(57) **CLAIM**

The ornamental design for a display panel portion with a graphical user interface with icons, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display panel portion with a graphical user interface with icons showing my new design.

The color shown on the claimed design forms no part thereof.

The broken lines represent the display panel portion and form no part of the claimed design.
