(57) **CLAIM**

The ornamental design for a seal for a razor package, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of a seal for a razor package of the present invention; and, FIG. 2 is a front view of FIG. 1.

The broken line perimeter of the drawings and the white space between the broken line perimeter and the circular seal depict portions of the seal for a razor package that form no part of the claimed design.

1 Claim, 2 Drawing Sheets
(2 of 2 Drawing Sheet(s) Filed in Color)
