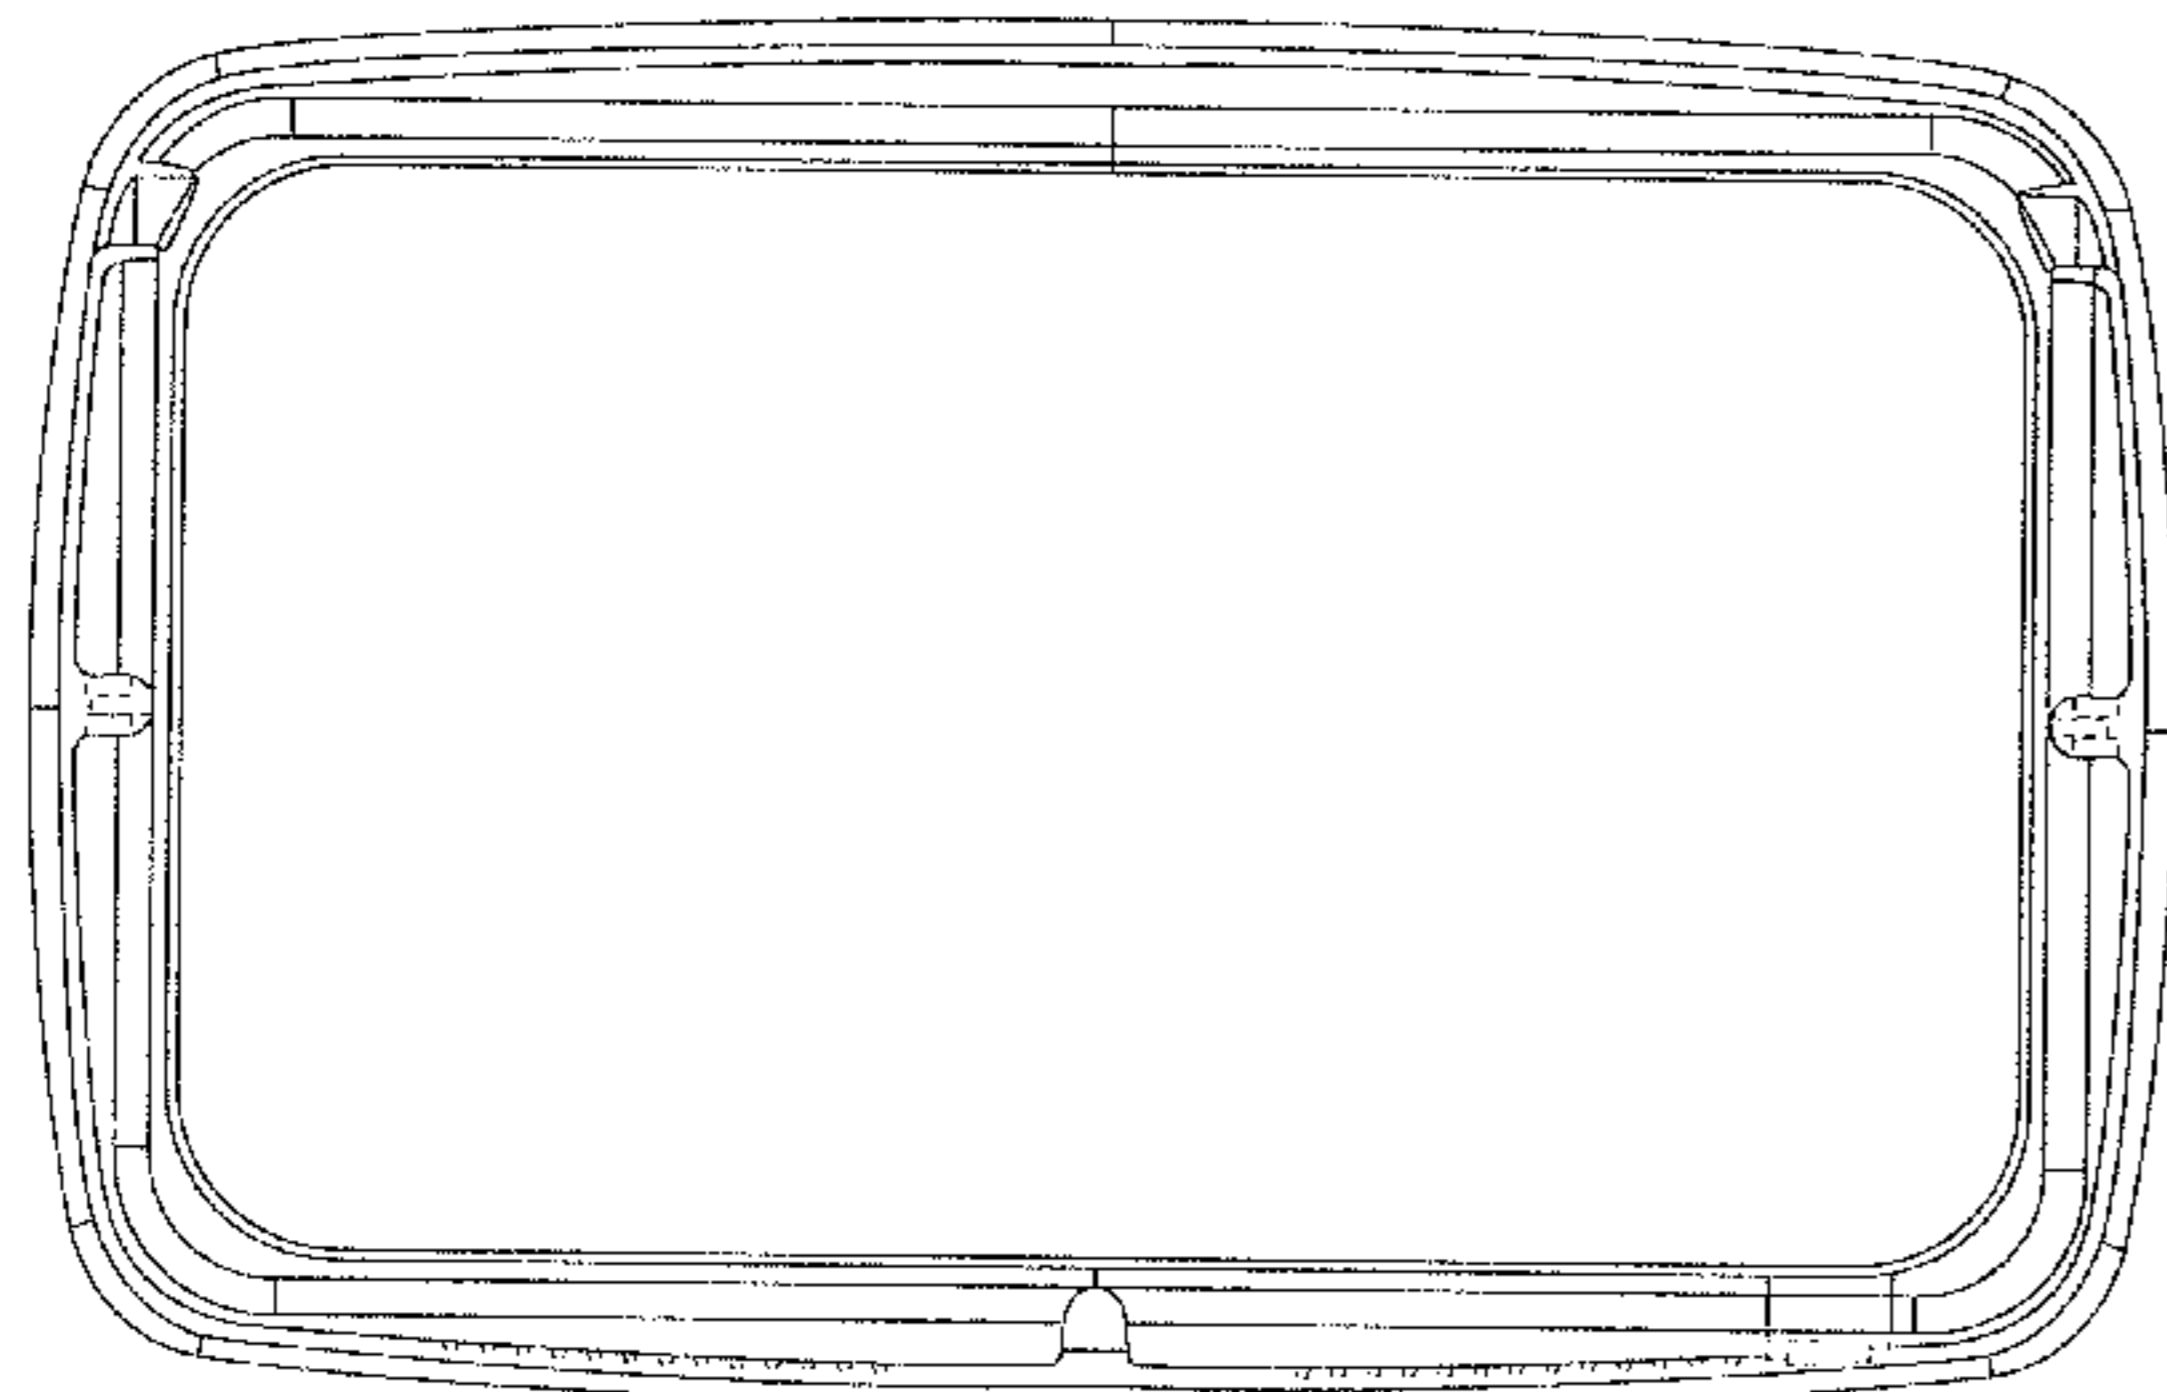

FIG. 7 is a right side elevational view of the cable box with the top cover in a closed position, the left side elevational view being a mirror image thereof.

The broken lines in the drawings are for the purpose of illustrating portions of the cable box that form no part of the claimed design.

The broken lines in the drawings are for the purpose of illustrating portions of the cable box that form no part of the claimed design.

The broken lines in the drawings are for the purpose of illustrating portions of the cable box that form no part of the claimed design.

1 Claim, 7 Drawing Sheets
