(57) **CLAIM**

The ornamental design for a handrail enclosure, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a handrail enclosure showing a first variation of the claimed design; FIG. 2 is a front elevation view of the first variation; FIG. 3 is a rear elevation view of the first variation; FIG. 4 is a right-side view of the first variation; FIG. 5 is a left-side view of the first variation; FIG. 6 is a top view of the first variation; FIG. 7 is a bottom view of the first variation; FIG. 8 is a front perspective exploded view of the first variation; FIG. 9 is a front perspective view of the first embodiment in an environment in use; FIG. 10 is a front perspective view of a handrail enclosure showing a second variation of the claimed design; FIG. 11 is a front elevation view of the second variation; FIG. 12 is a rear elevation view of the second variation; FIG. 13 is a right-side view of the second variation; FIG. 14 is a left-side view of the second variation; FIG. 15 is a top view of the second variation; FIG. 16 is a bottom view of the second variation; FIG. 17 is a front perspective exploded view of the second variation; and, FIG. 18 is a front perspective view of the second variation in an environment in use. Broken lines are used to show environment and boundaries that form no part of the claimed design. The broken line showing of the screw holes around the perimeter of the handrail enclosure are for illustrative purposes only and form no part of the claimed design.

1 Claim, 14 Drawing Sheets
