LLP

(57) **CLAIM**

The ornamental design for footwear, as shown and
described.

DESCRIPTION

1. Footwear

1.1 : Perspective

1.2 : Left

1.3 : Right

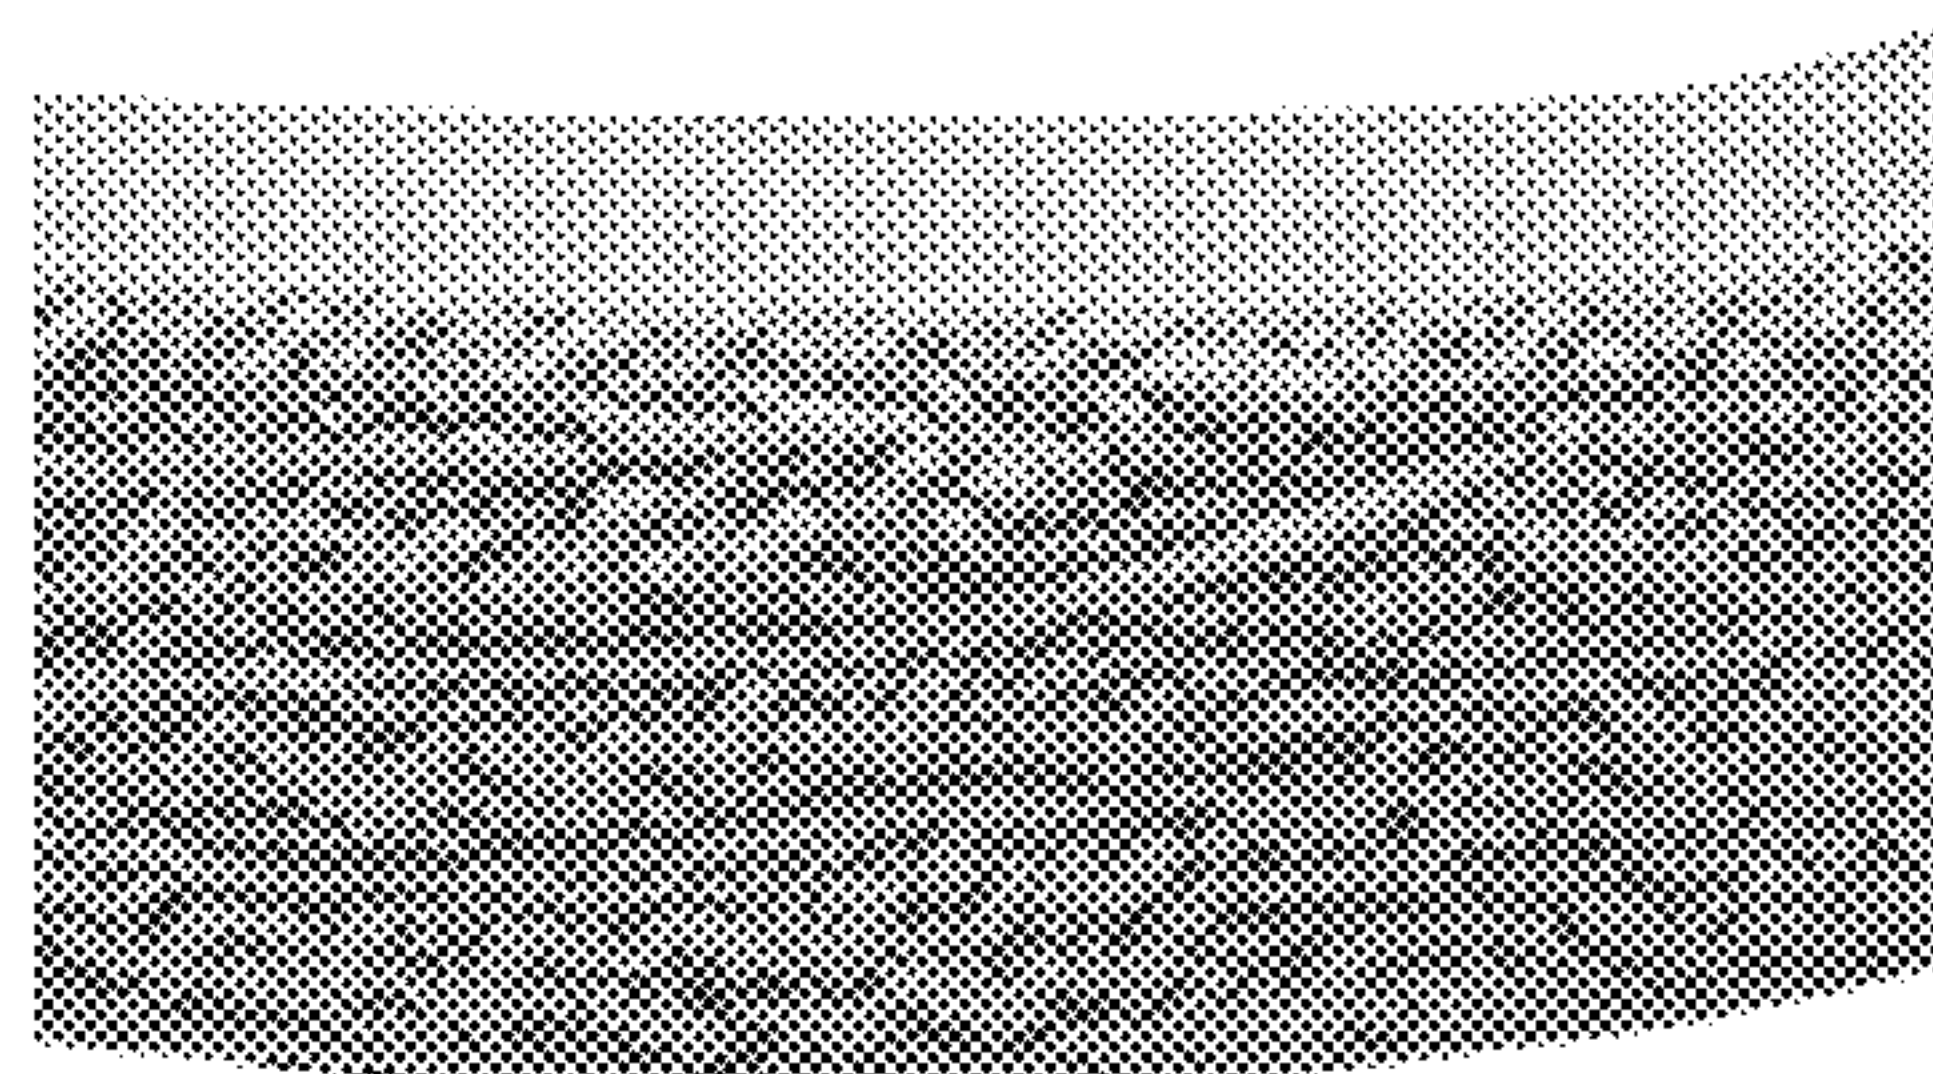

