(57) **CLAIM**

I claim, the ornamental design for the portable terminal with a graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The single FIGURE is a front view of a portable terminal with a graphical user interface showing my new design. The broken line showing of the portable terminal forms no part of the claimed design.
