(57) **CLAIM**

What is claimed is the ornamental design for a display panel of a programmed computer system with a graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a face view of a first embodiment of a display panel of a programmed computer system with a graphical user interface.

FIG. 2 is a face view of a second embodiment of the display panel of a programmed computer system with a graphical user interface; and,

FIG. 3 is a face view of a third embodiment of the display panel of a programmed computer system with a graphical user interface.

The broken lines in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.

**1 Claim, 3 Drawing Sheets**
