(57) **CLAIM**

I claim the ornamental design for a smartwatch display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 shows a front view of a smartwatch display screen with graphical user interface; and, FIG. 2 shows a front view thereof in the context of differing broken-line subject matter. The inner dashed-line circle surrounding the graphical user interface in FIG. 1 and the inner dashed-line square surrounding the graphical user interface in FIG. 2 illustrate the perimeter of a display screen. The dashed lines outside the perimeter illustrate portions of a smartwatch. The dashed lines within the perimeter illustrate portions of a graphical user interface. The dashed lines form no part of the claimed design.
