(57) **CLAIM**

The ornamental design for a curved extrusion profile as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a curved extrusion profile showing our new design;  
 FIG. 2 is a front elevational view thereof, the rear elevational view being a mirror image thereof;  
 FIG. 3 is a top plan view thereof; and,  
 FIG. 4 is a left side elevational view thereof, the right side elevational view being a mirror image thereof.  
 The curved extrusion profile is shown with a symbolic break in its length. The appearance of any portion of the curved extrusion profile between the jagged break lines forms no part of the claimed design.  
 The broken lines in the drawings illustrate portions of the curved extrusion profile which form no part of the claimed design.
