DESCRIPTION

See application file for complete search history.

FIG. 1 is a face view of a first embodiment of a display panel of a programmed computer system with a graphical user interface;

FIG. 2 is a face view of a second embodiment of a display panel of a programmed computer system with a graphical user interface;

FIG. 3 is a face view of a third embodiment of a display panel of a programmed computer system with a graphical user interface; and,

FIG. 4 is a face view of a fourth embodiment of a display panel of a programmed computer system with a graphical user interface.

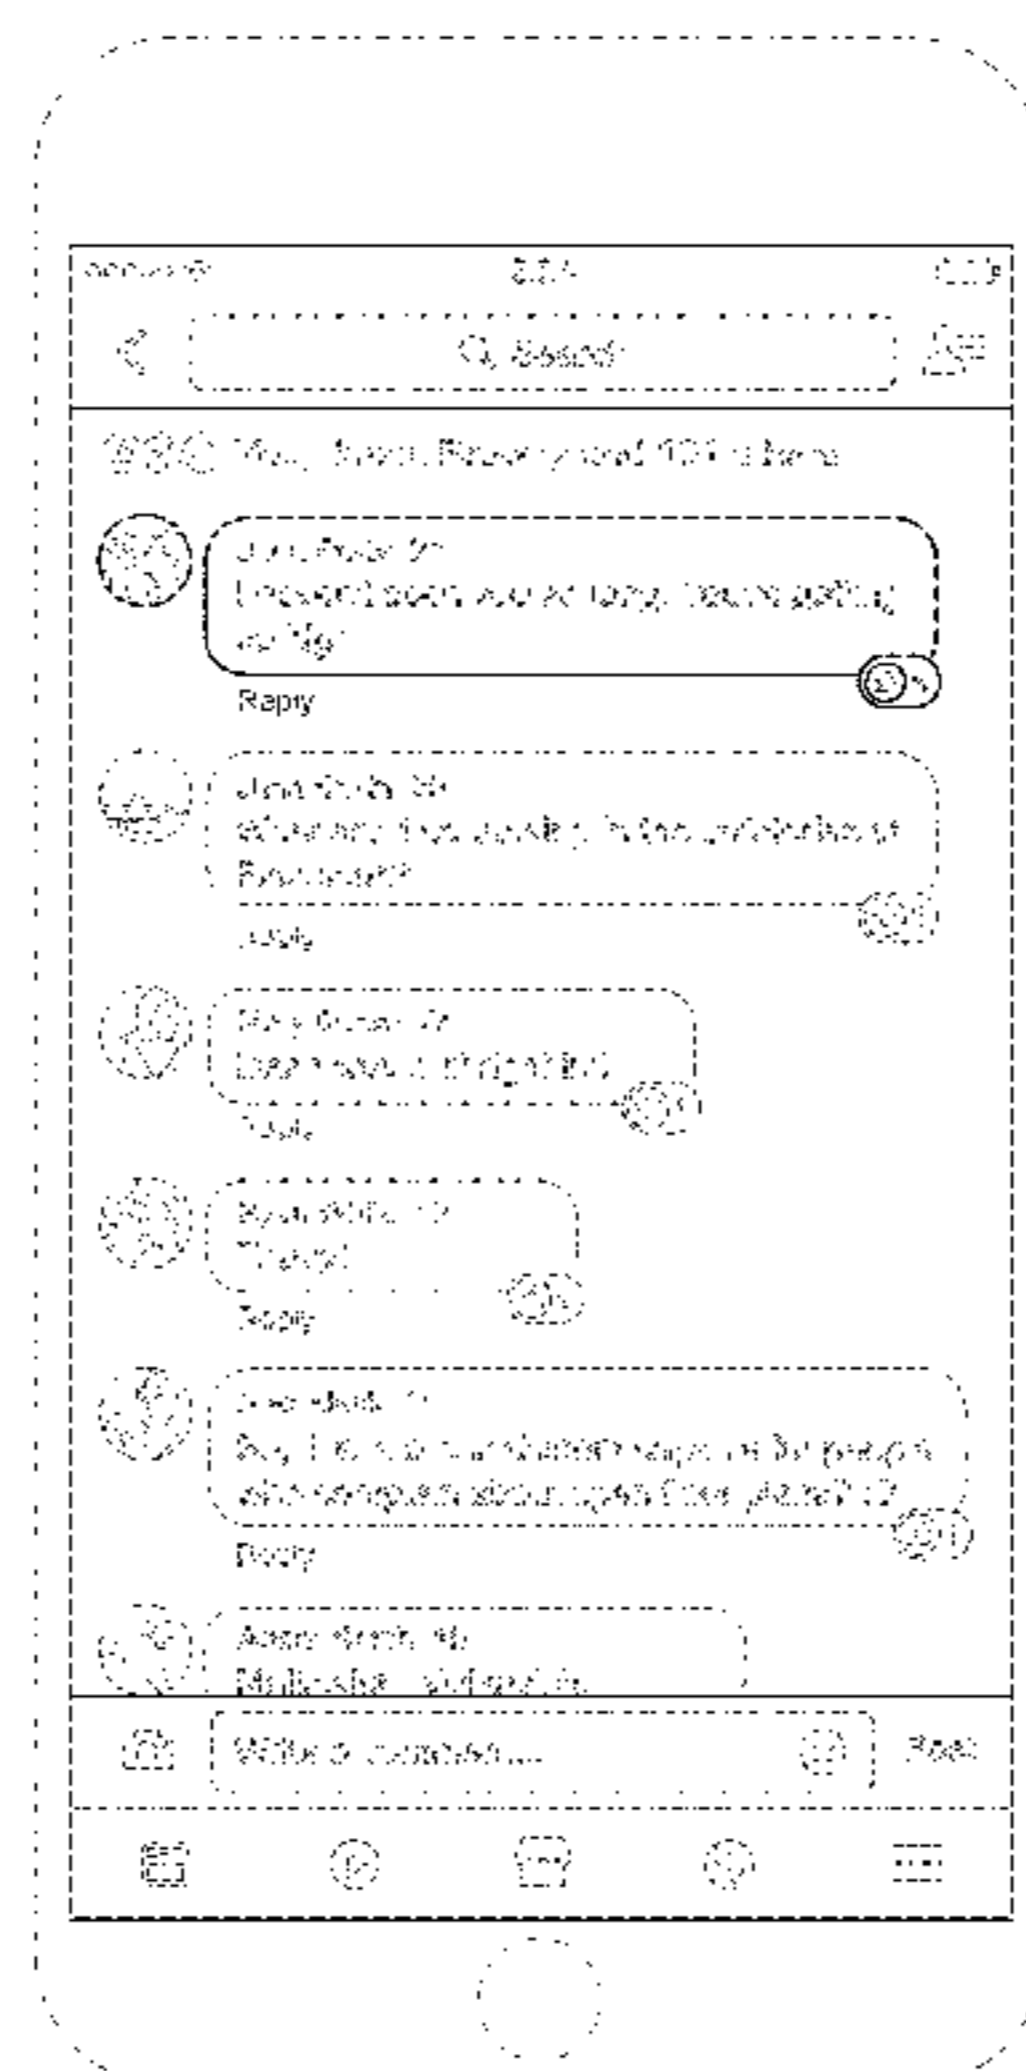

The broken lines in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.
