See application file for complete search history.

FIG. 1 is a front view of a display screen or a portion thereof with graphical user interface for clinical practice guidelines in accordance with our new design; and, FIG. 2 is an enlarged view of the area indicated with dot-dot-dashed boundary lines in FIG. 1.

The dotted broken lines showing portions of the graphical user interface and the display screen or portions thereof represent environmental structure and form no part of the claimed design. The dot-dot-dashed broken lines represent boundaries and form no part of the claimed design. Elements that are shown outside of the rectangular dot-dot-dash boundaries form no part of the claimed design.
