(57) **CLAIM**

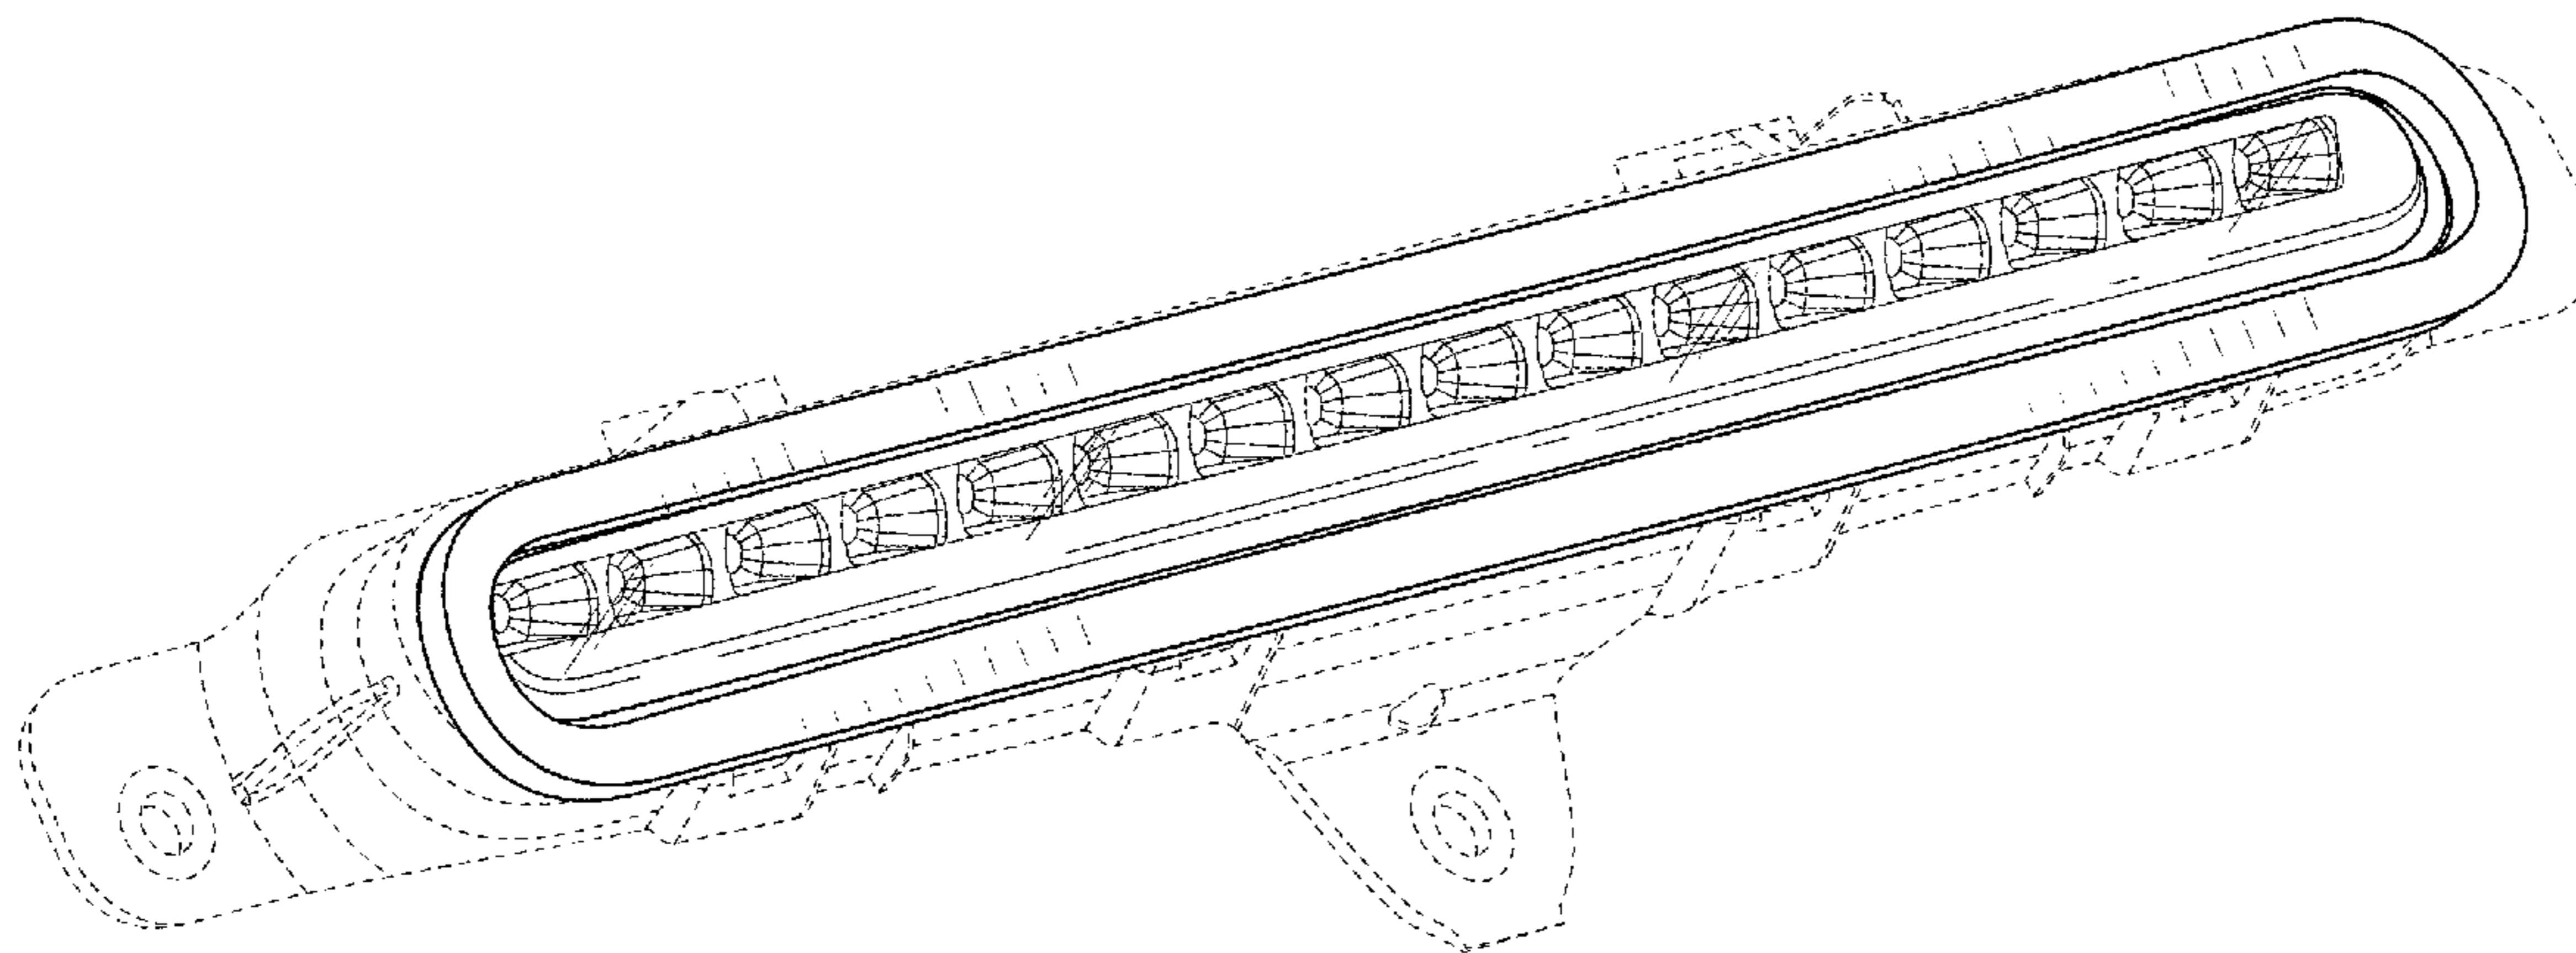

The ornamental design for an automobile brake light, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an automobile brake light; FIG. 2 is a front view thereof; and, FIG. 3 is a top view thereof.

The broken lines are included to show environmental structure and form no part of the claimed design. The drawings and descriptions represent the left side embodiment. The claim is also for a mirror image right side embodiment.
