(57) **CLAIM**

The ornamental design for an inflatable slide, as shown and described.

DESCRIPTION

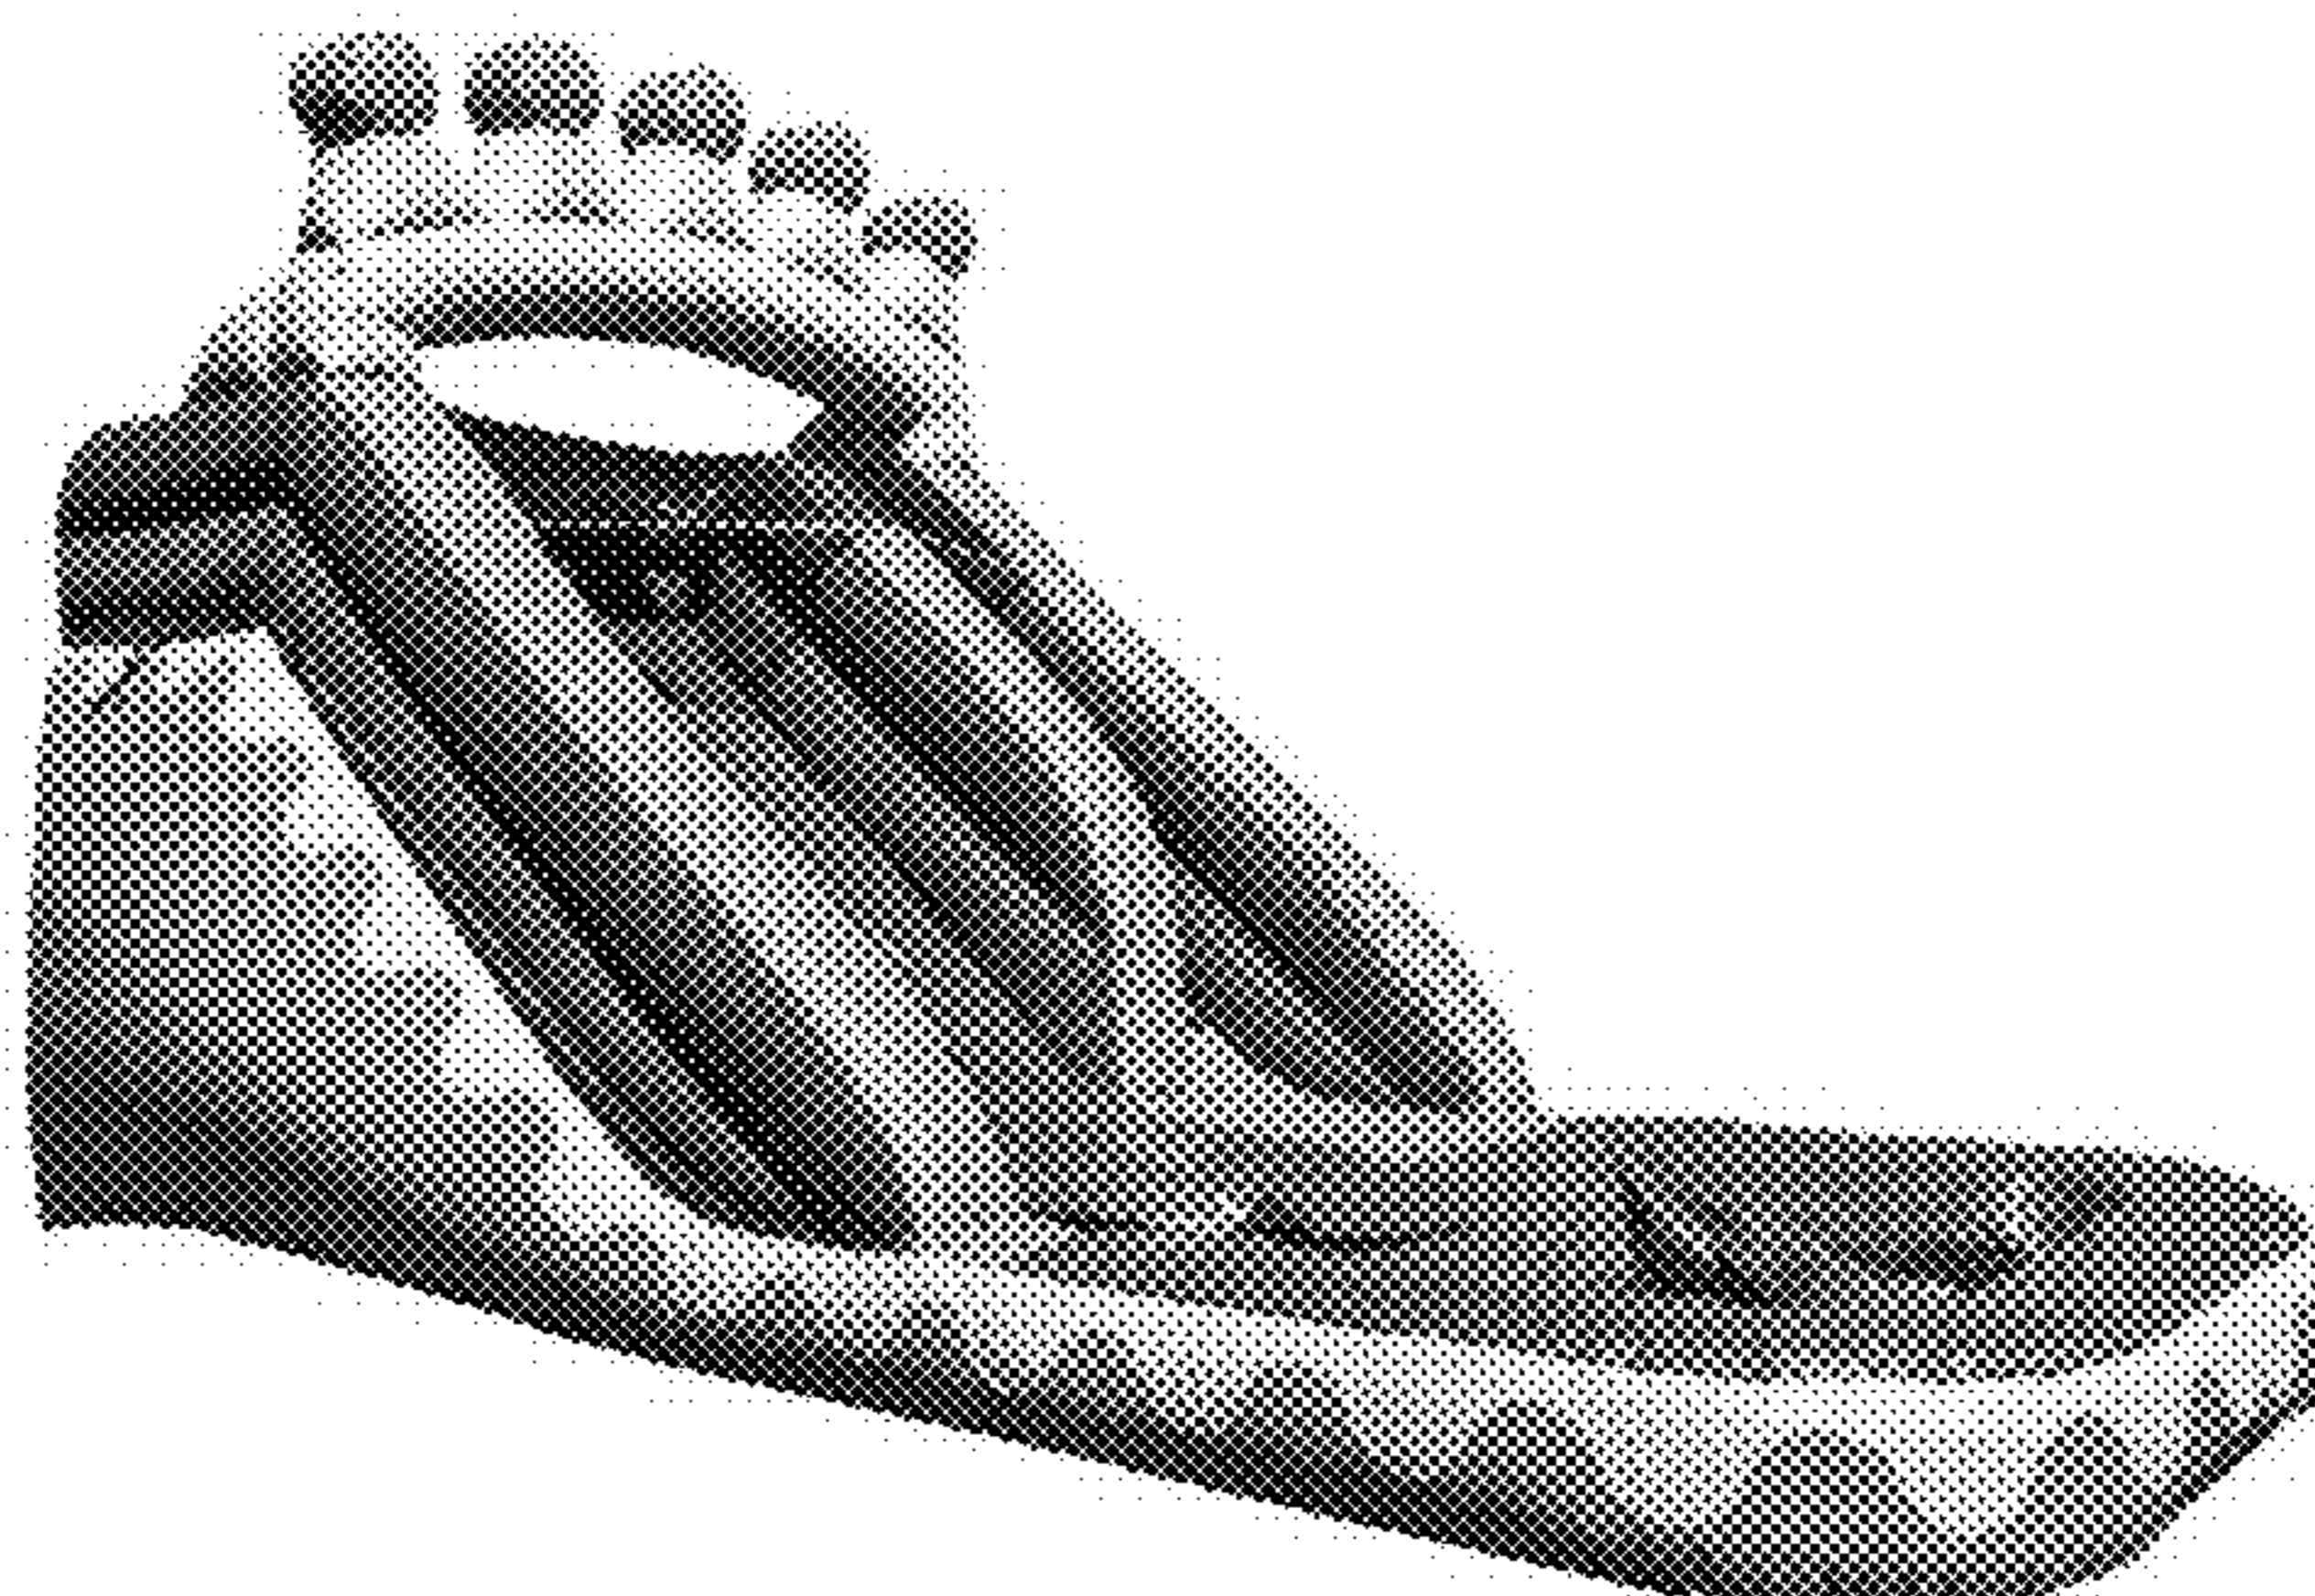

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.
FIG. 1 is a front and left side perspective view of the inflatable slide, showing my new design;
FIG. 2 is a front perspective view thereof;
FIG. 3 is a front and right side perspective view thereof;
FIG. 4 is a left side elevation view thereof; and,
FIG. 5 is a rear and left side perspective view thereof.
The broken line showing of the pump is for the purpose of illustrating environmental structure and forms no part of the claimed design.
