(57) **CLAIM**

I claim the ornamental design for a prescription label, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a prescription label showing the new design.

FIG. 2 is a front view of a second embodiment of a prescription label showing the new design; and,

FIG. 3 is a front view of a third embodiment of a prescription label showing the new design.

The ornamental design which is claimed is shown in solid lines in the drawings. Stippling and hatching in the drawings indicate a contrast in color. The broken line showing of elements on the prescription label illustrates portions of the article and forms no part of the claimed design.
