(57) **CLAIM**

The ornamental design for an electronic device mount, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the top, front and right sides of an electronic device mount shown in a typical use configuration;

FIG. 2 is a front view of the electronic device mount;

FIG. 3 is a rear view of the electronic device mount;

FIG. 4 is a left side view of the electronic device mount;

FIG. 5 is right side view of the electronic device mount; and,

FIG. 6 is a top view of the electronic device mount.

The bottom of the electronic device mount is flat and devoid of surface ornamentation.

The broken-lines in the above-described figures are for illustrative purposes only, and form no part of the claimed design.
