(57) **CLAIM**

The ornamental design for a display screen for media player with graphical user interface, as shown and described.

**DESCRIPTION**

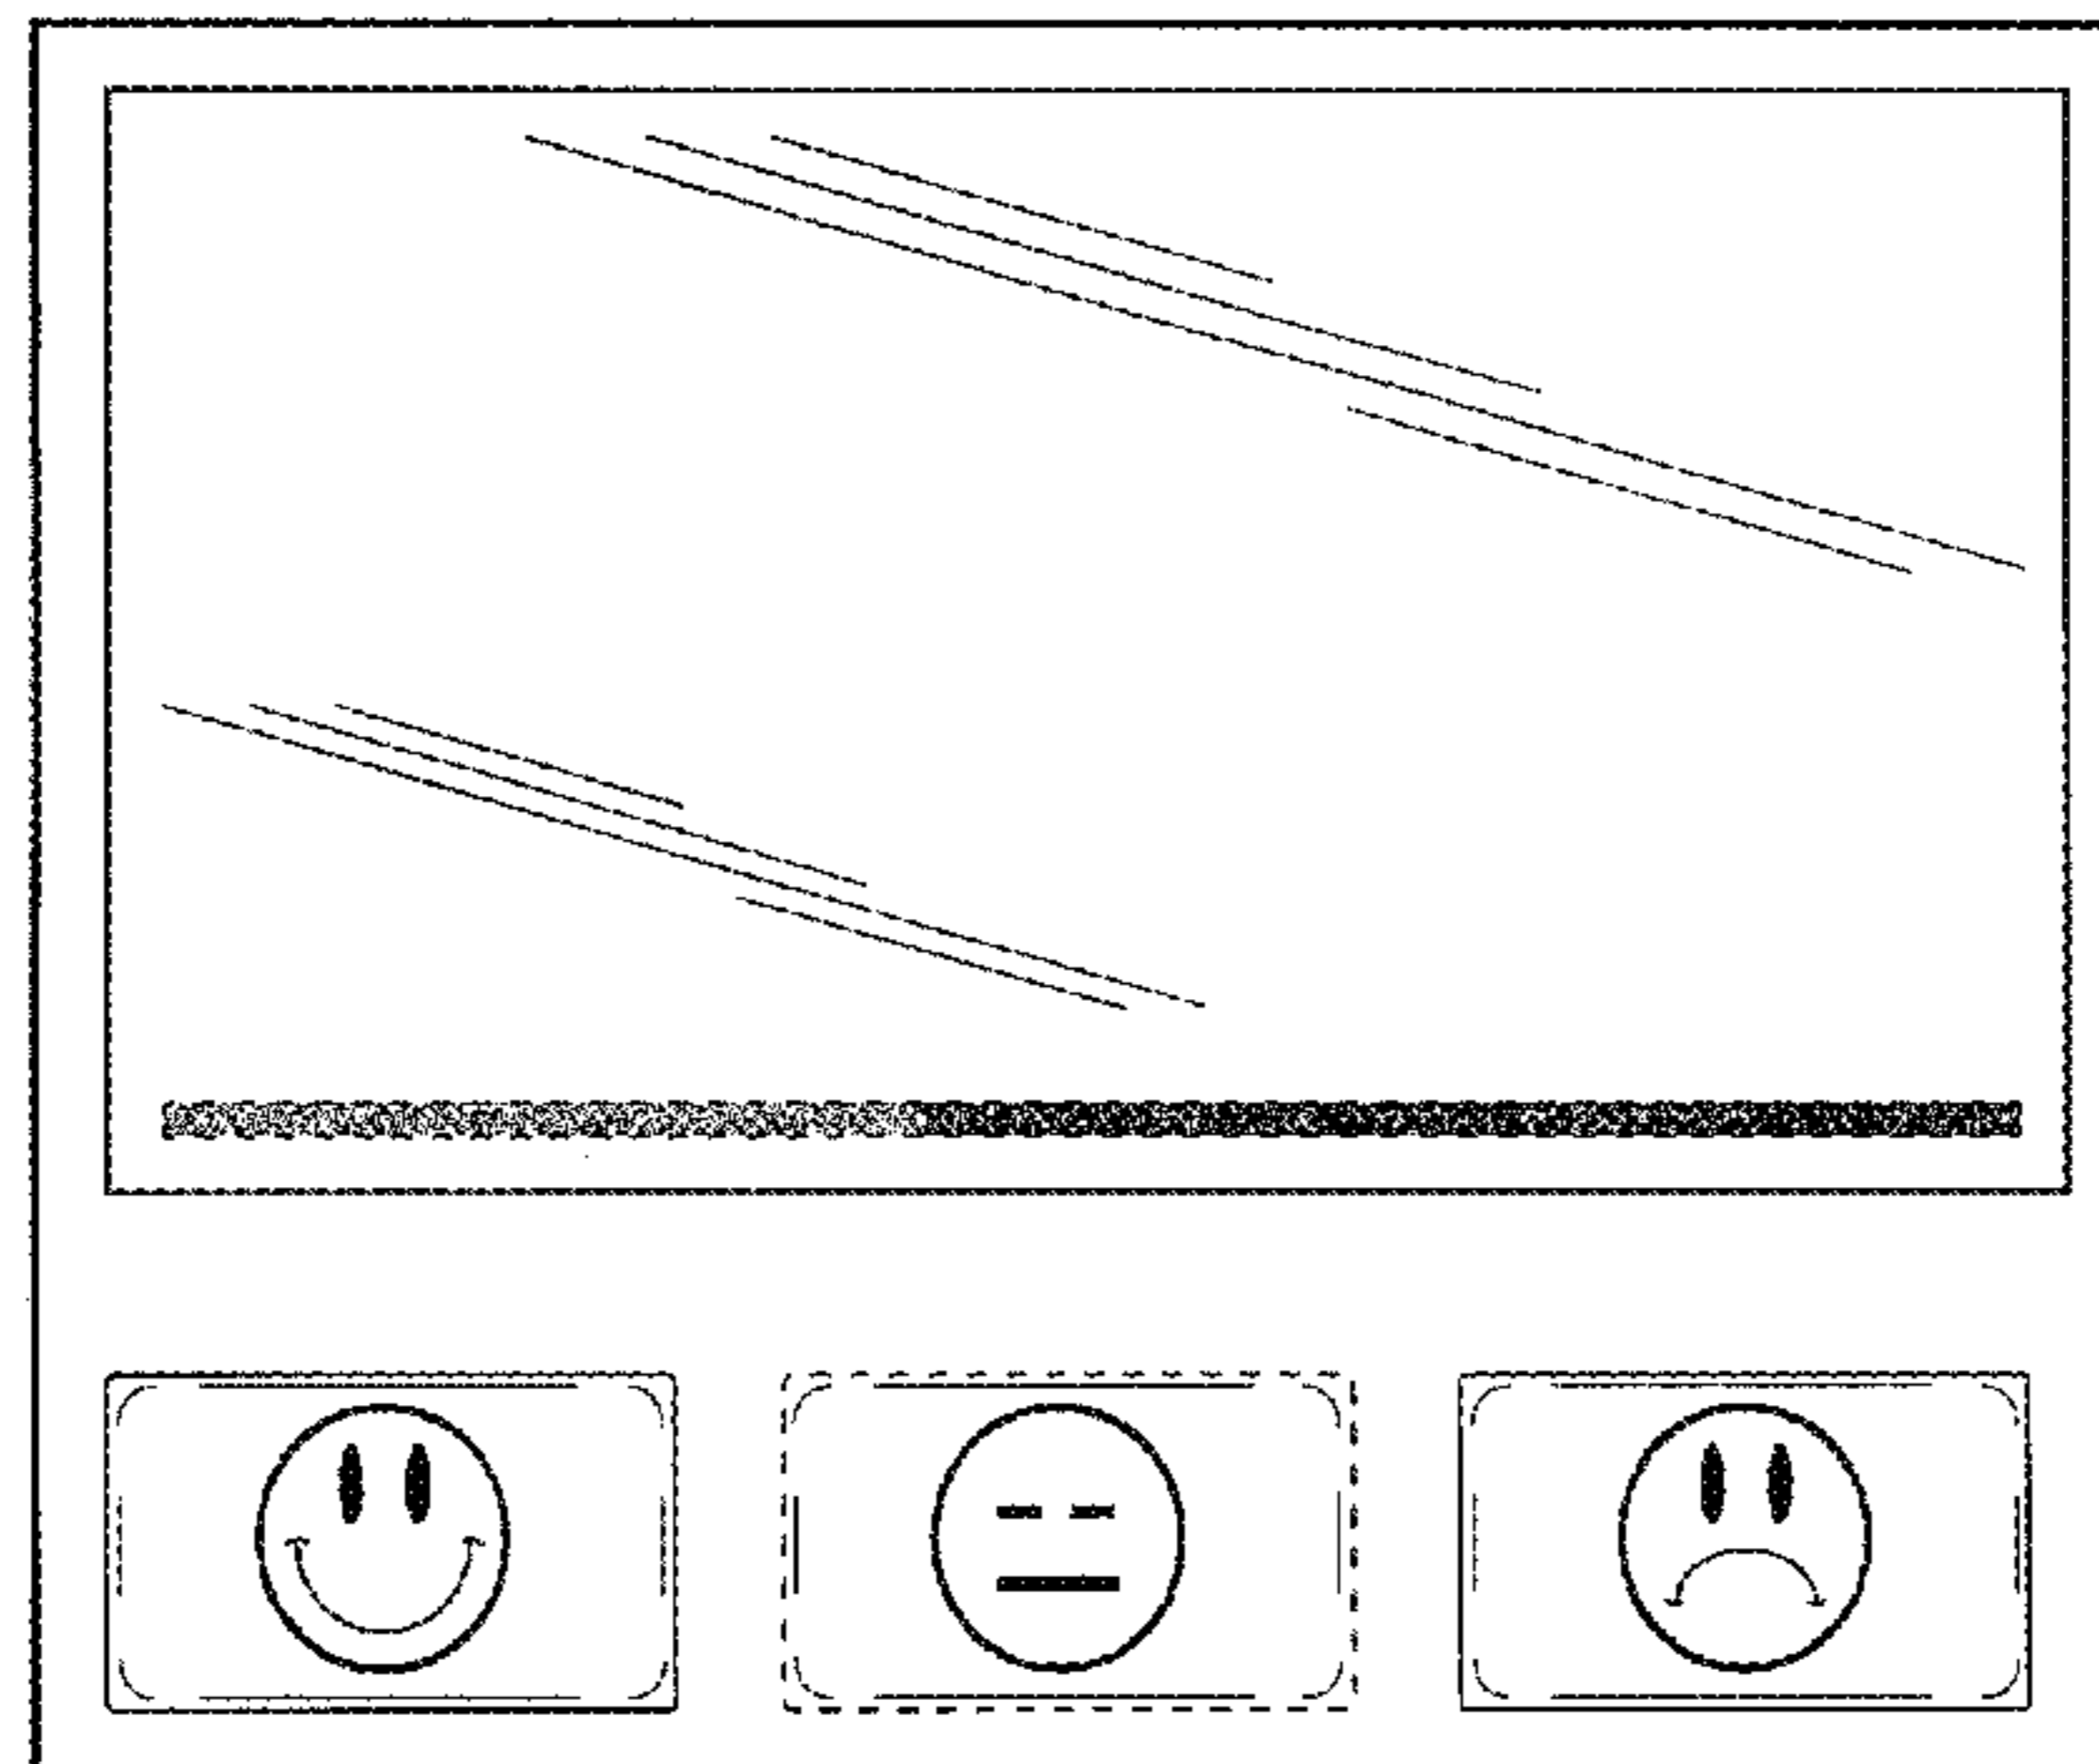

A display screen for media player with graphical user interface.

Everything shown within the evenly-spaced broken lines forms no part of the claimed design.

The uneven broken lines and the solid rectangular borders surrounding the happy face icon and the sad face icon form part of the claimed design.

The outer rectangular line is a display screen and everything therein is directed to a graphical user interface.
