(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen with graphical user interface.

The outermost broken line and the broken line showing of rounded shapes illustrate an electronic device, the broken line at the periphery of the FIGURE illustrates the display screen, and the remaining broken lines illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.
