(57) **CLAIM**

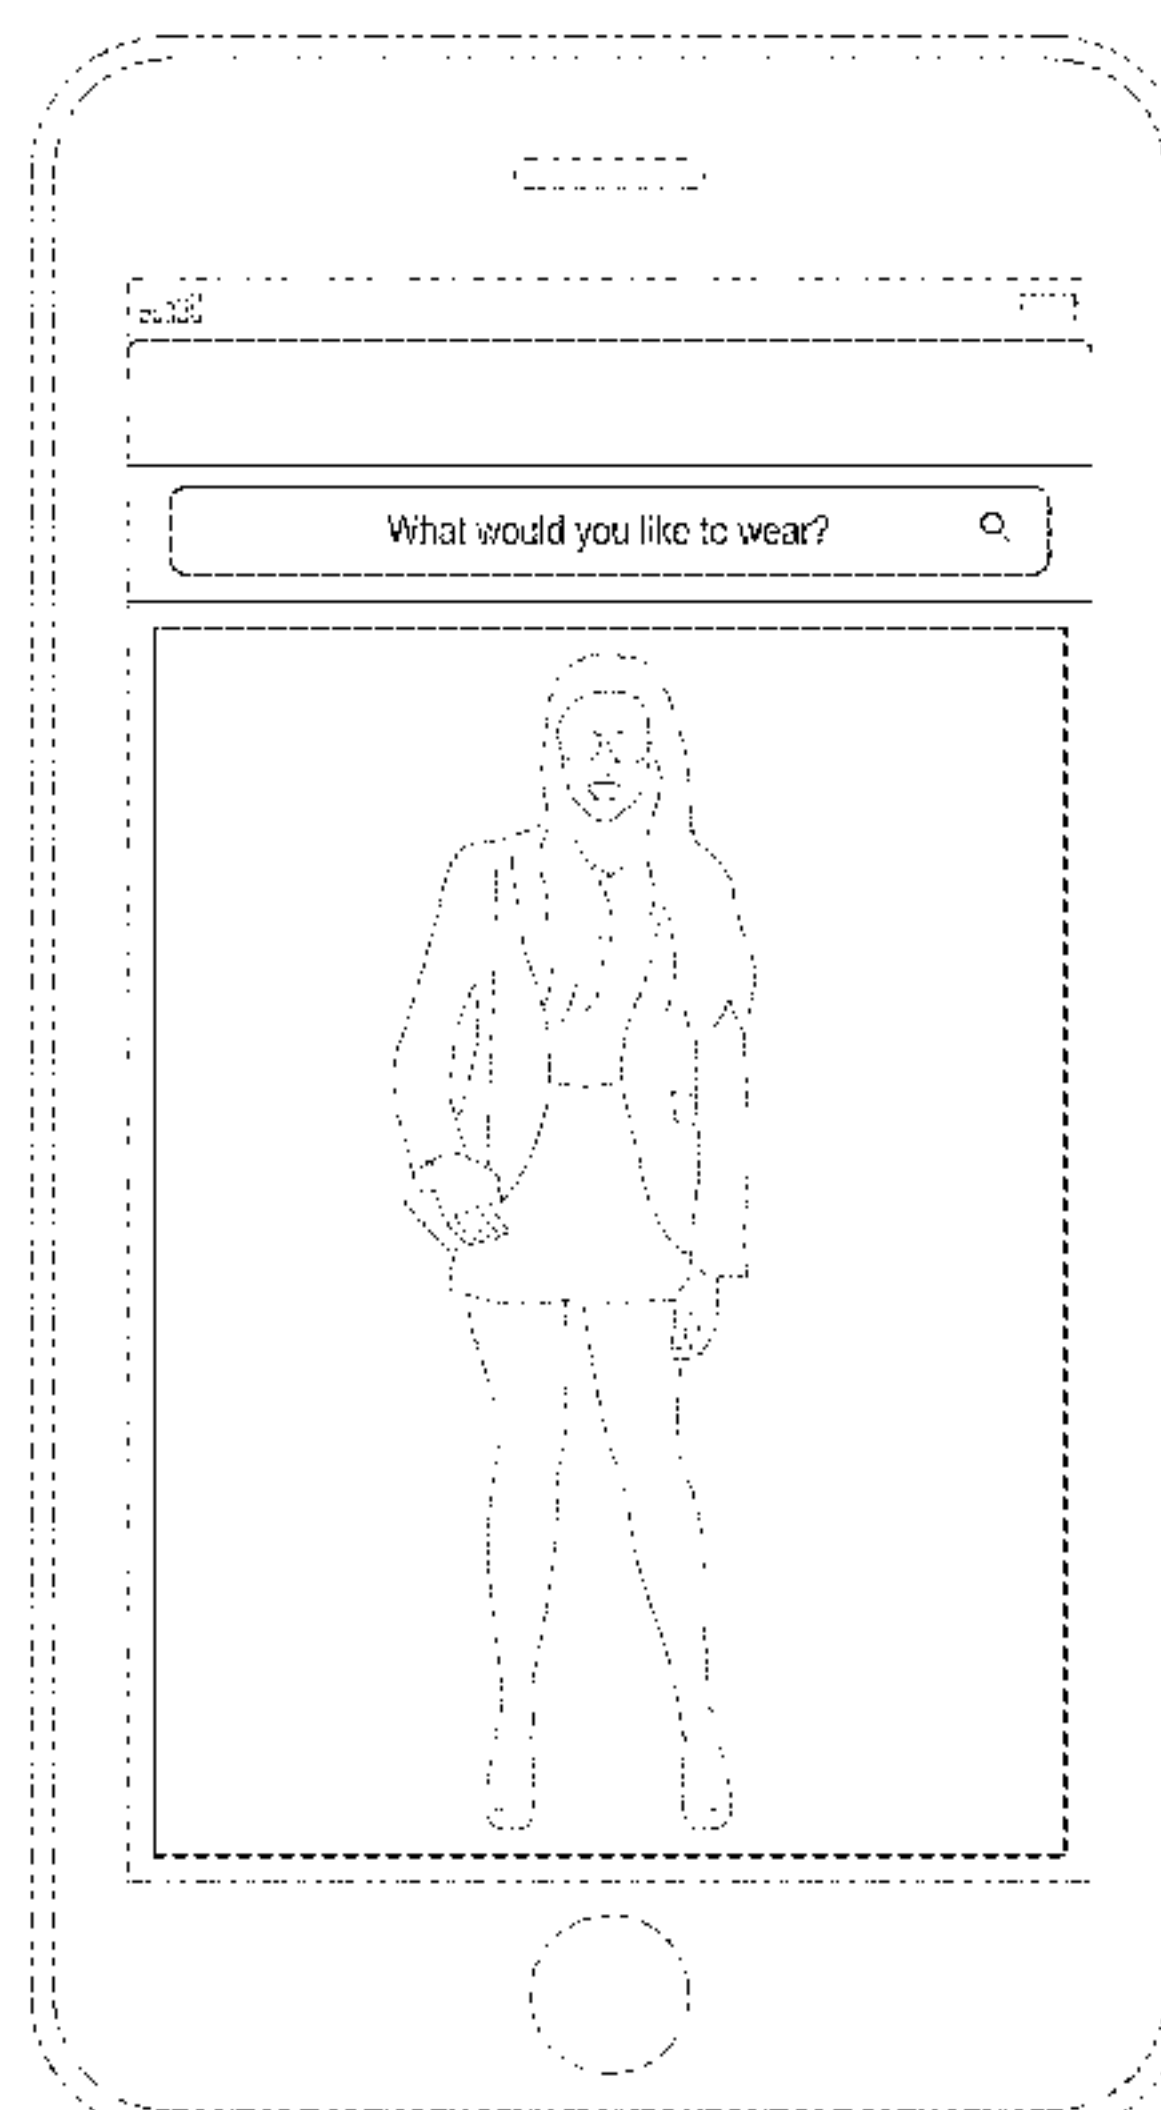

The ornamental design for a display screen with graphical user interface, as shown.

DESCRIPTION

The sole FIGURE in the drawing is a front view of a display screen with a graphical user interface. The broken lines of the display screen and the broken line showing of certain words, numbers and other indicia in the drawing are for illustrative or contextual purposes and form no part of the claimed design.

The article is not limited to the scale shown herein. As indicated in the title, the article of manufacture to which the ornamental design has been applied is a display screen. Examples of display screens may be found integrated in or variously coupled to a computer, a laptop computer, a tablet computer, a portable or hand-held electronic communication device, a personal assistant, a phone, television, game player, and/or any other electronic apparatus capable of driving a display screen.
