(57) **CLAIM**

The ornamental design for a multiple pod pillow set, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of the multiple pod pillow set of the invention showing two additional pillow pods that can be added to the main pillow pod;

FIG. 2 is a rear perspective view of the multiple pod pillow set of the invention showing two additional pillow pods that can be added to the main pillow pod;

FIG. 3 is a top front perspective view of the multiple pod pillow set of the invention showing two additional pillow pods that can be added to the main pillow pod;

FIG. 4 is a bottom rear perspective view of the multiple pod pillow set of the invention;

FIG. 5 is a left side elevational view of the multiple pod pillow set of the invention;

FIG. 6 is a right side elevational view of the multiple pod pillow set of the invention;

FIG. 7 is a top rear perspective view of the multiple pod pillow set of the invention showing two additional pillow pods that can be added to the main pillow pod; and,

FIG. 8 is a rear elevational view of the multiple pod pillow set of the invention.

The broken lines defining additional pillow pods, circular line boundary and surface quilting shown in the drawings are included for the purpose of illustrating unclaimed portions of the multiple pod pillow set and form no part of the claimed design.

The dot-dash lines define the boundary between the claimed main pillow pod and the unclaimed additional pillow pods.
