DESCRIPTION

FIG. 1 is a top plan view of an electrode array showing our new design;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is a rear elevational view thereof;
FIG. 4 is a front elevational view thereof; and,
FIG. 5 is a top, front, side perspective view thereof.
The broken lines in form of a connection clip in all views and the broken lines in shape of pads in FIG. 2 depict portions of the electrode array that form no part of the claimed design. The claim terminates at the outermost edge of the broken lines and does not include surfaces that may be behind, under, or hidden by the broken lines.

1 Claim, 4 Drawing Sheets
