(57) **CLAIM**

The ornamental design for a construction machine display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a construction machine display screen with graphical user interface according to the design; and, FIG. 2 is a detail of FIG. 1, shown enlarged for clarity of illustration. The broken line showing of a display screen and portions of the graphical user interface are included for the purpose of illustrating portions of the article that form no part of the claimed design.

1 Claim, 2 Drawing Sheets
