(57) **CLAIM**

The ornamental design for service terminal external plastic panels, as shown and described.

DESCRIPTION

FIG. 1 is a front left perspective view of service terminal external plastic panels showing our new design;

FIG. 2 is a front left exploded perspective view of the service terminal external plastic panels shown in FIG. 1;

FIG. 3 is a front left perspective view of an upper front panel of the service terminal external plastic panels shown in FIG. 1;

FIG. 4 is a front left perspective view of a middle front panel of the service terminal external plastic panels shown in FIG. 1;

FIG. 5 is a front left perspective view of a lower front panel of the service terminal external plastic panels shown in FIG. 1;

FIG. 6 is a front left perspective view of an upper left side panel of the service terminal external plastic panels shown in FIG. 1;

FIG. 7 is a front left perspective view of a lower left side panel of the service terminal external plastic panels shown in FIG. 1;

FIG. 8 is a front left perspective view of an upper right side panel of the service terminal external plastic panels shown in FIG. 1; and,

FIG. 9 is a front left perspective view of a lower right side panel of the service terminal external plastic panels shown in FIG. 1.

The broken lines are included to show features that form no part of the claimed design.

1 Claim, 9 Drawing Sheets