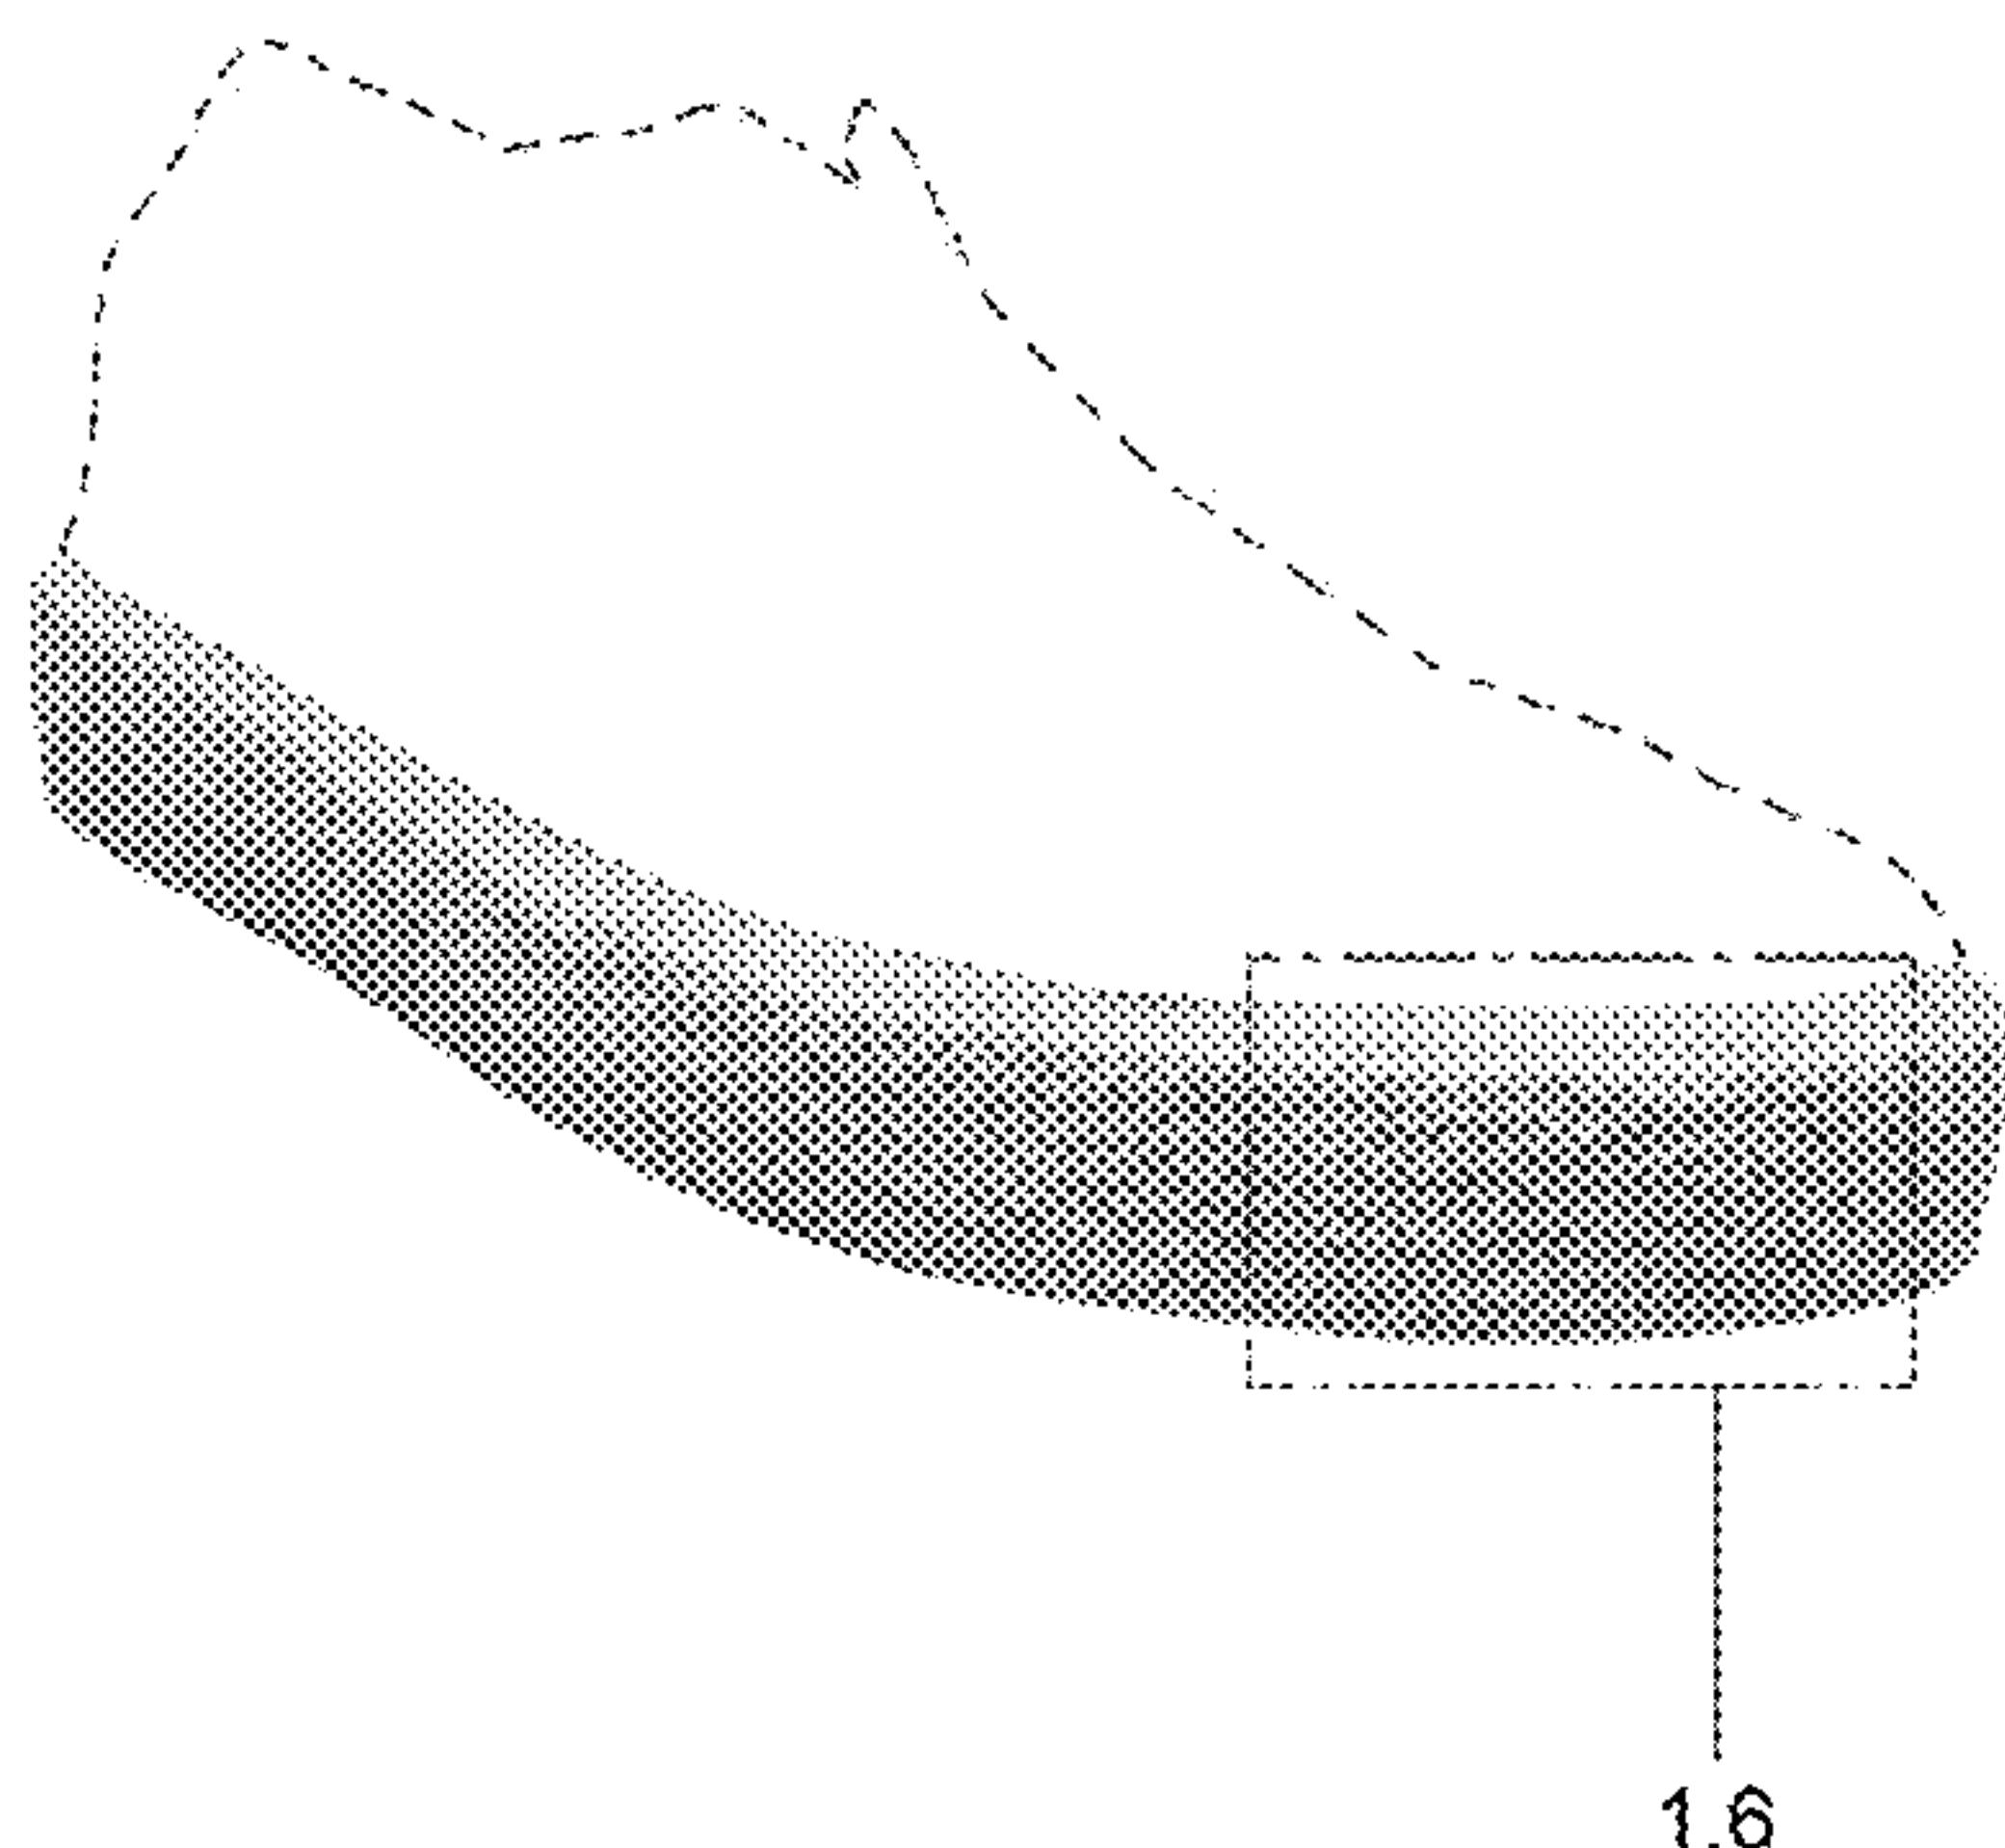

1.4 : Front

1.5 : Back

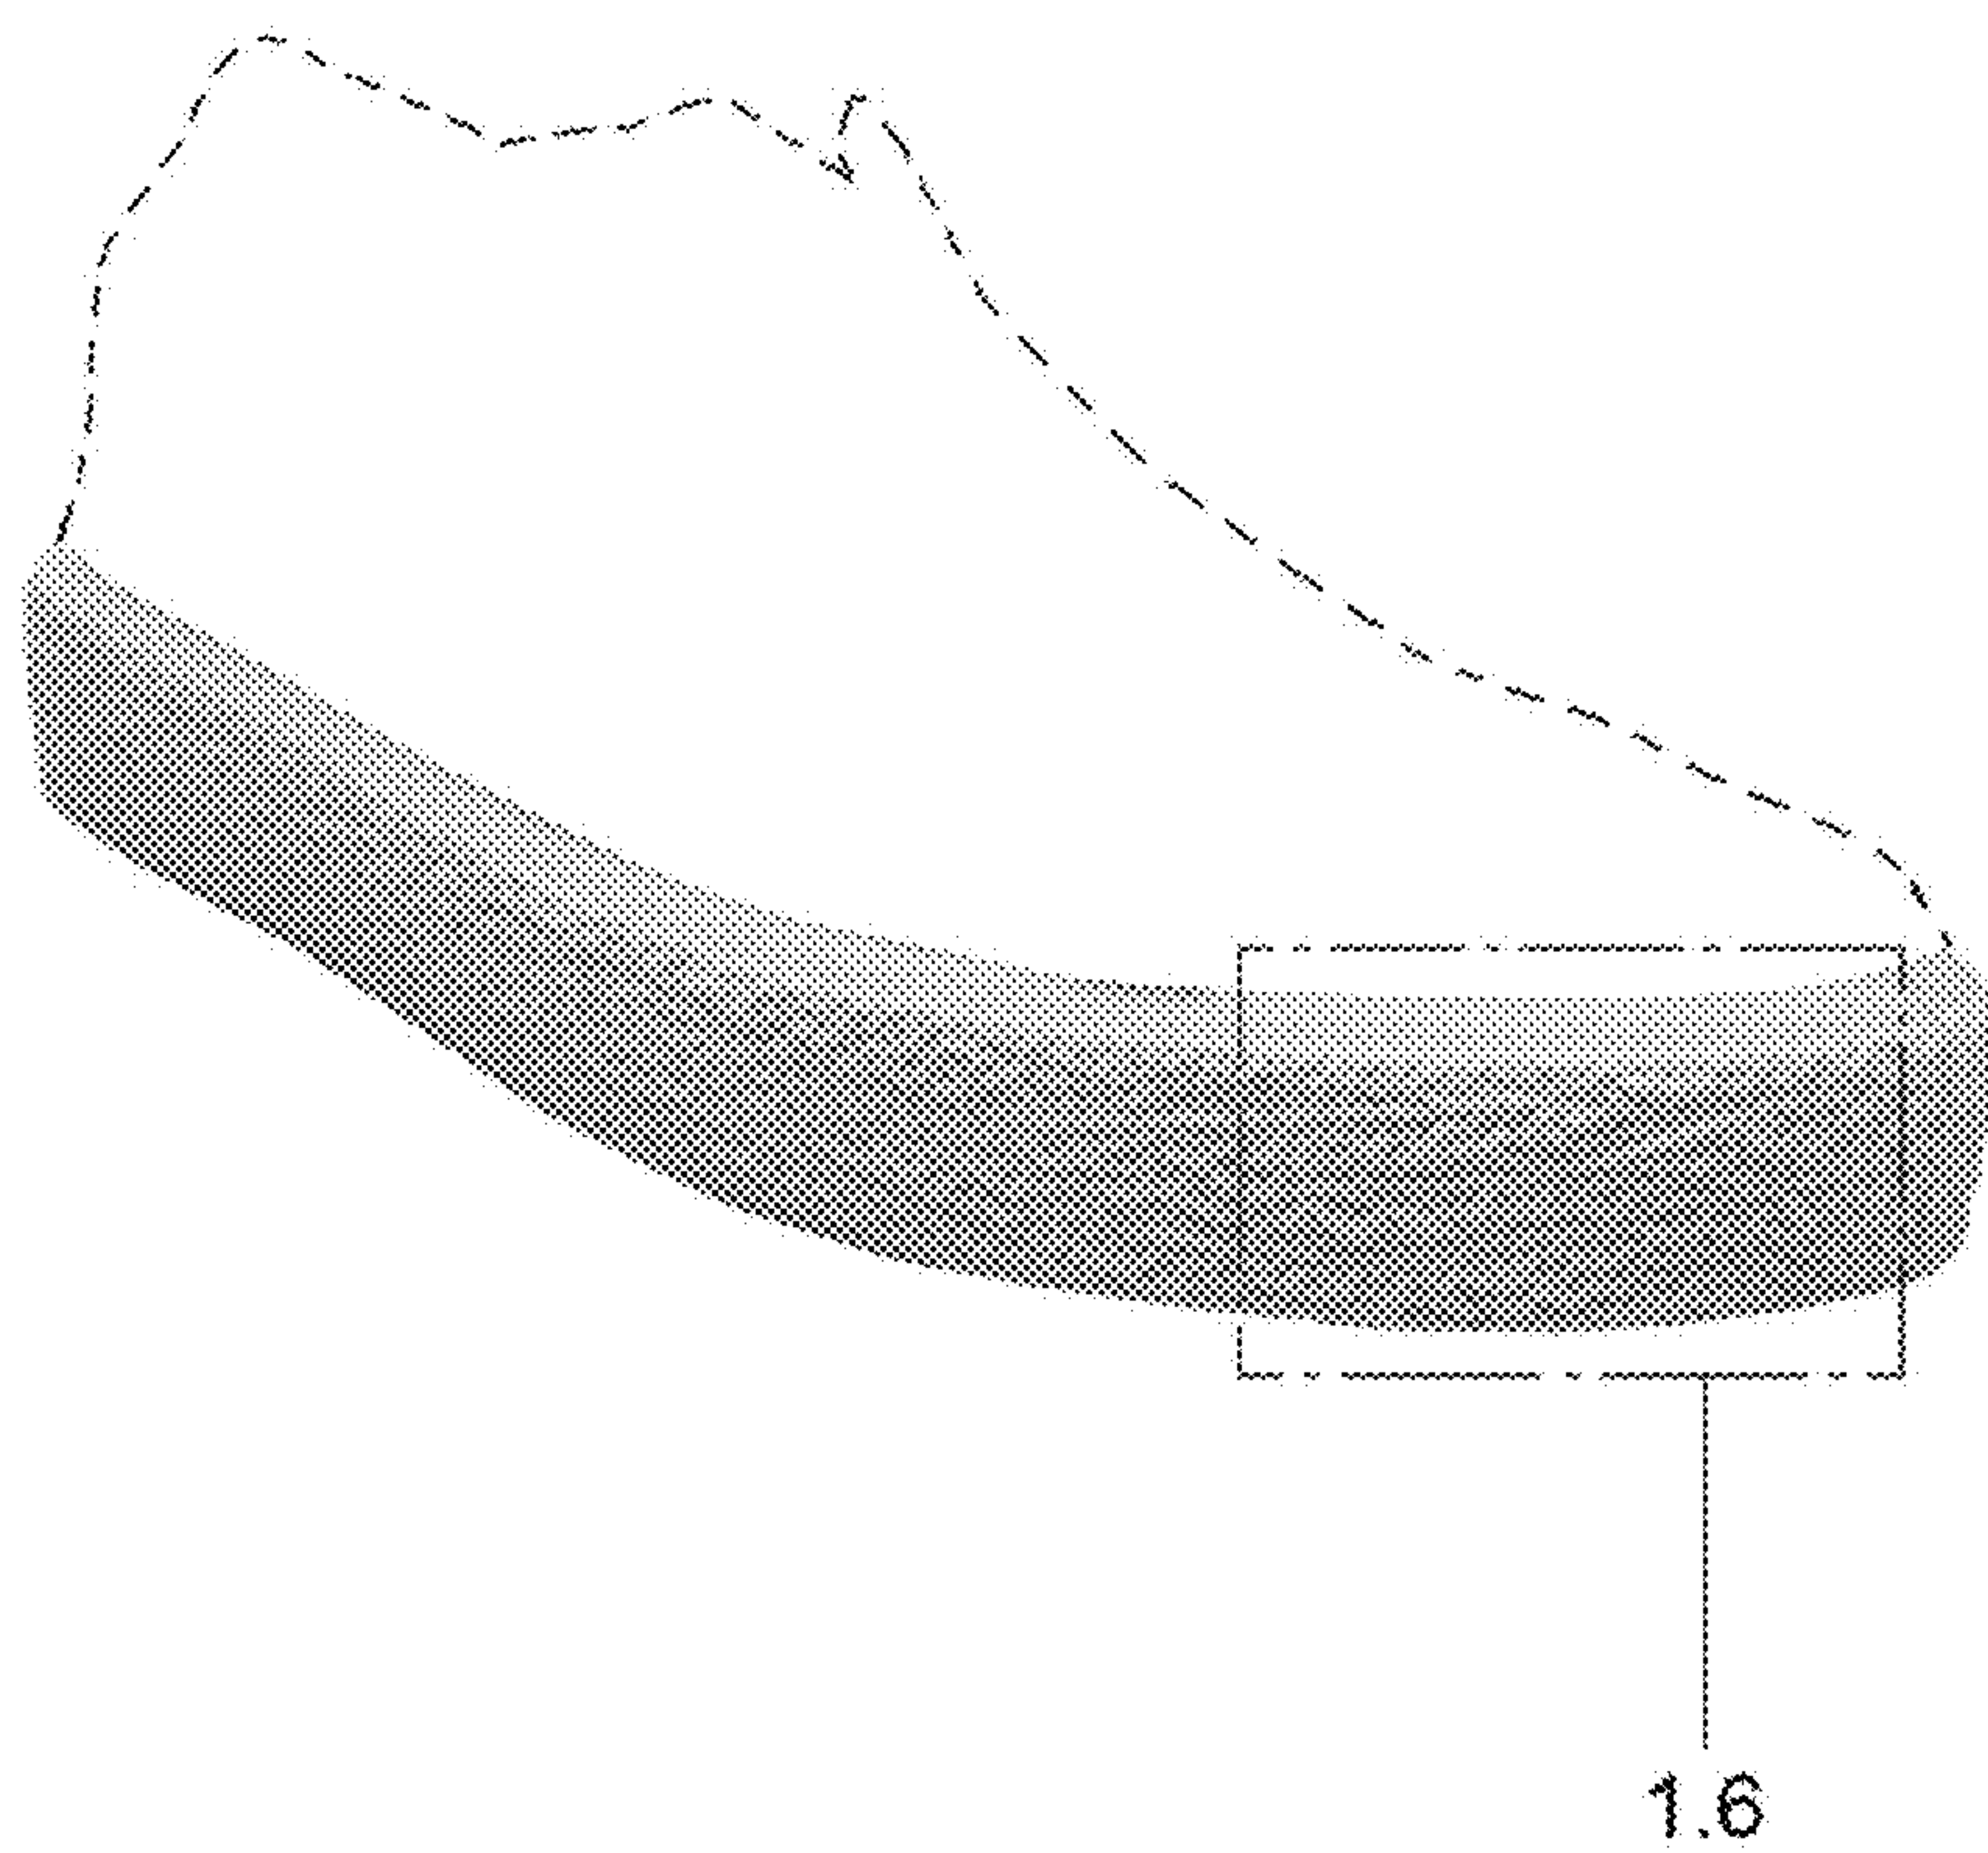

1.6 : Enlarged view of the callout 1.6 of view 1.1.

The model regards a footwear having a sole with a perimet-
ric wall, which has a rough surface defined by irregular
protuberances and relief streaks; the broken lines define the
boundary of the footwear upper, which is attached to the
sole, but it is shown for illustrative purposes only and forms
no part of the claimed design. The dash-dot-dash lines of
view 1.1 are a callout delineating a region of the footwear
from which the enlarged view 1.6 is taken.
