(57) **CLAIM**

We claim the ornamental design for an architectural wall tile with three dimensional wave surface, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an architectural wall tile with three dimensional wave surface, showing our new design. FIG. 2 is a front view of the architectural wall tile with three dimensional wave surface. FIG. 3 is a back view of the architectural wall tile with three dimensional wave surface. FIG. 4 is a left side view of the architectural wall tile with three dimensional wave surface. FIG. 5 is a right side view of the architectural wall tile with three dimensional wave surface. FIG. 6 is a top view of the architectural wall tile with three dimensional wave surface; and, FIG. 7 is a bottom view of the architectural wall tile with three dimensional wave surface.
