(57) **CLAIM**

The ornamental design for a sensor slots based probe housing, as shown and described.

DESCRIPTION

FIG. 1 a front perspective view of sensor slots based probe housing showing the claimed design.

FIG. 2 top elevation perspective view of the claimed design.

FIG. 3 is a back perspective of the probe housing of the claimed design; and,

FIG. 4 is a left or right side perspective of the probe housing of the claimed design.
