Primary Examiner — Wan Laymon

(57) **CLAIM**

The ornamental design for a dental margin article, as shown and described.

DESCRIPTION

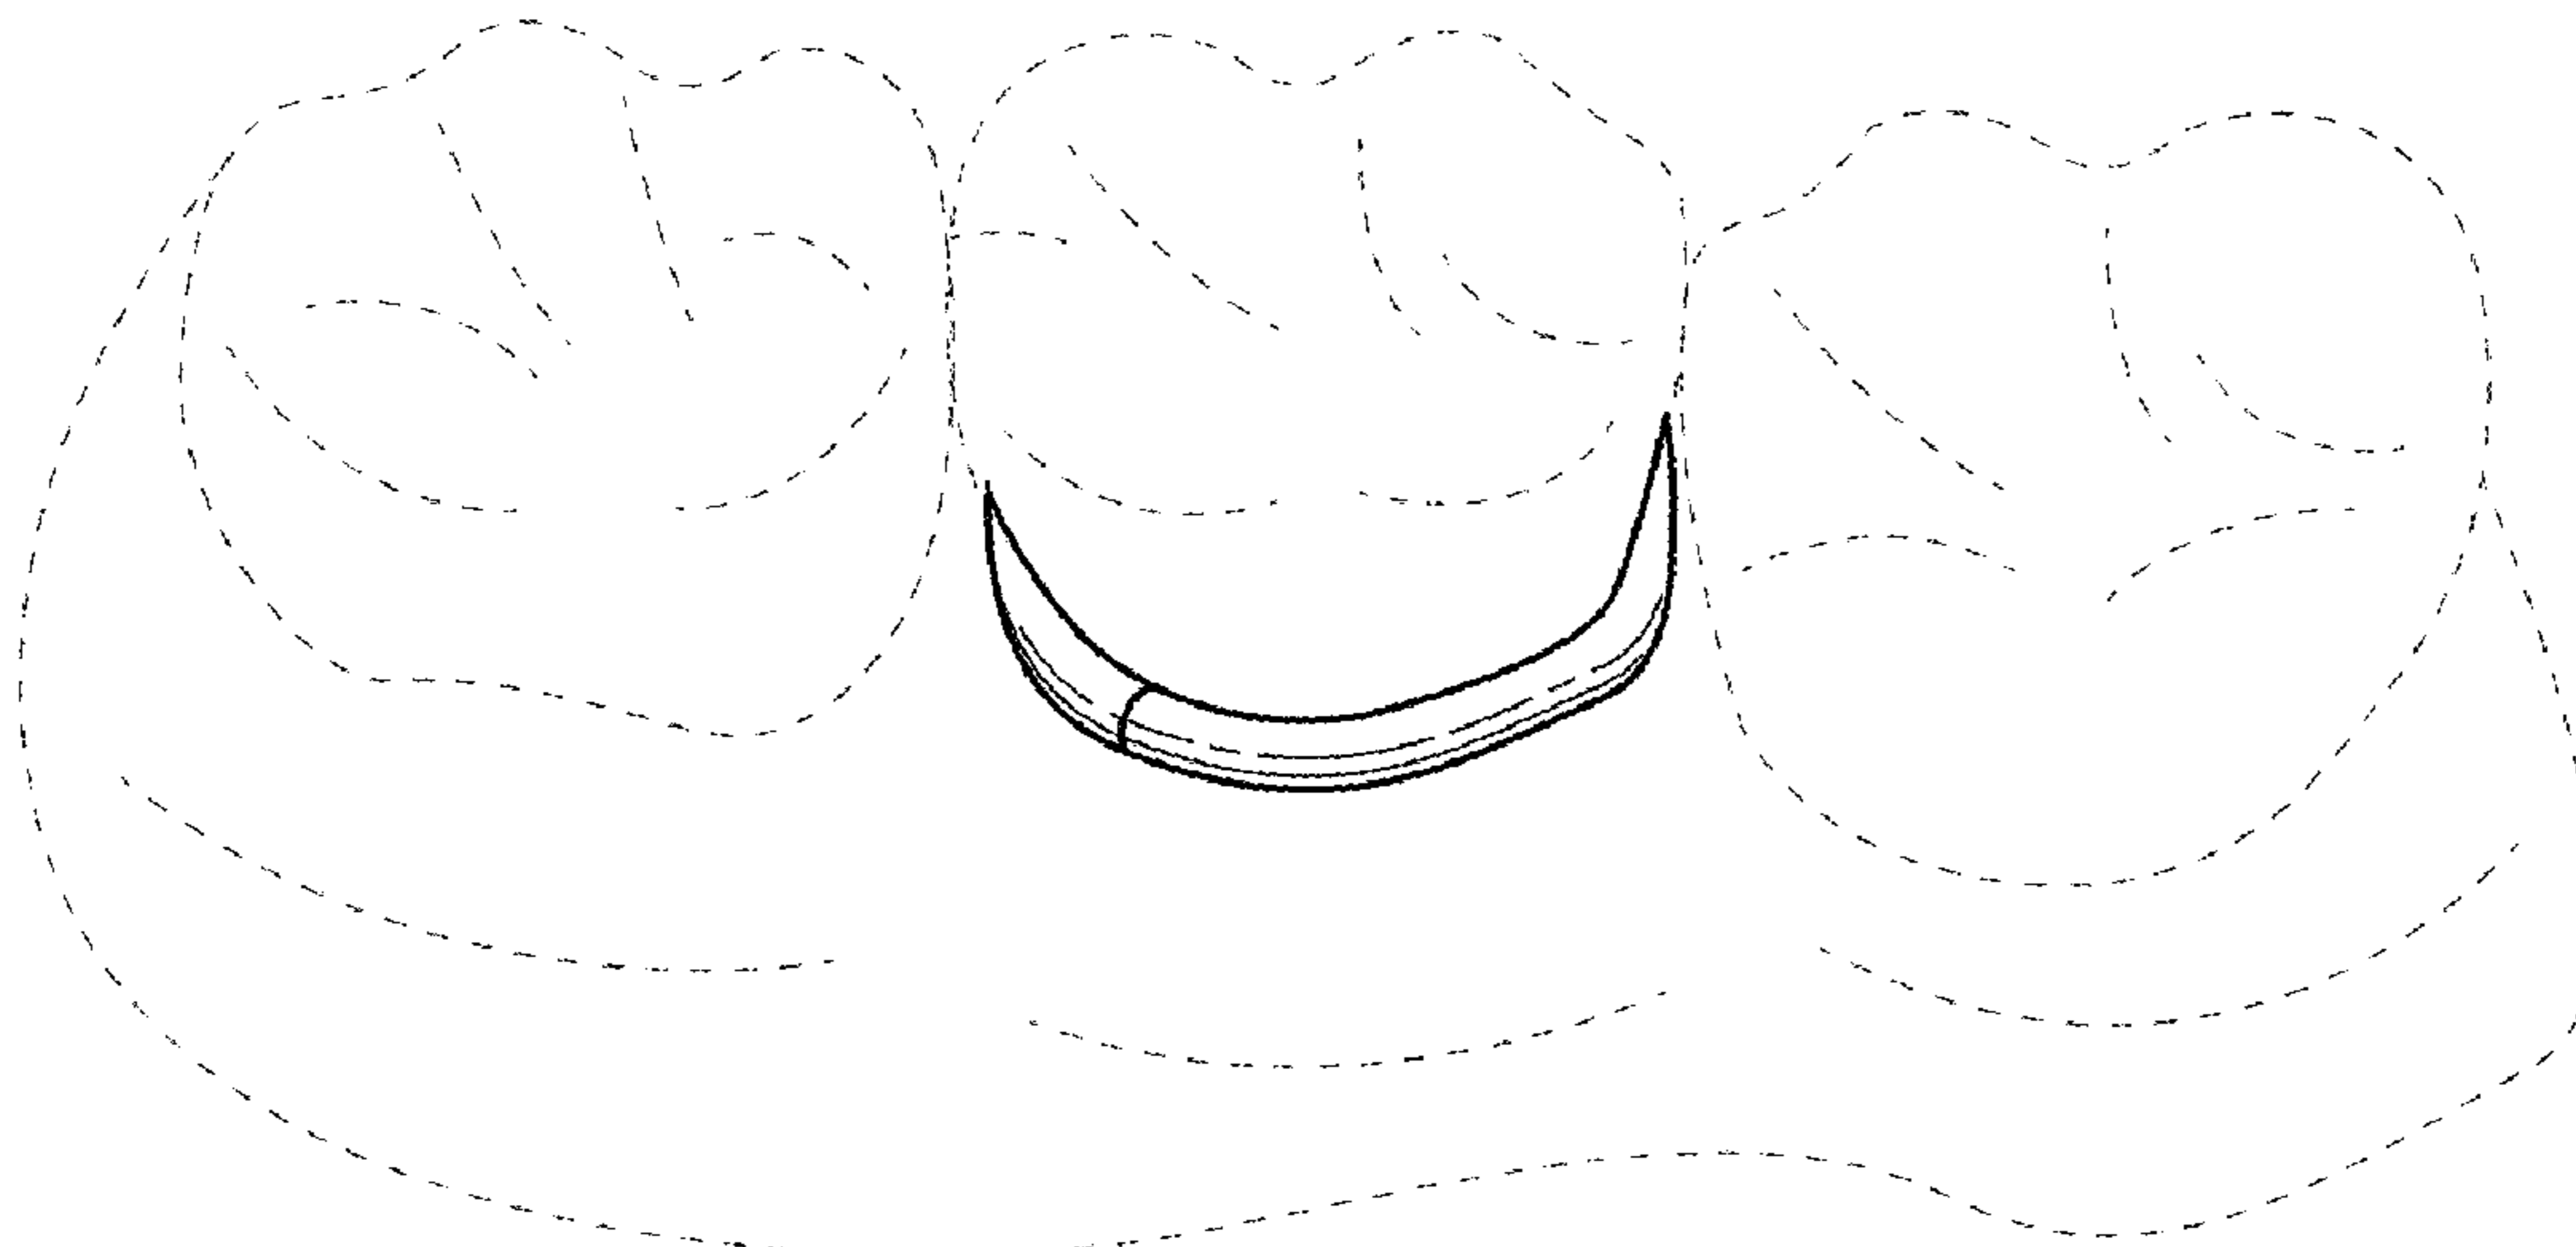

FIG. 1 is a perspective view showing a first embodiment of a new design for a dental margin article; FIG. 2 is a left side view thereof, the right side view being a mirror image thereof; FIG. 3 is a front view thereof, the rear view, top view and bottom view being a mirror image thereof; and, FIG. 4 is a perspective view showing the first embodiment of the dental margin article in use with a tooth. The portions of the dental margin article in FIGS. 1-4 shown in broken lines are included to show features that form no part of the claimed design.
