(57) **CLAIM**

The ornamental design for a display device with a graphical user interface presenting call options, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display device with a graphical user interface presenting call options, according to a first embodiment of the new design; and, FIG. 2 is a second embodiment thereof.

The broken line showing of a display screen and portions of the graphical user interface is included for the purpose of illustrating portions of the article and forms no part of the claimed design. The outer broken line showing of the display device forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
