(57) **CLAIM**

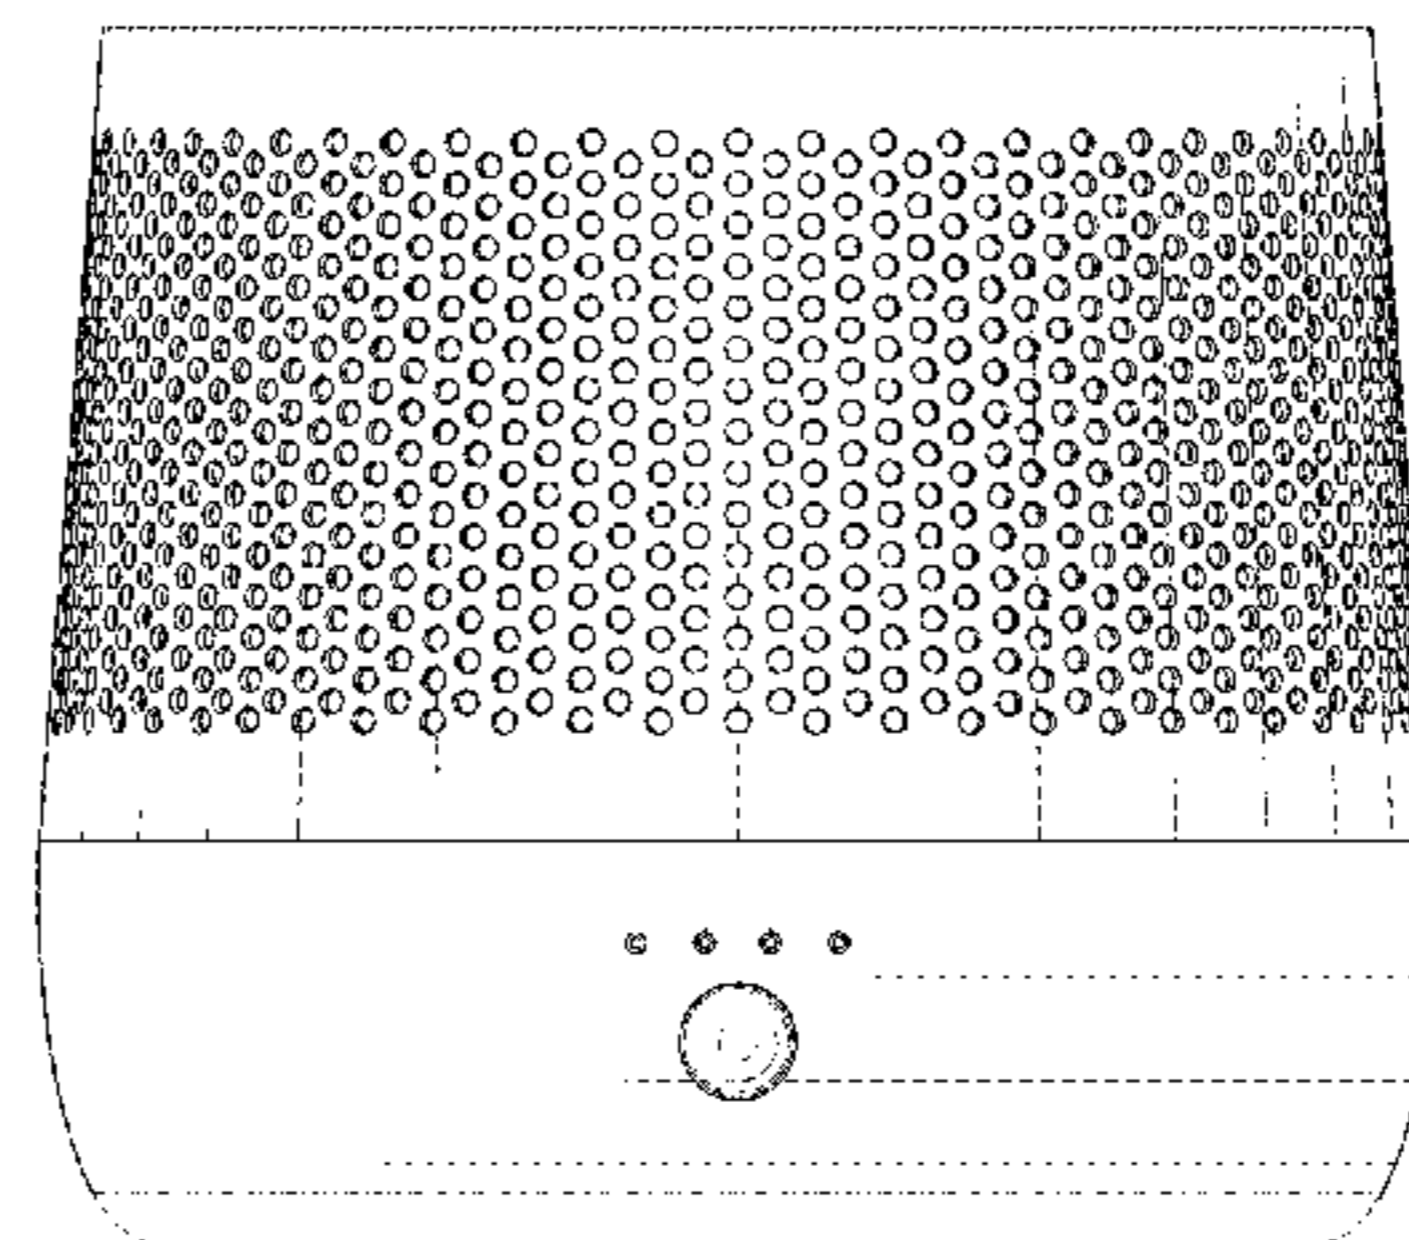

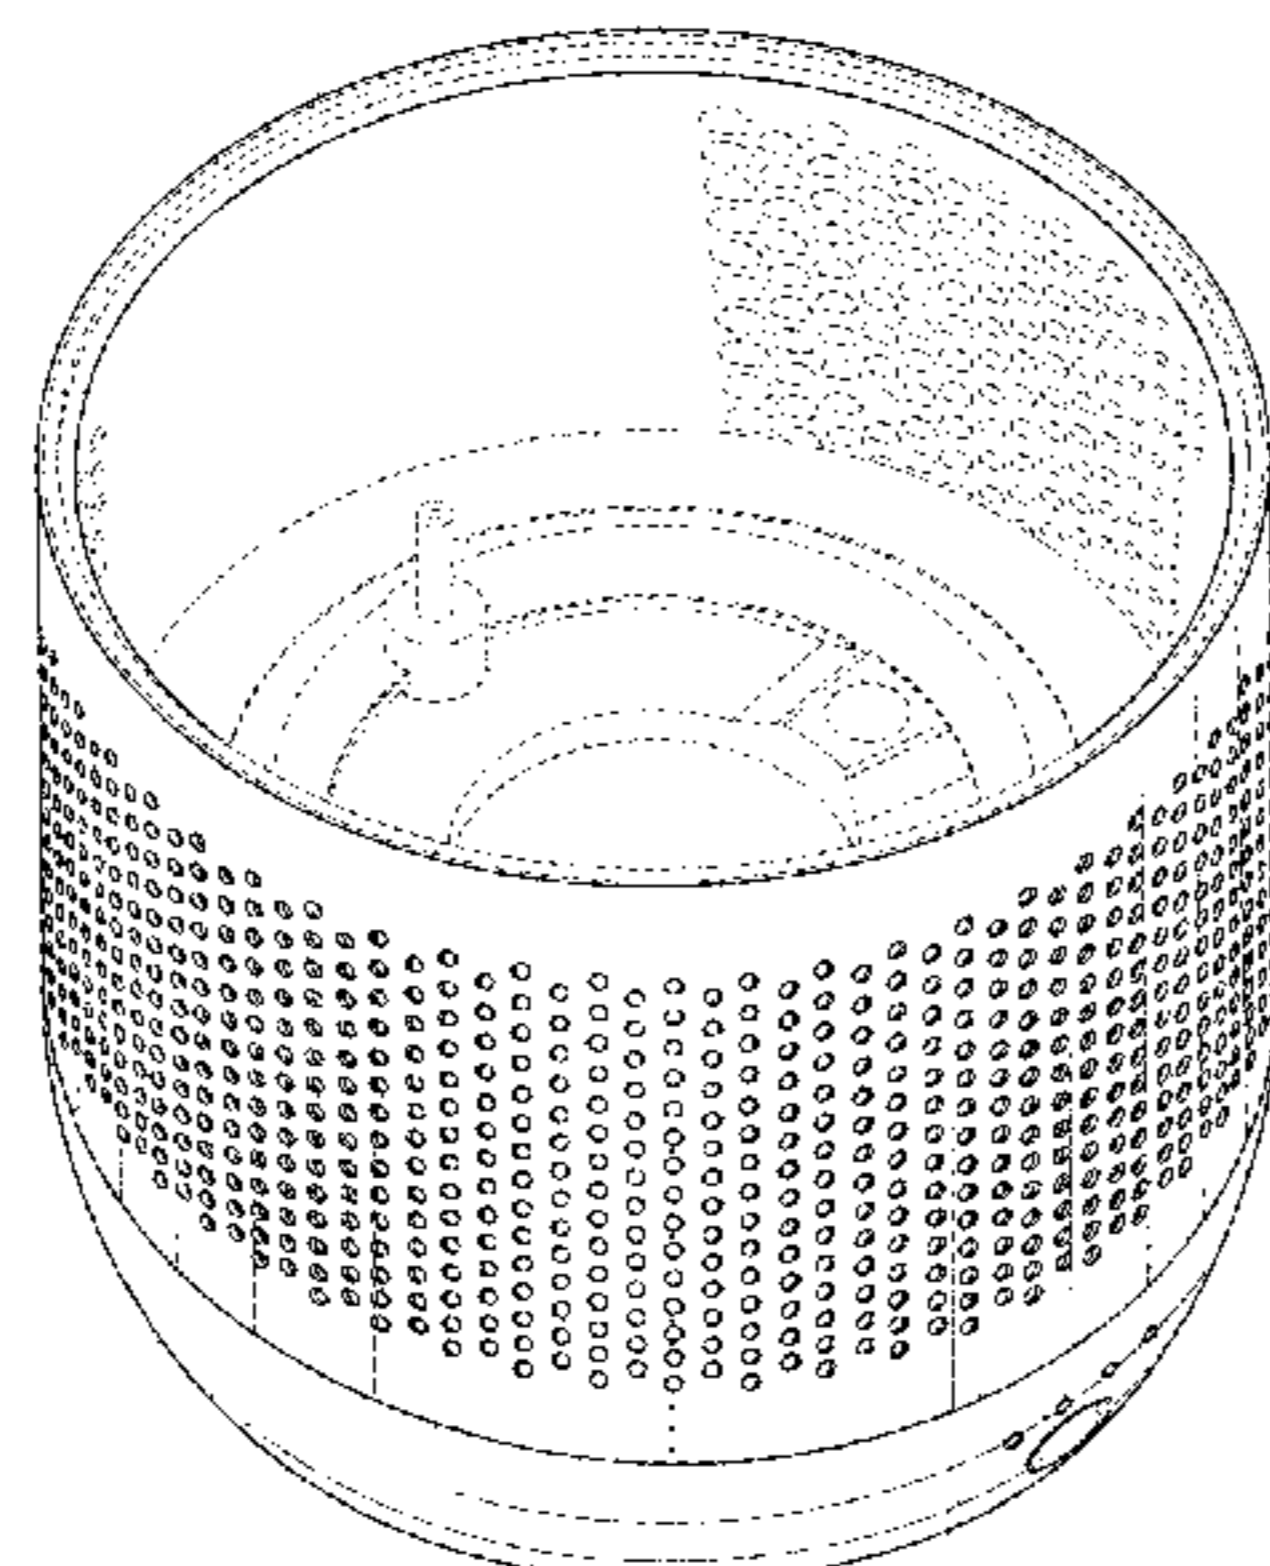

The ornamental design for a recharging stand for a media player, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a recharging stand for a media player, showing our new design; FIG. 2 is a front view of the recharging stand for a media player; FIG. 3 is a top view of the recharging stand for a media player; and, FIG. 4 is a bottom view of the recharging stand for a media player.

The evenly dashed broken lines shown in the drawings are included for the purpose of illustrating portions of the recharging stand for a media player which form no part of the claimed design. The dash-dot broken lines define the bounds of the claimed design and form no part thereof.
