(57) **CLAIM**

The ornamental design for a modular feeder, as shown and described.

DESCRIPTION

FIG. 1 is an exemplary perspective view of a modular feeder in accordance with our new design;
FIG. 2 is another perspective view of the modular feeder;
FIG. 3 is a top view thereof;
FIG. 4 is a front view thereof, the back view being identical;
FIG. 5 is a bottom view thereof;
FIG. 6 is a right side elevation view thereof, the left side elevation being identical; and,
FIGS. 7 and 8 are exemplary perspective views in which multiples of the modular feeder are shown arranged side by side.

The illustrative broken line showing of a bowl in FIG. 1 depicts an exemplary component which might be used with the modular feeder and forms no part of the claimed design.
